Rebel Fortunes:

Fortune's Warriors James R. Davis, 2009-12-01 From the jungles of west Africa to the killing fields of the former Yugoslavia wherever the next global hotspot flares into action the private military waits ready to step into the fray Once they were known as soldiers of fortune Now they call themselves military advisors The honourable history of soldiers for hire clashes with the modern distaste for mercenaries In this compelling and controversial new book James Davis reveals the shadowy inside world of the multi billion dollar international security industry

Fortune's Secret Marriage Jo McNally, 2024-07-23 Married To her number one enemy After the shocking discovery of her family's true identity a sheep show in Las Vegas ought to be mundane for Dahlia Fortune That is until the Texas rancher takes a spontaneous walk down the aisle with her new next door neighbor and childhood rival Rawlston Ames A quick annulment's clearly the way to keep this whirlwind marriage from becoming front page news back home But why can't Rawlston cut ties with a woman who's always been alternately infuriating and infatuating From Harlequin Fortunes of Texas Book 1 Fortune's Secret Marriage by Jo McNally Book 2 Nine Months to a Fortune by Elizabeth Bevarly Book 3 Fortune's Faux Engagement by Carrie Nichols Book 4 A Fortune Thanksgiving by Michelle Lindo Rice Book 5 Fortune's Holiday Surprise by Jennifer Wilck Book 6 Fortune's Mystery Woman by Allison Leigh

Fortune's Fool Terry Alford, 2015-03-17 With a single shot from a pistol small enough to conceal in his hand John Wilkes Booth catapulted into history on the night of April 14 1865 The assassination of President Abraham Lincoln stunned a nation that was just emerging from the chaos and calamity of the Civil War and the president's untimely death altered the trajectory of postwar history But to those who knew Booth the event was even more shocking for no one could have imagined that this fantastically gifted actor and well liked man could commit such an atrocity In Fortune's Fool Terry Alford provides the first comprehensive look at the life of an enigmatic figure whose life has been overshadowed by his final infamous act Tracing Booth's story from his uncertain childhood in Maryland characterized by a difficult relationship with his famous actor father to his successful acting career on stages across the country Alford offers a nuanced picture of Booth as a public figure performer and deeply troubled man Despite the fame and success that attended Booth's career he was billed at one point as the youngest star in the world he found himself consumed by the Confederate cause and the desire to help the South win its independence Alford reveals the tormented path that led Booth to conclude as the Confederacy collapsed in April 1865 that the only way to revive the South and punish the North for the war would be to murder Lincoln whatever the cost to himself or others The textured and compelling narrative gives new depth to the familiar events at Ford's Theatre and the aftermath that followed culminating in Booth's capture and death at the hands of Union soldiers 150 years ago Based on original research into government archives historical libraries and family records Fortune's Fool offers the definitive portrait of John Wilkes Booth

Security, and Transformational Global Events Thomas A. Johnson, 2012-06-04 As the United States struggled to survive the recent recession China quietly acquired a vast amount of U S Treasury bills and bonds With China now holding so much of America s debt currency valuation issues have already caused tensions between the two superpowers Couple this with Iran s efforts to develop into a nuclear power in an area that lacks political stability and the United States and China could soon find themselves in a global power tug of war Power National Security and Transformational Global Events Challenges Confronting America China and Iran explores the shifts in power that have initiated major transformational events around the world Expert contributors identify the major challenges that now confront America as a result of these transformations Filled with authoritative insights into how current and emerging situations will impact the United States the book illustrates the policy problems and limited choices facing America It also Describes the information technology and social media tools that were instrumental in the Arab revolution Provides the insights of experts from the Intelligence Community on emerging issues that will soon impact America Illustrates the policy problems involved in addressing the challenges with Iran Explores the rapid growth of China s economic wealth and military power This much needed reference describes and analyzes the emergence of cyber power and its capabilities for cyber attack cyber warfare and cyber defense It examines the information revolution and social media instruments such as Facebook Twitter and YouTube in terms of their role and impact on the Arab revolution It also discusses the fallacy of the decline of the United States as a superpower in terms of its formation and distribution of power resources and its continued formidable military and national security strengths *Red Guard Factionalism And The Cultural Revolution In Guangzhou (canton)* Stanley Rosen, 2019-06-04 When the Chinese Great Proletarian Cultural Revolution GPCR of the middle and late 1960s burst forth the initial response both in China and the West seemed primarily to be one of mystification The spectacle of severe splits among leaders long thought to be compatible of armed struggles between factional units whose uniform pledges to Chairman Mao and the Party Center appeared to make their similarities greater than their differences and of destructive Red Guards who were bent on tearing down the old world to build a new one was at first difficult to explain *Surveillance and Spies in the Civil War* Stephen E. Towne, 2014-12-15 Surveillance and Spies in the Civil War represents pathbreaking research on the rise of U S Army intelligence operations in the Midwest during the American Civil War and counters long standing assumptions about Northern politics and society At the beginning of the rebellion state governors in Ohio Indiana and Illinois cooperated with federal law enforcement officials in various attempts all failed to investigate reports of secret groups and individuals who opposed the Union war effort Starting in 1862 army commanders took it upon themselves to initiate investigations of antiwar sentiment in those states By 1863 several of them had established intelligence operations staffed by hired civilian detectives and by soldiers detailed from their units to chase down deserters and draft dodgers to maintain surveillance on suspected persons and groups and to investigate organized resistance to the draft By 1864 these spies had infiltrated secret organizations that sometimes in

collaboration with Confederate rebels aimed to subvert the war effort Stephen E Towne is the first to thoroughly explore the role and impact of Union spies against Confederate plots in the North This new analysis invites historians to delve more deeply into the fabric of the Northern wartime experience and reinterpret the period based on broader archival evidence
