Frank N. Magill

Reality Faith The Theological Legacy Of Dietrich Bonhoeffer:

Reality and Faith Heinrich Ott,1971-01 *Reality and faith* Heinrich Ott,1972 *Reality and Faith* John D. Godsey,

Fresh Insights Through Dialogue David Ray Bourquin, **Act and Being** Dietrich Bonhoeffer,2009-01-07 The fresh critical translation of the volume is now available in paper Act and Being written in 1929 1930 as Bonhoeffer s second dissertation deals with the questions of consciousness and conscience in theology from the perspective of the Reformation insight about the origin of human sinfulness in the heart turned in upon itself and thus open neither to the revelation of God nor to the encounter with the neighbor **Dietrich Bonhoeffer and a Theology of the Exception** Kevin

O'Farrell,2023-11-30 Engaging with the many debates about the meaning and character of Bonhoeffer s late resistance theology and action particularly as it relates to his participation in the attempted coup d tat against Hitler this book attends to Bonhoeffer s understanding of the exception Resisting the common reduction of the exception to a political or ethical concept O Farrell argues that the exception for Bonhoeffer is an extraordinary moment in history that disarms persons impinging on one s understanding of politics and ethics Through a wide engagement with the Bonhoeffer corpus this book claims that this leads to distinctive narrations of key concepts in Bonhoeffer s corpus responsibility the free venture simple obedience and action beyond the law It also offers a different portrait of Bonhoeffer to contemporary narrations The Bonhoeffer that emerges is neither a Niebuhrian realist a pacifist or a religious fanatic but one who is impelled to act apart from the law without this action becoming arbitrary This Bonhoeffer provides a hopeful political witness that seeks a world beyond the conflicts and divisions of this age **Faith Facing Reality** John W. de Gruchy,2022-10-21 The COVID 19

pandemic and the war in Ukraine have starkly reminded us of the realities that threaten our future on planet Earth Christian faith is not a way of escaping these realities but of engaging them in the struggle for justice and peace motivated by love enabled by faith and sustained by hope This is based on the conviction that in Jesus Christ the reality of God has become redemptively embodied within the reality of the world Written within the context of South Africa but with global vision and in conversation with the legacy of Dietrich Bonhoeffer this book is an attempt to stir up discussion and inform action in connecting worldly and transcendent reality Inevitably this will be controversial not least because that is something that Bonhoeffer risked This is certainly true when it comes to the five realities that provide much of the book s substance the persistence of racism the will to power scientism and soulless technology the conflict in Israel Palestine and the threat of wars and pandemics Is it possible to believe in the God of Jesus Christ in such a world If so what does that mean and how does it help us live creatively redemptively and faithfully To answer these questions the author examines the meaning of faith the human desire for transcendence and the need for conversion wisdom solidarity and responsible freedom *Dietrich Bonhoeffer's Christian Humanism* Jens Zimmermann,2019-06-13 Jens Zimmermann locates Bonhoeffer within the Christian humanist tradition extending back to patristic theology He begins by explaining Bonhoeffer s own use of the term humanism

and Christian humanism and considering how his criticism of liberal Protestant theology prevents him from articulating his own theology rhetorically as a Christian humanism He then provides an in depth portrayal of Bonhoeffer s theological anthropology and establishes that Bonhoeffer s Christology and attendant anthropology closely resemble patristic teaching The volume also considers Bonhoeffer s mature anthropology focusing in particular on the Christian self It introduces the hermeneutic quality of Bonhoeffer s theology as a further important feature of his Christian humanism In contrast to secular and religious fundamentalisms Bonhoeffer offers a hermeneutic understanding of truth as participation in the Christ event that makes interpretation central to human knowing Having established the hermeneutical structure of his theology and his personalist configuration of reality Zimmermann outlines Bonhoeffer s ethics as Christformation Building on the hermeneutic theology and participatory ethics of the previous chapters he then shows how a major part of Bonhoeffer s life and theology namely his dedication to the Bible as God s word is also consistent with his Christian humanism *Dietrich Bonhoeffer's Ethics of Formation* Ryan Huber,2020-05-19 Dietrich Bonhoeffer is many things to many people committed pacifist reluctant revolutionary Protestant saint but in Dietrich Bonhoeffer s Ethics of Formation Ryan Huber argues that Bonhoeffer should be engaged as a Christian ethicist of formation Huber demonstrates that formation lies at the heart of Bonhoeffer s ethical project and personal story providing a third way between virtue and character ethics in contemporary Christian thought concerned with moral growth **Karl Barth in the Theology of Dietrich Bonhoeffer** Andreas Pangritz,2018-09-28 This important work explores the complex relationship between two of the twentieth century s most formidable Christian thinkers Karl Barth and Dietrich Bonhoeffer Seizing on a much discussed criticism that Bonhoeffer made of Barth s theology in his prison letters that Barth was guilty of a positivism of revelation Andreas Pangritz challenges scholars who have used this statement despite being left undeveloped by Bonhoeffer as a wedge to separate the two theologians Through a careful study of Barth s and Bonhoeffer s works of their correspondence and of Barth s comments and revisions after Bonhoeffer s death Pangritz clarifies the close yet sometimes strained relationship between Barth and Bonhoeffer and cautiously makes the case that Bonhoeffer s criticism has been overemphasized and did not mark a significant breach between the two great theologians Much more than a study of a disputed discourse in historical theology this engaging volume also raises concerns of continuing relevance regarding the role of theology in our secular society *Bonhoeffer and Christology* Matthias Grebe,Nadine Hamilton,Christian Schlenker,2023-05-18 The key question this volume addresses is how does Bonhoeffer s thought help to re dis cover the doctrine of Christ s two natures and one person and understand and renew it in its significance for a modern post metaphysical and secular world The volume takes a fresh look at Dietrich Bonhoeffer s Christology and brings it into a fruitful dialogue with current Christological debates In a multi perspectival pluralistic world Bonhoeffer s thinking offers a productive basis for conceptually incorporating the openness required for this task into academic theology Bonhoeffer s theology offers a starting point for the recovery of a productive Christology that reflects the

plurality of the globalized world as Bonhoeffer's Christology begins precisely with this integration into worldly reality whereby the world is understood in its plurality and polyphony In this way he characterizes his enterprise as follows What keeps gnawing at me is the question what is Christianity or who is Christ actually for us today DBWE 8 362 Accordingly it opens itself up not only to inner Christian discussion but also to non Christian worldviews from which a basic ethical demand follows

The Turnings of Darkness and Light Kenneth Surin, 1989-02-02 This collection of essays written between 1975 and 1987 covers the doctrine of analogy the Trinity theological realism the problems of evil and suffering the doctrine of God tragedy and Christian life the doctrine of the atonement christology the theology of religions ecclesiology discipleship and the so called theistic proofs

Bonhoeffer Clifford J. Green, 1999 The classic study of Dietrich Bonhoeffer's social thought now expanded with never before published Bonhoeffer letters Widely acclaimed as the best study of Dietrich Bonhoeffer's early social theology Clifford Green's Bonhoeffer is here fully updated and expanded with new material not available anywhere else Features of this new edition A selection of important newly discovered letters between Bonhoeffer and Paul Lehmann and between Lehmann and members of Bonhoeffer's family An extensive chapter covering Bonhoeffer's Ethics All citations updated to the new German and English editions of the Dietrich Bonhoeffer Works

Movements of Grace Jeff McSwain, 2010-09-15 To Barth Bonhoeffer and the Torrances grace is not an abstract truth it is reality itself By God's revelation in Jesus Christ we are given the blessed assurance to know that all human beings are included in the humanity of the Savior And in Christ we discover the movements of grace a double movement at once God humanward and human Godward all by the Holy Spirit These theologians were keen to remind us that Christ's ongoing mediatorship includes all appropriate human responses to God In fact only by grace and in union with Christ do we have true response ability It is this going with the flow of the Holy Spirit *en Christo* that makes Christo realism so dynamic and life giving

Theology Against Religion Tom Greggs, 2011-12-29 A constructive approach from a theological perspective about the category of religion in Dietrich Bonhoeffer and Karl Barth

Bonhoeffer and Climate Change Dianne Rayson, 2021-05-25 Where is the voice of theology in the public discourse around anthropogenic climate change How do we understand the human relationship to Earth and the ecology of which we are a part How can we account for the human attempt to dominate nature and the devastation we have caused to our own home Dianne Rayson addresses these questions She uses the creation theology of Dietrich Bonhoeffer to examine what it means to be human in the post Holocene age Employing a range of Bonhoeffer's texts Rayson posits that Bonhoeffer's Christological theology and this worldly ethical orientation provide the tools for an Earthly Christianity She responds to Bonhoeffer's question who actually is Jesus Christ for us today and proposes a Bonhoefferian ecoethic

Christ Existing as Community Michael Mawson, 2018-07-11 In Christ Existing as Community Michael Mawson recovers and clarifies the German theologian Dietrich Bonhoeffer's early and important work on ecclesiology focusing especially on his doctoral dissertation *Sanctorum Communio* Despite occasional pronouncements of the importance of this

dissertation it has still received only limited scholarly attention Mawson demonstrates how Bonhoeffer draws upon and reworks social theory in order to develop an account of the church as a reality of God's revelation and a concrete human community On this basis Mawson concludes that Bonhoeffer's ecclesiology has ongoing significance for contemporary debates in theology and Christian ethics *The 20th Century A-GI* Frank N. Magill, 2013-05-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography **The Church for the World** Jennifer McBride, 2014-03-05 Drawing on the work of German pastor theologian Dietrich Bonhoeffer Jennifer McBride constructs a new theology of public witness for American Protestant church communities based on the public expression of repentance and redemption **Transfigured not Conformed** Hans G. Ulrich, 2021-12-16 The moral theology of Hans G Ulrich is presented here in English for the first time These collected essays represent the culmination of a lifetime of reflection on Christian living from this German theologian in conversation with Luther Bonhoeffer and contemporary philosophers and theologians Ulrich's ethics affirm the lively presence of the living work of God in orienting the daily life of Christians This presence enables members of the Church to live as creatures trusting in God's promises bearing witness in political and economic spheres and trusting in life as a gift in response to bioethical issues Ulrich's fresh take on living out of the promise of God yields further guidance on issues in international relations economics parenting disability and more
