The Rebel and the Redcoat Constant, Jan, 1980 **The Rebel and the Redcoat** Karyn Monk, 1996 Josephine Armstrong thinks she's going to die when her South Carolina farm comes under attack. Rebels and Redcoats Hugh Bichenor, 2003 Controversial and revisionist history of America's first civil war. Accompanying four part BBC TV series written and presented by star military historian Richard Holmes. Most people view the American Revolutionary War of the 1775-83 also known as the War of Independence as a popular struggle for liberty against an oppressive colonial power. **REBELS REDCOATS** by historian Hugh Bichenor written to accompany a four part BBC television series presented by Richard Holmes demonstrates that it was in fact America's first civil war. Employing the latest scholarship and vivid eyewitness accounts Bichenor argues that the war was the product of a broad French imperial design and greed of many prominent colonials. As many Americans remained loyal to the Crown as rebelled against it and the reasons for adopting or changing sides were as varied as the men and women who had to make the unenviable decision. Native and African Americans overwhelmingly favoured the British cause. We hear not only the voices of Rebels and Redcoats but also of German mercenaries and aristocratic French adventurers as well as Indian warriors and Black slaves fighting for their independence which together shed new light on events that forged a nation. The main loser was the French monarchy which ruined itself to gain no lasting influence over the United States while unable to exploit the distraction the war created either to invade Britain or gain control of the West Indies which at the time were considered a far bigger prize than all of North America.

Redcoats and Rebels Christopher Hibbert, 2002 A full scale popular history of the American War of Independence.

A Rebel Among Redcoats Jessica Gunderson, 2015 Young Maggie Tinsdale fights for the patriot cause in this novel set in the Revolutionary War era.

Rebels and Redcoats Hugh Bichenor, 2004 Accompanying a four part BBC TV series this is the story of a vicious struggle between brothers, friends and families which forged a new nation. The book tells the history of the passionate, violent and bloody events of America in the 1770s taking a controversial and revisionist view.

When Anne becomes a Jacobite spy, she finally meets Rob. They are strongly attracted to each other but are on opposing sides of the bloody conflict. Anne has dangerous links to supporters of Bonnie Prince Charlie. Rob is tasked with his capture. Each one holds a secret that if discovered would mean death.
