Hope Beyond Suicide J. Bruce Sofia, 2013-08-25 It is estimated that each suicide directly affects at least six other people meaning that one in every 65 Americans are directly affected by suicide As a pastor Rev Dr J Bruce Sofia has seen too many lives hijacked by suicide In his book *Hope Beyond Suicide* Sofia compassionately calls attention to one of the most important and controversial questions facing the Church today Will a person who commits suicide go to Heaven Or maybe the question is better worded Will a person who commits suicide go to Hell Rev Dr Sofia offers the biblical perspective to accompany the true life stories of parishioners who took their own lives while also incorporating the stories of six biblical figures who took their own lives King Saul King Saul's armor bearer Ahithophel King Zimri Judas Iscariot and Samson If you or someone you know is struggling to cope with the suicide of a loved one or to answer the difficult questions about the relationship between suicide Jesus and eternal life *Hope Beyond Suicide* then this book will undoubtedly prove itself to be an invaluable gift and resource

Finding Hope Within the Crisis Gary Texter, 2023-09-13 Have you gone through challenging times wondering where to turn In those difficult times in life God has been my hope As a small boy I learned that God is always with us And I sensed God's presence not only in church but also in the family and later in friendships and marriage Meditating on the scripture The Healing of a Paralytic Luke 5 17 26 I saw myself in the different characters in that scripture during life a Pharisee judging others someone in the crowd observing and listening and many times being one of the men carrying the paralytic on the stretcher During the crises of life I was the paralytic on the stretcher including both figuratively and literally during the largest single crisis of my life my nine month ordeal with COVID 19 going to death's door and back It was others who carried me on that stretcher and I saw God's hope through those that were there to carry me Whether it was the woman I hadn't known before tapping me on the shoulder asking how my mother was doing and telling me she was praying for her to an entire church in Bloomingburg praying for her and many years later for me when I was in the grips of COVID 19 God's hope shines through people I will be eternally grateful to all the women and men in the medical field many of them are in this book and some who I may never know their names They were and continue to be God's vessels of hope for me As are the many who prayed locally around the country and the world With joy upon my return home Dr Gulati my local doctor declared it nothing short of a Christmas miracle
