Rimmer, 2000-08 If you've ever had an affair or are divorced married again or still faithful and monogamous you may be completely shocked or might approve Karen Bradford's proposal to her husband Hank After eighteen years of marriage and three children she wants him to sign a marriage contract with a clause that from now on he will agree to a Succedaneum Marriage He doesn't know and has never met Tony Castellani who is married to Gina and has two kids or that Tony and Karen are lovers But a Succedaneum Agreement check the word in your dictionary would allow them to enjoy a second relationship and stay married Guaranteed You've never read a non-stop detailed explicit sex and loving story like this It all takes place in Guadeloupe on Spring vacation where Karen hopes to mate her husband with Tony's wife and make her dream come true But alas taking their five children one Judy Bradford sixteen and another Marc Castellani seventeen along with them conniving a foursome vacation at free-wheeling Club Libre isn't the right environment for their more puritanical spouses On top of that Marc who despises Catcher in the Rye thinks he's smarter than that phony Holden Caulfield ever was He's still a virgin but he's determined to mate with Judy Before that happens he inadvertently discovers that his father is making out with her mother at the same time Soufriere the volcano is about to explode Bob Rimmer who has chartered bare boats and sailed in most of the Caribbean Island loves Guadeloupe best Is this story based on fact Well sort of and it proves that the path he has carved in other stories through the jungle of potential expanded monogamy like corporate marriage in Proposition 31 and synergamy in Thursday My Love is filled with rumbling volcanos      **Invented Religions**

Carole M. Cusack, 2016-05-06 Utilizing contemporary scholarship on secularization individualism and consumer capitalism this book explores religious movements founded in the West which are intentionally fictional Discordianism the Church of All Worlds the Church of the SubGenius and Jediism Their continued appeal and success principally in America but gaining wider audience through the 1980s and 1990s is chiefly as a result of underground publishing and the internet This book deals with immensely popular subject matter Jediism developed from George Lucas Star Wars films the Church of the Flying Spaghetti Monster founded by 26 year old student Bobby Henderson in 2005 as a protest against the teaching of Intelligent Design in schools Discordianism and the Church of the SubGenius which retain strong followings and participation rates among college students The Church of All Worlds focus on Gaia theology and environmental issues makes it a popular focus of attention The continued success of these groups of Invented Religions provide a unique opportunity to explore the nature of late post modern religious forms including the use of fiction as part of a bricolage for spirituality identity formation and personal orientation America as Utopia Kenneth M. Roemer, 1981 Growing Younger: How to Measure & Change Your Body's Age Robert F. Morgan, Jane Wilson, 2005-08 **The Harrad Letters** Robert H. Rimmer, 1969 **Sex, Love, and Marriage in the 21st Century** Robert T. Francoeur, Martha Cornog, Timothy Perper, 1999 Love sex and marriage are changing faster than ever before in human history The current tidal wave of social changes will continue into the next century and we will have to adapt our sexual values and relationships to these accelerating changes These 22 honest authentic stories tell of the unconventional paths pioneering church leaders and spiritually aware women and men have taken in their quest to link their sexuality with their spiritual needs Some might see in these unorthodox explorations only tales of promiscuous couplings But these are not stories of wild thrill seekers These are tales told from the core of their being about their deeply felt need for genuine responsible love and intimacy within a spiritual context Their journeys do not promise paradise or instant happiness as popular magazines do with recipes for lifelong marital bliss and fiery passion These sojourners have much to teach us even when we decide that this or that path is not for us Their individual paths are not nearly as important as the simple message of God and Eros being inseparable that underlies journey God and Eros can come together in many different relationships And they must come together if we want to nourish and fulfill the divine spark at the core of our being These women and men challenge our assumptions and our willingness to adapt to our radically changing world **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1967 Includes Part 1 Number 2 Books and Pamphlets Including Serials and Contributions to Periodicals July December The Way to Go Robert H. Rimmer, 2000-07 THIS IS A STORY ABOUT PEOPLE LIKE YOU DAYDREAMING THEY ARE SOMEONE ELSE SOMEONE WHO IS HAVING MORE FUN AND IS FINDING OR HAS FOUND THE WAY TO GO Is Solomon Razor Bob Rimmer Well Bob is a bit older an octogeneian But they both love all women and like Solomon Bob has sailed in Belize Like Solomon Bob has a wife who lets him write about and sleep with women like Anne Hutchinson Elizabeth Pepys and in this story a Vivien Leigh

look alike all of whom died before their time IS THIS A TRUE STORY Bob believes that all of us have alter egos We not only never stop living other people s lives celebrities or not but we live story book lives and as Peter Brook once said Our lives are ceaselessly intertwined with narrative The stories we tell or hear told or imagine are reworked into our own lives Many of us are wannabees Sure Bob wishes he had been Ian Fleming and made millions writing about James Bond But Solomon Razor knows that his way to go story is true and more realistic and lovingly sexier than any 007 missions than Dirty Harry s or most good bad guys including Clyde Davy Crockett King of the Wild Frontier and Rhett Butler whose names Solomon uses in his travels with various women on the Yucatan Peninsula AS FOR YOU Will women readers wish they were Vivien Sweet aka Scarlet O Hara or Myrtle Craddock aka Maggie Craddock or Phoebe Fortin aka Rarharu One thing is sure like Solomon Razor most male readers would be happy to go to bed with any or all of them Thoughts After the First Michael

Yergin,2006-09-27 One of the things I hate most is people who assume something about me and don t bother or simply don t want to ask me if they re right You cannot assume anything about anybody even though everybody does it to varying degrees all the time I am I suppose as guilty of doing this as the next guy I find myself making judgments about people before I have really taken the time to get to know them This is undoubtedly one of the greatest problems of my generation Many times we seem to be talking too fast In many cases our mouths are moving faster than our brains But I think there is a reason why this occurs We are pressured to say things before we have really had the time to think it out clearly and logically In our society everybody is striving to be an individual What happens is that you believe something and if you change your mind you feel that you are being inconsistent with your prior views Author Michael L Yergin pens a surreal look at the college scene during the late 1960s and early 1970s at Southern Illinois University Full of insight and humor Thoughts After the First offers a compelling look at this turbulent time in American history **Human Sexuality, a Psychosocial Perspective** Richard Frederick Hettlinger,1975 *The Futurist* ,1970 Who's who in Commerce and Industry ,1965 The New Sexual Revolution Lester Allen Kirkendall,Robert N.
