Career John A. Goldsmith, John Komlos, Penny Schine Gold, 2010-04-15 Is a career as a professor the right choice for you If you are a graduate student how can you clear the hurdles successfully and position yourself for academic employment What is the best way to prepare for a job interview and how can you maximize your chances of landing a job that suits you What happens if you don't receive an offer How does the tenure process work and how do faculty members cope with the multiple and conflicting day to day demands With a perpetually tight job market in the traditional academic fields the road to an academic career for many aspiring scholars will often be a rocky and frustrating one Where can they turn for good frank answers to their questions Here three distinguished scholars with more than 75 years of combined experience talk openly about what's good and what's not so good about academia as a place to work and a way of life Written as an informal conversation among colleagues the book is packed with inside information about finding a mentor avoiding pitfalls when

writing a dissertation negotiating the job listings and much more The three authors distinctive opinions and strategies offer the reader multiple perspectives on typical problems With rare candor and insight they talk about such tough issues as departmental politics dual career marriages and sexual harassment Rounding out the discussion are short essays that offer the inside track on financing graduate education publishing the first book and leaving academia for the corporate world This helpful guide is for anyone who has ever wondered what the fascinating and challenging world of academia might hold in store

Part I Becoming a Scholar Deciding on an Academic Career Entering Graduate School The Mentor Writing a Dissertation Landing an Academic Job Part II The Academic Profession The Life of the Assistant Professor Teaching and Research Tenure Competition in the University System and Outside Offers The Personal Side of Academic Life *Graduate Admissions Essays, Fourth Edition* Donald Asher, 2012-07-24 The fully updated fourth edition of the go to guide for crafting winning essays for any type of graduate program or scholarship including PhD master s MBA MD JD postdocs DDS DVM Rhodes Marshall Fulbright you name it Based on thousands of interviews with successful grad students and graduate admissions officers Graduate Admissions Essays deconstructs and demystifies the ever challenging and seemingly more impersonal application process for getting into graduate and scholarship programs The book presents 50 sample essays in a comprehensive range of subjects detailed strategies that have proven successful for some of the most notoriously competitive graduate programs in the country as well as sample letters of recommendation essays for residencies and fellowships and postgrad applications

Legal Information Kent Olson, 1998-11-19 Now at last there is a comprehensive and readable guide designed to help librarians scholars and the general public quickly find the legal information they need While most legal research books focus on the needs of beginning law students or litigants Legal Information takes a broader view of the law including its value in other disciplines It explains why legal information exists in certain formats and describes how to get the most out of the major legal reference tools It also suggests the best sources for different kinds of information and explains how these resources compare to other available materials
