The Arts of China, Fifth Edition, Revised and Expanded Michael Sullivan, 2008 From the Neolithic to the avant garde and through all the brilliant centuries in between Michael Sullivan s introduction to Chinese art history is the classic in its field unsurpassed in its clarity balance and sure grasp of the subject Whether for the classroom student or the casual reader its remarkable range and elegant style make this book a wonderful way for anyone to begin learning about Chinese art Jerome

Silbergeld Princeton University I have used Sullivan's *Arts of China* in my class for thirty years. No other historian of Chinese art today commands such a wide range of knowledge as Michael Sullivan. Richard Barnhart, Yale University, editor of *Three Thousand Years of Chinese Painting*. After more than forty years since its first publication, Michael Sullivan's *Arts of China* now in its fifth edition remains the most concise yet most comprehensive introduction to the history of Chinese art to students and the public. Wu Hung, Harrie A. Vanderstappen, Distinguished Service Professor, University of Chicago. Michael Sullivan is the acknowledged dean of modern Chinese art studies and any work bearing his name guarantees both a high level of quality and a wide readership. Maxwell K. Hearn, Metropolitan Museum of Art.

Trends, Experiences, and Perspectives in Immersive Multimedia and Augmented Reality Simão, Emília, Soares, Celia, 2018-07-27. The concept of immersive multimedia, which is closely related to concepts of augmented reality, brings opportunities in art, education, entertainment, and technology. As such, it is vital to explore the connections between consumers of media content and information parts that come from multimedia platforms. *Trends, Experiences, and Perspectives in Immersive Multimedia and Augmented Reality* is a critical scholarly resource that offers solutions to the problems that appear in both theoretical and practical dimensions of immersive multimedia experiences on an interdisciplinary platform. Featuring coverage on a broad range of topics such as cyber behavior, human-computer interaction, and transmedia, this book is geared towards digital artists, media professionals, developers, academicians, researchers, and upper-level graduate students seeking current research on the exploration of immersive multimedia through the perspectives of technology, communications, and art.

The Creative Arts in Counseling Samuel T. Gladding, 2014-12-08 In this detailed examination of the expressive therapies Dr Gladding demonstrates how music, dance, imagery, visual arts, literature, drama and humor can be used effectively in counseling. Combining history, theory and application, he provides a rationale for using each art form with how-to strategies for working with clients of all ages and diverse cultural backgrounds to promote positive change and growth. This fourth edition includes Creative Reflection sections that give readers an opportunity to ponder their own creativity and for greater ease of use, a new chapter that briefly describes each of the 117 exercises found in the book. Requests for digital versions from the ACA can be found on wiley.com. To request print copies, please visit the ACA website [here](http://www.aca.org). Reproduction requests for material from books published by ACA should be directed to permissions@counseling.org. **The Counselor and the Group, Fourth Edition** James P. Trotter, 2013-08-21 This new, more streamlined version of the 1999 third edition brings the existing materials and references up to date and omits information now readily available online and elsewhere. The book is aimed at training group workers at the Masters level and may be used as a hands-on text for group practitioners who are in the early stages of their group practice and/or who want a resource that provides a structured problem-solving approach to group work. The book also features a specialty section on the topic of organizing and conducting crisis intervention groups using the model developed by Trotter.

The A to Z of Arts Management Ann Tonks, 2020-02-25 The A to Z of Arts Management Second Edition covers 97 topics about the management of arts and cultural organizations. Each section offers a theoretical and conceptual introduction to the topic as well as storytelling and reflections about the meaning and application of such theories in the real world. Drawing on the author's past as a manager running media and performing arts companies and her present as a consultant helping boards and managers, this book covers a wide range of topics from leadership, motivation and cultural policy to passion, coffee and laughter. This second edition includes even more coverage and stories about the challenges of arts management and new topics such as harassment, philanthropy and venues. Written for arts managers, students and board members anywhere in the world, The A to Z of Arts Management provides information about research and academic best practice in arts management alongside stories about the reality of working in the arts and cultural industries.
