REBELLION IN  
WICKLOW

1798

RUÁN O'DONNELL

# Rebellion In Wicklow

**William John Fitz-Patrick**

## **Rebellion In Wicklow:**

**Rebellion in Wicklow** Joseph Holt,1998 Published for the first time this is the account in his own words of one of the most active of all the United Irish military leaders Joseph Holt was about 40 years old at the time of the 1798 rebellion A comfortably off tenant farmer he threw in his lot with the rebels more out of a sense of grievance than for idealistic reasons He came to the fore after the main Wexford battles as captain colonel and general and successfully operated as a guerrilla leader from the shelter of the Wicklow mountains He held out long after the main rebellion had ended before surrendering to the authorities in November 1798 He was deported but eventually returned to Ireland A sanitised version of his memoirs was published in 1838 This new edition is the first full and accurate transcript of the Irish part of his memoirs Publisher description **The Rebellion in Wicklow, 1798** Ruan O'Donnell,1998 Part one of a two volume biography on Robert Emmet one of the best known but least understood figures in Irish history The author draws on significant new research to establish the correct relationship between the pivotal events of 1798 and 1803 in which Emmet played a significant role

**Wales and the British overseas empire** H.V. Bowen,2017-02-01 This unique collection of essays is the first book to explore the many relationships that developed between Wales and the British overseas empire between 1650 and 1830 Written by leading specialists in the field the essays explore economic social cultural political and religious interactions between Wales and the empire The geographical coverage is very broad with examinations of the contributions made by Wales to expansion in the Atlantic world Caribbean and South Asia The book explores Welsh influences on the emergence of British imperialism as well as the impact that the empire had upon the development of Wales itself The book will be of interest to academic historians postgraduate students and undergraduates It will be indispensable to those interested in the history of Wales Britain and the empire as well as those who wish to compare Welsh imperial experiences with those of the English Irish and Scots *The Disappeared* Pádraig Óg Ó Ruairc,2024-02-01 The spectre of The Disappeared those abducted by the IRA secretly executed and their bodies buried in bogs lakes and woodlands has overshadowed the debate around the legacy of the Troubles in Northern Ireland for the last two decades This book the first of its kind uncovers the extent to which forced disappearances were part of the violent political conflicts that blighted Ireland for 200 years Succeeding where attempts by the PSNI journalists and other historians had failed Ruairc s research led to the identification and recovery of a British soldier killed by the IRA He reveals in this book the location of several other bodies that remain to be exhumed The Disappeared cuts through the exaggeration and myth that pervade the popular history of the Irish struggle for freedom The author examines the role of leading Irish politicians in these killings and challenges the commonly held belief that the Provisional IRA disappeared more victims than the Good Old IRA of the War of Independence Behind each disappearance there is a face a life story and a family left searching for answers Ruairc deftly incorporates this human element paying tribute to those who were disappeared on both sides of the conflict **"The Sham Squire" and the**

**Informers of 1798** William John Fitz-Patrick, 1866      **Aftermath** Ruan O'Donnell, 2000 Account is taken of such themes as the brutal white terror visited on the county by resident loyalists in 1799 1801 the rise of the Orange Order the building of the arterial Military Road and the administration of justice The major role of Wicklow United Irishmen in Robert Emmet's plot of July 1803 is also reconsidered along with an analysis of the circumstances which gradually contained the Dwyer group in December 1803 The appendices include a list of 1 100 identified Wicklow rebels and reprints many documents of great historical significance BOOK JACKET

**Unrespectable Radicals?** Paul A. Pickering, 2016-02-24 In 1988 Iain McCalman's seminal work *Radical Underworld* unravelled the complex and clandestine revolutionary networks of democrats that operated in London between 1790 and the beginnings of Chartism to reveal an urban underworld of prophets infidels pornographers and rogue preachers where powerful satirical and subversive subcultures were developed This present volume reflects and builds upon the diversity of McCalman's discoveries to present fresh insights into the culture and operation of popular politics in the age of reform It is a coherent and integrated treatment of the subject that offers a window into this unrespectable underworld and questions whether it was a blackguard subculture or a more complex and rich counter culture with powerful literary legal and political implications This book brings together an international team of experienced scholars to explore the concepts and subjects pioneered by McCalman The volume presents a focused and coherent review of popular politics from the meeting rooms of a reform society and the theatre stage to the forum of the courtroom and the depths of prison

**Footsteps of 'Liberty and Revolt'** Mary-Ann Constantine, Dafydd Johnston, 2013-04-15 The late eighteenth century was one of the most exciting and unsettling periods in European history with the shock waves of the French Revolution rippling around the world As this collection of essays by leading scholars shows Wales was no exception From political pamphlets to a Denbighshire folk play from bardic poetry to the remodelling of the Welsh landscape itself responses to the revolutionary ferment of ideas took many forms We see how Welsh poets and preachers negotiated complex London Wales networks of patronage and even more complex issues of national and cultural loyalty and how the landscape itself is reimagined in fiction remodelled à la Rousseau while it rapidly emptied as impoverished farming families emigrated to the New World Drawing on a wealth of vibrant material in both Welsh and English much of it unpublished this collection marks another important contribution to four nations criticism and offers new insights into the tensions and flashpoints of Romantic period Wales

**An Historical Review of the State of Ireland, from the Invasion of that Country Under Henry 2. to Its Union with Great Britain on the 1st of January, 1801. In Two Volumes. By Francis Plowden, Esq. Vol. 1. [-2]**, 1803

*Ireland in the Age of Revolution, 1760-1805, Part II* Harry T Dickinson, 2021-02-25 The latter half of the eighteenth century saw Irish opposition movements being greatly influenced by the American and French revolutions This two part six volume edition illustrates the depth and reach of this influence by publishing pamphlets dealing with the major political issues of these decades

*Ireland in the Age of Revolution, 1760-1805, Part II, Volume 4* Harry T Dickinson, 2020-04-03 The

latter half of the eighteenth century saw Irish opposition movements being greatly influenced by the American and French revolutions This two part six volume edition illustrates the depth and reach of this influence by publishing pamphlets dealing with the major political issues of these decades     **An Historical Review of the State of Ireland** Francis Plowden,1803

**Insurgent Wicklow, 1798** Luke Cullen,1998     *Bookseller's catalogues* Thomas Arthur (bookseller.),1870     **An Historical Review of the State of Ireland from the Invasion of that Country Under Henry II. to Its Union with Great Britain on the First of January 1801...** Francis Plowden,1806     **The Sham Squire** William John Fitz-Patrick,1872

*Women, Politics, and the Irish Public Sphere in the Age of Revolution* Catriona Kennedy,2025-04-28 The late eighteenth century age of revolutions has long been identified as a key moment in the gendering of modern democratic politics one which opened up new debates on the rights of women while often re affirming the masculinity of the political citizen In Ireland the revolutionary era saw the rise of the radical United Irish movement mass popular mobilisation and reached a violent d nouement in the 1798 rebellion But what did Ireland s age of revolution mean for women Was radical republicanism able to imagine women as political actors How did Irish women experience and navigate the intense ideological conflicts of the 1790s Addressing these and related questions this is the first book length study of women and Irish politics in the late eighteenth century Revising a stubborn tendency to present women s political engagements in this period as largely mediated through men it stresses instead women s concerns initiatives and networks It reconstructs the distinctively gendered political cultures of Ireland s principal communities the dynastic politics of the Protestant elite the dynamic oppositional culture of Belfast Presbyterianism the urban and agrarian radicalism of unpropertied Catholics and asks how these shaped the meanings of the 1790s for women In looking beyond the homosocial spaces of the club pub lodge and corps it reveals a complexly gendered public sphere in which women were often active participants As the subjects of United Irish addresses religious sermons state surveillance and post rebellion commemoration women emerge as a clear if overlooked constituency in Ireland s age of revolution And it suggests how our understanding of revolution might change when viewed from the perspective of women     *Memoirs of the Different Rebellions in Ireland* Richard Musgrave,1802

**Eighteenth-century Ireland** ,2006     Remembering the Year of the French Guy Beiner,2007-02-01 Remembering the Year of the French is a model of historical achievement moving deftly between the study of historical events the failed French invasion of the West of Ireland in 1798 and folkloric representations of those events
