Reason For Being A Meditation On Ecclesiastes:

Reason for Being Jacques Ellul, 2022-09-30 In *Reason for Being* the creative theologian and sociologist Jacques Ellul whom John Goldingay described as unexcelled as a theological exegete of the Old Testament among twentieth century thinkers invites readers directly to the heart of his engagement with the biblical text Intended as his concluding last word Ellul here distills a half century of careful meditations on Ecclesiastes into a moving treatise on wisdom vanity and the presence of God Ellul follows the narrator Qohelet on an ironic path to the limits of human wisdom a path which ends with wisdom s recognition of its own vanity This would lead to despair over the meaninglessness of our accomplishments and our very lives if not for the surprising presence of God who shows up when we least expect it In the poetic prose of translator Joyce Main Hanks Ellul s *Reason for Being* resounds as an arresting interrogation an invitation to honest self examination and a challenge to free dialogue with God here and now *The Reason for Being* Jacques Ellul, 1990 **Understanding**

Jacques Ellul Jeffrey P Greenman, Read M Schuchardt, Noah J Toly, 2013-07-25 Jacques Ellul 1912 1994 was one of the world s last great polymaths and one of the most important Christian thinkers of his time engaging the world with a simplicity sincerity courage and passion that few have matched However Ellul is an often misunderstood thinker As more than fifty books and over one thousand articles bear his name embarking on a study of Ellul s thought can be daunting This book provides an introduction to Ellul s life and work analysing and assessing his thought across the most important themes of his scholarship Readers will see that his remarkably broad field of vision clarity of focus and boldly prophetic voice make his work worth reading and considering rereading and discussing *The Face of Old Testament Studies* David W. Baker, Bill T. Arnold, 2004-10 Leading scholars provide an overview of current issues in Old Testament studies **Jacques Ellul and the Bible** Jacob Marques Rollison, 2022-05-26 The hermeneutic contribution of the French theologian and sociologist Jacques Ellul is given new prominence in this striking collection of essays revealing him to be one of the twentieth century s most creative and insightful interpreters of the Bible With a breadth of contributors ranging from established biblical scholars and theologians to pastoral practitioners from top Ellul scholars to emerging voices and including six first time English translations of Ellul s own articles this volume not only provides a detailed overview of Ellul s biblical approach but also constitutes a crucial moment in Ellul s theological reception The essays gathered here represent a clear demonstration that the full potential of Ellul s theological interpretation of Scripture to rejuvenate and reconfigure contemporary biblical hermeneutics has yet to be seen *A Complete Literary Guide to the Bible* Leland Ryken, Tremper Longman (III.), 1993 The Complete Literary Guide to the Bible edited by Leland Ryken and Tremper Longman III integrates literary and biblical studies The book has four parts The Bible as Literature The Literature of the Old Testament the Literature of the New Testament the Literary Influence of the Bible *The Words of the Wise Are like Goads* Mark J. Boda, Tremper Longman III, Cristian Rata, 2013-03-19 Meaningless meaningless everything is meaningless The word meaningless hebel appears more

than 40 times in the book of Ecclesiastes and raises the question why a book that appears to deny meaning or purpose is included in the Bible. Many questions of interpretation as well as relevance surround the book of Ecclesiastes including indeed the proper translation and understanding of the word *hebel*. If after all the book does examine the question of the meaning of life, what could be more important? The present volume explores Ecclesiastes Qohelet on many different levels: linguistic, text, critical, theological, historical, and literary. The contributors, chosen from many of the leading and emerging experts on the book, present both the state of the field and their own assessment of the varied interpretive issues of Ecclesiastes. They include scholars, preachers, and philosophers. It should be helpful not only to scholars but also to all who want to study this book seriously. The first section of this volume deals with the history of interpretation. The second section is concerned with issues of history, form, and rhetoric. Section three is about key concepts and passages. The fourth section focuses on the language and grammar of Qohelet. The last section engages practical issues of interpretation. The volume is designed to provide exposure to a variety of readers who seek to engage Qohelet in fresh ways in the twenty-first century, from historians of interpretation to biblical exegetes to linguists to theological students.

Such a Mind as This Richard L. Smith, 2021-12-17. Our intellectual context is very complicated. There are competing pedagogues, divergent epistemological agendas, and flawed participants. The mind is a warzone. The Old Testament depicts a battlefield between the sinful mind and God's revelation. Today many Christians minimize the intellect and do not recognize how sin impacts thinking. Many do not know how to love God with the mind. Many suffer from anti-intellectual inertia. They think like consumers shopping for knowledge, learning formats, and instructors that conform to their buying preferences. They prefer junk food for their minds. They often fulfill the role assigned to them by the world: intellectual simplicity, private religiosity, and subjective spirituality. By comprehensively examining Old Testament teaching concerning the mind, this book promotes a spirituality that puts thinking in its proper place. It explains what God requires intellectually of his vice regents. It shows that our world is a labyrinth but that God's revelation is our reliable guide. This book motivates readers to strive for mental piety, wisdom, and intellectual development for the glory of God and the fulfillment of our mandate on earth. Readers will learn from their ancient brethren how to better steward their minds.

Thus Spoke the Preacher Rudolph V. Vanterpool, 2017-11-06

Thus Spoke the Preacher By Rudolph V Vanterpool Vanity of vanities says the Preacher vanity of vanities all is vanity This startling beginning to the Book of Ecclesiastes has troubled and confused scholars for thousands of years How could the Bible espouse such a nihilistic view of the life God has created for us Rudolph V Vanterpool examines this question forcefully and passionately in Thus Spoke the Preacher Solomon s Cosmic Gaze from Under the Sun Written by the wisdom gifted King Solomon Ecclesiastes is an important part of the Bible s Wisdom literature Solomon begins by probing the conclusions that people come to based upon their personal observations and knowledge We are all filled with longings for peace and justice that this earthly world with its fleshly comforts cannot satisfy If mortality is vanity then how do we find meaning By remembering that we are mortal beings from the standpoint of our temporal lives our bodily existence is only a season while our indwelling soul never dies When we turn our gaze from the world around us to the Heavenly realm we will find the answer to our needs Thus Spoke the Preacher is no dry academic tome Instead it is a lively personal and searching study for God s presence in our world We have not been abandoned in a maze of despair Solomon is not a prophet of doom he is a prophet of hope showing us the way out of existential cruelty Solomon s own writings on power wealth and the nature of death presage Jesus own teachings of our rightful place in the world How to find meaning in a seemingly arbitrary world has plagued humanity for millennia Vanterpool reminds us if we truly listen and really look we will find our answer Some scholars see philosophy and scripture as rivals or opposing ways of pursuing truth Not Rudolph V Vanterpool In his new book he combines philosophical insight with biblical exegesis giving an expansive view of the wisdom articulated in the book of Ecclesiastes Vanterpool draws on decades of reading the philosophical tradition as well as a range of biblical scholarship popular Christian spirituality and even an evident love for comic strips Thus Spoke the Preacher will be illuminating for those on a philosophical path those on the path of faith and those for whom these two callings converge Dr Brian Gregor Assistant Professor of Philosophy California State University Dominguez Hills
