Rebel 1st Edition:

The Works of William Shakespeare: Preface to the first edition. Preface to the second edition. Pericles. Venus and Adonis. Rape of Lucrece. Sonnets. Lover's complaint. Passionate pilgrim. Phoenix and turtle. Reprints: Merry wives of Windsor. Chronicle historie of Henry the Fift. First part of the contention. True tragedie. Romeo and Juliet. Hamlet. Additions and corrections William Shakespeare,1893 The Publisher ,1913 *Rebel Financing and Terrorism in Civil Wars* Margherita Belgioioso,2023-08-17 This book investigates the ways in which the lethality of terrorist violence depends on how rebel organizations finance their rebellion The leaders of rebel groups make calculated decisions on the intensity of terrorism killings considering the benefits and costs of targeting non combatants against the financing needs of their organization The study specifically focuses on analyzing the effects of different external financing options available to rebel groups and takes into account the role of local populations in making financing available This comparative approach to external financing reveals new hypotheses that are empirically verified and differ from the expectations and findings of prior research The book s findings are relevant to policy discussions on counter insurgency strategies that prioritize protecting populations from human rights abuses Existing doctrines tend to overlook the potential impact of targeted efforts to isolate insurgents from specific financing sources on the capacity to secure local populations This book will be of interest to students of civil wars terrorism studies political violence and security studies **The Bookseller** ,1914 **British Books** ,1908 **A Rebel's Recollections** George Cary Eggleston,2025-07-12 Reprint of the original first published in 1875 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **The Publishers' Circular and Booksellers' Record** ,1929 Bookseller and the Stationery Trades' Journal ,1889 *Arlene, the Rebel Queen* Carol Liu,2013 It s tough to save a friendship while you re busy saving the planet *The Clydesdale Stud-book. ...* Clydesdale Horse Society of Great Britain and Ireland,1908 *Publishers' Circular and Booksellers' Record of British and Foreign Literature* ,1893

Getting it Wrong in Spain Susana Belenguer,2017-10-02 This book brings together different and interdisciplinary perspectives on the Spanish Civil War its victims its contentious ending and its aftermath In exploring the slow demise of republican ideals contributors range over many diverse historical and cultural topics discussing for instance the attitudes of both Left and Right to the poet Federico Garc a Lorca and to his assassination examining the documentary evidence offered in surviving memoirs of the Civil War and assessing the major characteristics of the new order in Spain under Franco Cinematic and literary depictions of the Civil War and its consequences are also studied Other topics investigated include contemporary French reactions to the Spanish conflict Stalinist policies towards Spain the activities and motives of the anarcho syndicalists and the role of the International Brigades This collection of essays published on the 75th anniversary of the end of the Civil War not only places the events and experiences studied within the context of the new state of Franco s

Spain but also offers timely fresh insights into wider European and international issues during what was a period of seismic change in world history This book was originally published as a special issue of Bulletin of Spanish Studies Julie Battilana, Tiziana Casciaro, 2021-08-31 Discover how to gain and keep power in any situation with this remarkably insightful read on what power is how it is gained and how it can be used for good Adam Grant bestselling author of Think Again Power is one of the most misunderstood and therefore vilified concepts in our society Many assume power is predetermined by personality or wealth or that it is gained by strong arming others You might even write it off as dirty and want nothing to do with it But by staying away from power you give it up to someone else who may not have your best interest in mind We must understand and use our power to have impact and pioneering researchers Julie Battilana and Tiziana Casciaro provide the playbook for doing so in Power for All Battilana and Casciaro offer a necessary Tarana Burke creator of the MeToo movement and bestselling author of Unbound and invaluable David Gergen CNN political analyst vision of power the ability to influence someone else's behavior This influence is derived from having access to valued resources and once you understand what those are you can take action to improve life for yourself and others With proven strategies of agitating innovating and orchestrating change Power for All shows how those with less power can challenge established structures to make them more balanced The authors teach you how to power map your workplace to find who can create real change at work plan for and cause sustaining shifts and understand the two basic needs all human beings share safety and self esteem and the resources people seek to satisfy those needs money and status but also autonomy achievement affiliation and mortality They explore how these dynamics play out through vivid storytelling as Donatella Versace successfully leads her brother's company after his death despite having a title but little influence what social movements can learn from youth climate activists and how they can go farther and how a manager can gain the trust of skeptical employees and improve the workplace Power for All demystifies the essential mechanisms for acquiring and using power for all people **World**

Politics and the Challenges for International Security Chitadze, Nika, 2022-03-18 World politics as a scientific discipline was established during the second half of the 20th century and has gained rapid distribution in many countries This field of study focuses attention on current political processes as well as the potential of further development It is essential to analyze world politics to move progress forward while also strengthening international security and the creation of a safer civilization World politics cannot be understood without the combined knowledge of history economics law social sciences and psychology World Politics and the Challenges for International Security describes the global processes in the field of world politics and international security and discusses global problems global security and the threats and challenges that currently affect global society Covering topics such as digital diplomacy political corruption and terrorist psychology this book is essential for political scientists researchers policymakers global leaders national security officers diplomats professors and students of higher education and academicians *Military History of the United States, by Emory Upton.*

[1st Ed.]. United States. War Department, 1904 **Understanding Battlefield Coalitions** Rosella Cappella Zielinski, Ryan Grauer, 2023-09-11 This book improves our understanding of battlefield coalitions providing novel theoretical and empirical insight into their nature and capabilities as well as the military and political consequences of their combat operations The volume provides the first dataset of battlefield coalitions uses primary sources to understand how non state actors of varying types form such groupings reports interviews with policymakers illuminating North Atlantic Treaty Organization operations and uses cases studies of various wars waged throughout the nineteenth twentieth and twenty first centuries to understand how other such collectives have operated Part I introduces battlefield coalitions as an object of study demonstrating how they are distinct from other wartime collectives Using a novel dataset of actors fighting in 492 battles during interstate wars waged between 1900 and 2003 it provides for the first time a comprehensive portrait of the universe of battlefield coalitions Part II explores processes and dynamics involved in the formation of battlefield coalitions addressing how potential coalition members prepare for future battles in peacetime as well as the consequences of such preparations and the dynamics of mission design Part III focuses on how battlefield coalitions are organised and fight when combat ensues notably their decision making rules and practices command structures and learning capacities Part IV addresses three curious tendencies observed in the operations of battlefield coalitions partners under providing effort in combat rebels and terrorist networks persisting in cooperation even when their interests diverge and members defecting from the collective Part V concludes with a chapter outlining for future researchers what we know about battlefield coalitions and what remains to be understood This book will be of much interest to students of military and strategic studies defence studies and International Relations

Rules for Rebels Max Abrahms, 2018-09-12 Ever wonder why militant groups behave as they do For instance why did Al Qaeda attack the World Trade Center whereas the African National Congress tried to avoid civilian bloodshed Why does Islamic State brag over social media about its gory attacks while Hezbollah denies responsibility or even apologizes for its carnage This book shows that militant group behaviour depends on the tactical intelligence of the leaders The author has extensively studied the political plights of hundreds of militant groups throughout world history and reveals that successful militant leaders have followed three rules These rules are based on original insights from the fields of political science psychology criminology economics management marketing communication and sociology It turns out there s a science to victory in militant history But even rebels must follow rules **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1972 *Grassroots Governance?* Donald Iain Ray, Purshottama Sivanarian Reddy, 2003 Traditional leadership is a factor that has been long overlooked in evaluations of rural local government in much of contemporary Sub Saharan Africa this volume addresses it head on Case studies drawn from Ghana South Africa Botswana Lesotho and Commonwealth countries in West East and Southern Africa as well as Jamaica are included An interdisciplinary and intercontinental collection that addresses this gap in dialogue about African politics The book brings new perspectives on

the integration or reconciliation of traditional leadership with democratic systems of local government
