Mere Theology Will Vaus,2004-03-30 Will Vaus masterfully brings together Lewis s thought from throughout his voluminous writings to provide us a full orb ed look into his beliefs on twenty five Christian themes *Real Presence* Leanne Payne,1989 **Real Presence** Leanne Payne,1988 **C. S. Lewis's Mere Christianity** George M. Marsden,2020-02-25 The life and times of C S Lewis s modern spiritual classic Mere Christianity C S Lewis s eloquent defense of the Christian faith originated as a series of BBC radio talks broadcast during the dark days of World War Two Here is the story of the extraordinary life and afterlife of this influential and inspiring book George Marsden describes how Lewis gradually went from being an atheist to a committed Anglican famously converting to Christianity in 1931 after conversing into the night with his friends J R R Tolkien and Hugh Dyson and how his plainspoken case for Christianity went on to become one of the most beloved spiritual books of all time *C. S. Lewis* Margaret Patterson Hannay,2009-02-02 Readers over the world delight in the Narnia tales the adult novels and the sparkling Christian apologetics of C S Lewis His literary criticism continues to provoke and enlighten Here now is an excellent map of Lewis two worlds his life and his imagination In an appealing style unhampered by academic jargon Hannay offers a biographical sketch of a man haunted by longing a man who progressed from arrogant dogmatism to gentleness concise summaries of each of the major works including tantalizing quotations to entice the reader back to the original a survey of the major themes throughout his writing which connect works as seemingly different from each other as The Lion the Witch and the Wardrobe Screwtape Letters and A Preface to Paradise Lost an analysis of his literary technique involving his allusive and compelling style Tolkien and C.S. Lewis Colin Duriez,2003 This book explores their lives unfolding the extraordinary story of their complex friendship that lasted with its ups and downs until Lewis s death in 1963 Despite their differences of temperament spiritual emphasis and storytelling style what united them was much stronger A shared vision that continues to inspire their millions of readers throughout the world **BOOK JACKET** Title Summary field provided by Blackwell North America Inc All Rights Reserved **Heaven's Calling** Leanne Payne,2008-09-01 Leanne Payne was called out of brokenness into union with Christ and her nearly fifty year journey with God has been an adventure of healing grace and truth and of the accompanying spiritual battles She has spent her life proclaiming the freeing message that Christ lives in us and offers the ministry of Jesus especially to those suffering from the effects of past sins and woundedness self rejection and long standing addictions By exposing her own life complete with its triumphs and failures Mrs Payne brings extraordinary clarity and understanding on a surprisingly large range of subjects including gender identity sexual neurosis gnosticism false prophecy transference healing prayer incarnational reality and sacramental worship Her story illustrates how one soul listening to and obeying the Lord can revel in the abundant life that is available to us all C.S. Lewis—An Annotated Bibliography and Resource P. H. Brazier,2012-09-20 This bibliography and resource consists of a chronological introduction to the development of Lewis s works a copious bibliography and a guide to

S. Lewis** Kath Filmer,2016-07-27 This book examines the way in which the fictional writings of C S Lewis reveal much about the man himself and his quest for psychological and spiritual wholeness There is new material dealing with C S Lewis's political writings especially the correspondences between his thriller *That Hideous Strength* and George Orwell's *Nineteen Eighty Four* and some new insights into Lewis's attitudes to women *True Myth* James W Menzies,2015-02-26 *True Myth* examines the meaning and significance of myth as understood by C S Lewis and Joseph Campbell and its place in the Christian faith in a technological society C S Lewis defined Christianity and being truly human as a relationship between the personal Creator and his creation mediated through faith in his son Jesus The influential writer and mythologist Joseph Campbell had a different perspective understanding Christianity as composed of mythical themes similar to those in other religious and secular myths While accepting certain portions of the biblical record as historical Campbell taught the theological and miraculous aspects as symbolic as stories in which the reader discovers what it means to be human today In contrast Lewis presented the theological and the miraculous in a literal way Although Lewis understood how one could see symbolism and lessons for life in miraculous events he believed they were more than symbolic and indeed took place in human history In *True Myth* James W Menzies skilfully balances the two writers differing approaches to guide the reader through a complex interaction of myth with philosophy media ethics history literature art music and religion in a contemporary world **The Living Church** ,1967 **A Field Guide to Narnia** Colin Duriez,Brian Sibley,2004-06-02 Are you traveling to Narnia No matter if this is your first visit to C S Lewis's wonderful fantasy world or if you've been there many times you'll want to bring along this handy companion to the landscape and inhabitants of Narnia including an A to Z guide to characters places objects and events From Narnia expert Colin Duriez you'll learn Duriez also takes up some the sticky questions that you may be left wondering about such as the destiny of Susan His book will help you dig deeper into the series and its implications for understanding the Christian life *C.S. Lewis* A. N. Wilson,2002 Provides a documented portrait of the well known author **C.S. Lewis: Revelation, Conversion, and Apologetics** P. H. Brazier,2012-07-18 This is a series of books which have a common theme the understanding of Christ and therefore the revelation of God in the work of C S Lewis These books are a systematic study of Lewis's theology Christology and doctrine of revelation as such they draw on his life and work They are written for academics and students but also crucially for those people ordinary Christians without a theology degree who enjoy and gain sustenance from reading Lewis's work www.cslewisandthechrist.net

Sacramental Life Volume 18.3 Elizabeth Sue Moore, Marci Pounders, John Middleton, Julius McCarter, David Tripp, Lloyd Speer, David L. Schriber, Sarah Flynn, Stanley Tanner, Heather Josselyn-Cranson, Charles Duncan, 2006-06-01 *Sacramental Life Volume 18 3 Summer 2006* Founded in 1988 *Sacramental Life* is one of two journals published by the Order of Saint Luke OSL Publications It focuses on the emerging and historical practices of Christian worship Print distribution is to the members of the Order globally as well as to a number of theology departments and seminary libraries in the United States Journey Towards Home S. Steve Park, 2017-03-14 Clives Staples Lewis 1898 1963 called his theological writings as that of a layman and an amateur who merely attempted to restate ancient and orthodox doctrines However S Steve Park argues that Lewis s theological reflections are well informed thoughtful and weighty For instance Lewis s notion of mere Christianity consistently shows his commitment to supernaturalism vs naturalism and eucatastrophic salvationism vs ethical developmentalism in sharp contrast to many prevailing theologians of his time In this book the author expounded Lewis s theological writings rather comprehensively and organized the results according to Lewis s signature literary motif of the journey towards home in four stages Away from Home Homeward Turning Home Away from Home and The Final Home Under these headings Lewis s major theological and literary themes find illuminating treatments with rich contents and penetrating analyses In so doing the author presents to the readers probably for the first time a systematic theology of C S Lewis It turns out that Lewis more than just a storyteller was a significant participant in the world of theological reflections demonstrating himself to be a rather formidable theological mind to be reckoned with *Restoring Beauty* Louis Markos, 2012-01-05 An analysis of Lewis s eleven novels and many non fiction works critically looking at the twin concepts of beauty and truth as Divine in source

BEYOND NARNIA Ray Baker, 2021-04-28 Lewis was an amazing author who has impacted the faith of millions of people around the world Unfortunately most people never read anything by C S Lewis other than *The Chronicles of Narnia* This is good as far as it goes but what a shame if that s all one ever reads of this genius Although some may go on to read *Mere Christianity* or even *The Screwtape Letters* *Miracles* or *The Problem of Pain* very few have ever mined the riches that are to be found in Lewis s collected essays or had their longing for the numinous stirred by hauntingly brilliant *Dymer* and *The Pilgrim s Regress* It is my desire in this book to show that Lewis is more than just *Narnia* *Beyond Narnia: The Theology of C S Lewis* is an in depth analysis of the most important themes in the work of C S Lewis including the sensation of joy or longing as signposts to God his view of the Bible as both myth and the Word of God his defense of miracles against Hume s famous critique his insightful observations on the problem of pain and his often misunderstood but groundbreaking thoughts on hell This book provides an accessible and thorough introduction to C S Lewis for undergraduate students and Lewis fans who want to go deeper in their understanding C.S. Lewis--On the Christ of a Religious Economy, 3.1 P. H. Brazier, 2013-05-03 C S Lewis *On the Christ of a Religious Economy* I Creation and Sub Creation opens with Lewis on creation the fall into original sin and the human condition before God and how such an understanding permeated all his work post conversion For

Lewis Christ the second person of the Trinity is the agent of creation and its redeemer This leads into Lewis s representation through sub creation explaining salvation history and the purpose of the creation and the creature through story The Chronicles of Narnia The Space Trilogy Screwtape etc but also the question of multiple incarnations and the encounters he pens between Aslan Christ and creatures What does this tell us about the human predicament and our state after the fall This volume forms the first part of the third book in a series of studies on the theology of C S Lewis titled C S Lewis Revelation and the Christ The books are written for academics and students but also crucially for those people ordinary Christians without a theology degree who enjoy and gain sustenance from reading Lewis s work
