Real Property and Secured Transactions Law of Korea M. Stephen Choe,2003 Secured Transactions Law in Asia

Louise Gullifer,Dora Neo,2021-03-25 This collection of essays offers a unique insight and overview of the secured transactions law in many of the most important countries in Asia as well as reflections on the need for benefits of and challenges for reform in this area of the law The book provides a mixture of general reflections on the history successes and challenges of secured transaction law reform and critical discussion of the law in a number of Asian countries In some of the countries the law has already been reformed or reform is under way and here the reforms are considered critically with recommendations for future work In other countries the law is not yet reformed and the existing law is analysed so as to determine what reform is desirable and whether it is likely to take place First this book will enable those engaging with the law in Asia to understand better the contours of the law in both civil and common law jurisdictions Second it provides analytical insights into why secured transactions law reform happens or does not happen the different methods by which reform takes place the benefits of reform and the difficulties that need to be overcome for successful reform Third it discusses the need for reform where none has yet taken place and critically assesses the reforms which have already been enacted or are being considered In addition to providing a forum for discussion in relation to the countries in question this book is also a timely contribution to the wider debate on secured transactions law reform which is taking place around the world

Commercial Law in East Asia Roman Tomasic,2017-07-05 The shift of economic gravity towards East Asia requires a critical examination of law s role in the Asian Century This volume explores the diverse scholarly perspectives on law s role in the economic rise of East Asia and moves from general debates such as whether law enjoys primacy over culture state intervention or free markets in East Asian capitalism to specific case studies looking at the nature of law in East Asian negotiations contracts trade policy and corporate governance The collection of articles exposes the clefts and cleavages in the scholarly literature explaining law s form function and future in the Asian Century

Finance in Asia Qiao Liu,Paul Lejot,Douglas W. Arner,2013-03-12 Asia s demand for second generation financial institutions and markets needs to be met in order for the region s further development to be sustained This book provides a compelling fact based assessment of current practices and regulations in Asia s financial institutions and markets and carefully documents the exciting opportunities and challenges that lie ahead in the region s financial systems This book differs in design from typical treatments of financial institutions and markets because its focus is on Asia rather than using the US model in terms of market configurations or products as a benchmark and it takes a contemporary and forward looking view of financial markets Examples of practice from Asia are used to illustrate major accepted themes in finance and financial regulation To the extent that Asia s main economies share characteristics that are distinct for example in the relationship between government and the banking sector or in aspects of corporate governance the book will discuss the consequences for market

operation and intermediation The book's carefully structured facts and rigorously argued analysis carry important implications both for students in business and law and for professionals new to financial markets in Asia It will change the way that Asian financial markets and institutions is taught in universities as well as provide a valuable resource for professionals working in finance in Asia **Secured Transactions in California Commercial Law Practice** John D.
