

## REPRESSION AT ATHY

1798

COUNTY KILDARE

ILLUSTRATION: LEONIE PRENDERGAST (1998)

# Rebellion In Kildare 17901803

**Gregory Fremont-Barnes**

## **Rebellion In Kildare 1790-1803:**

*Rebellion in Kildare, 1790-1803* Liam Chambers, 1998 The period from 1790 to 1803 one of upheaval and turbulence has witnessed a surge in historical interest in the past two decades This study examines the politicisation and rebellion in County Kildare During the 1790s a vocal liberal establishment centered on the Duke of Leinster Catholic and reformist politics militant Defenderism and a large United Irish society involving prominent liberals all of which contributed to the politicisation of the Kildare populace Against this background a faction loyal to the Dublin government attempted to stabilize and secure the county with the increasing support of the administration The 1798 rebellion engulfed Kildare lasting two months and involving thousands of rebels After initial success it evolved into a fugitive war centered on the Bog of Allen where rebels held government forces at bay for weeks During the post rebellion period radicalism persisted at a local level and thousands of Kildare men were prepared to participate in Emmet's rebellion in 1803 In examining Kildare in this period the study seeks to contribute to the wider debate on the forces of radicalism and reaction which polarized Irish society in the 1790s Publisher description

*The War of Independence in Kildare* James Durney, 2013-07-08 The Kildare IRA was heavily outnumbered by crown forces and had neither the manpower nor weaponry to seriously challenge them With about 300 activists in County Kildare and only about a third of them ready to take to the field at one time they faced nearly 6 000 troops and hundreds of police and Black and Tans However the county was an important axis for intelligence gathering and communications to the south and west and it is here Kildare made its greatest impact The open flat plains of Kildare militated against ambushes while its proximity to the capital also inhibited the Kildare Volunteers Nevertheless there was a strong revolutionary element in the county The book looks at the group of Volunteers who followed the railway track into Dublin to partake in the 1916 Rising and details attacks at Greenhills Maynooth and Barrowhouse The author also examines the Rath internment camp in the Curragh reaction in the county to the Truce and Treaty and the eventual split in the republican movement in the lead up to civil war This comprehensive account will be a valuable addition to literature on this formative period in Ireland's history

*Southern Irish Loyatism, 1912-1949* Brian Hughes, Conor Morrissey, 2020 This book brings together new research on loyalism in the 26 counties that would become the Irish Free State It covers a range of topics and experiences including the Third Home Rule crisis in 1912 the revolutionary period partition independence and Irish participation in the British armed and colonial service up to the declaration of the Republic in 1949 The essays gathered here examine who southern Irish loyalists were what loyalism meant to them how they expressed their loyalism their responses to Irish independence and their experiences afterwards The collection offers fresh insights and new perspectives on the Irish Revolution and the early years of southern independence based on original archival research It addresses issues of particular historiographical and political interest during the ongoing Decade of Centenaries including revolutionary violence sectarianism political allegiance and identity and the Irish border but rather than ceasing its coverage in 1922 or 1923 this

book like the lives with which it is concerned continues into the first decades of southern Irish independence List of contributors Frank Barry Elaine Callinan Jonathan Cherry Seamus Cullen Ian d Alton Sean Gannon Katherine Magee Alan McCarthy Pat McCarthy Daniel Purcell Joseph Quinn Brian M Walker Fionnuala Walsh Donald Wood *In the wake of the great rebellion* James Patterson,2013-07-19 On Monday 19 September 1803 the most significant trial in the history of Ireland took place in Dublin At the dock stood a twenty five year old former Trinity College student and doctor s son His name was Robert Emmet and he was standing trial for heading a rebellion on 23 July 1803 The iconic power of Robert Emmet in Irish history cannot be overstated Emmet looms large in narratives of the past yet the rebellion which he led remains to be fully contextualised Patterson s book repairs this omission and explains the complex process of politicisation and revolutionary activity extending into the 1800s He details the radicalisation of the grass roots their para militarism and engagement in secret societies Drawing on an intriguing range of sources Patterson offers a comprehensive insight into a relatively neglected period of history This work is of particular significance to undergraduate and post graduate students and lecturers of Irish history *Rebellion in Wicklow* Joseph Holt,1998 Published for the first time this is the account in his own words of one of the most active of all the United Irish military leaders Joseph Holt was about 40 years old at the time of the 1798 rebellion A comfortably off tenant farmer he threw in his lot with the rebels more out of a sense of grievance than for idealistic reasons He came to the fore after the main Wexford battles as captain colonel and general and successfully operated as a guerrilla leader from the shelter of the Wicklow mountains He held out long after the main rebellion had ended before surrendering to the authorities in November 1798 He was deported but eventually returned to Ireland A sanitised version of his memoirs was published in 1838 This new edition is the first full and accurate transcript of the Irish part of his memoirs Publisher description **Footsteps of 'Liberty and Revolt'** Mary-Ann Constantine,Dafydd Johnston,2013-04-15 The late eighteenth century was one of the most exciting and unsettling periods in European history with the shock waves of the French Revolution rippling around the world As this collection of essays by leading scholars shows Wales was no exception From political pamphlets to a Denbighshire folk play from bardic poetry to the remodelling of the Welsh landscape itself responses to the revolutionary ferment of ideas took many forms We see how Welsh poets and preachers negotiated complex London Wales networks of patronage and even more complex issues of national and cultural loyalty and how the landscape itself is reimagined in fiction remodelled la Rousseau while it rapidly emptied as impoverished farming families emigrated to the New World Drawing on a wealth of vibrant material in both Welsh and English much of it unpublished this collection marks another important contribution to four nations criticism and offers new insights into the tensions and flashpoints of Romantic period Wales [The Oxford History of the Irish Book, Volume III](#) Raymond Gillespie,Andrew Hadfield,2006-02-02 The Oxford History of the Irish Book is a major new series that charts the development of the book in Ireland from its origins within an early medieval manuscript culture to its current incarnation alongside the rise of digital

media in the twenty first century Volume III The Irish Book in English 1550 1800 contains a series of groundbreaking essays that seek to explain the fortunes of printed word from the early Renaissance to the end of the eighteenth century The essays in section one explain the development of print culture in the period from its first incarnation in the small area of the English Pale around Dublin dominated by the interests of the English authorities to the more widespread dispersal of the printing press at the close of the eighteenth century when provincial presses developed their own character and style either alongside or as a challenge to the dominant intellectual culture Section two explains the crucial developments in the structure and technical innovation of the print trade the role played by private and public collections of books and the evidence of changing reading practices throughout the period The third and longest section explores the impact of the rise of print Essays examine the effect that the printed book had on religious and political life in Ireland providing a case study of the impact of the French Revolution on pamphlets and propaganda in Ireland the transformations illustrated in the history of historical writing as well as in literature and the theatre through the publication of play texts for a wide audience Others explore the impact that print had on the history of science and the production of foreign language books The volume concludes with an authoritative bibliographical essay outlining the sources that exist for the study of the book in early modern Ireland This is an authoritative volume with essays by key scholars that will be the standard guide for many years to come

A Global History of Execution and the Criminal Corpse Richard Ward, 2015-09-27 Through studies of beheaded Irish traitors smugglers hung in chains on the English coast suicides subjected to the surgeon's knife in Dresden and the burial of executed Nazi war criminals this volume provides a fresh perspective on the history of capital punishment The chapters Introduction A Global History of Execution and the Criminal Corpse and The Gibbet in the Landscape Locating the Criminal Corpse in Mid Eighteenth Century England are open access under a CC BY 4.0 license

*Unrespectable Radicals?* Paul A. Pickering, 2016-02-24 In 1988 Iain McCalman's seminal work *Radical Underworld* unravelled the complex and clandestine revolutionary networks of democrats that operated in London between 1790 and the beginnings of Chartism to reveal an urban underworld of prophets infidels pornographers and rogue preachers where powerful satirical and subversive subcultures were developed This present volume reflects and builds upon the diversity of McCalman's discoveries to present fresh insights into the culture and operation of popular politics in the age of reform It is a coherent and integrated treatment of the subject that offers a window into this unrespectable underworld and questions whether it was a blackguard subculture or a more complex and rich counter culture with powerful literary legal and political implications This book brings together an international team of experienced scholars to explore the concepts and subjects pioneered by McCalman The volume presents a focused and coherent review of popular politics from the meeting rooms of a reform society and the theatre stage to the forum of the courtroom and the depths of prison

**Ribbon Societies in Nineteenth-century Ireland and Its Diaspora** Kyle Hughes (Lecturer in British history), Donald M. MacRaild, 2018 This is the first full length study of Irish

Ribbonism tracing the development of the movement from its origins in the Defender movement of the 1790s to the latter part of the century when the remnants of the Ribbon tradition found solace in a new movement the quasi constitutional affinities of the Ancient Order of Hibernians Placing Ribbonism firmly within Ireland's long tradition of collective action and protest this book shows that owing to its diversity and adaptability it shared similarities but also stood apart from the many rural redresser groups of the period and showed remarkable longevity not matched by its contemporaries The book describes the wider context of Catholic struggles for improved standing explores traditions and networks for association and it describes external impressions Drawing on rich archives in the form of state surveillance records show trial proceedings and press reportage the book shows that Ribbonism was a sophisticated and durable underground network drawing together various strands of the rural and urban Catholic populace in Ireland and Britain Ribbon Societies in Nineteenth Century Ireland and its Diaspora is a fascinating study that demonstrates Ribbonism operated more widely than previous studies have revealed

*Palgrave Advances in Irish History* M. McAuliffe, K. O'Donnell, L. Lane, 2009-04-27 This book provides a much needed historiographical overview of modern Irish History which is often written mainly from a socio political perspective This guide offers a comprehensive account of Irish History in its manifold aspects such as family famine labour institutional women cultural art identity and migration histories

**Ireland and Medicine in the Seventeenth and Eighteenth Centuries** James Kelly, 2016-05-06 The story of early modern medicine with its extremes of scientific brilliance and barbaric practice has long held a fascination for scholars The great discoveries of Harvey and Jenner sit incongruously with the persistence of Galenic theory superstition and blood letting Yet despite continued research into the period as a whole most work has focussed on the metropolitan centres of England Scotland and France ignoring the huge range of national and regional practice This collection aims to go some way to rectifying this situation providing an exploration of the changes and developments in medicine as practised in Ireland and by Irish physicians studying and working abroad during the seventeenth and eighteenth centuries Bringing together research undertaken into the neglected area of Irish medical and social history across a variety of disciplines including history of medicine Colonial Latin American history Irish and French history it builds upon ground breaking work recently published by several of the contributors thereby augmenting our understanding of the role of medicine within early modern Irish society and its broader scientific and intellectual networks By addressing fundamental issues that reach beyond the medical institutions the collection expands our understanding of Irish medicine and throws new light on medical practices and the broader cultural and social issues of early modern Ireland Europe and Latin America Taking a variety of approaches and sources ranging from the use of epistolary exchange to the study of medical receipt books legislative practice to belief in miracles local professionalization to international networks each essay offers a fascinating insight into a still largely neglected area Furthermore the collection argues for the importance of widening current research to consider the importance and impact of early Irish medical traditions networks and practices

and their interaction with related issues such as politics gender economic demand and religious belief

**Insurgency and Counterinsurgency in the Nineteenth Century** Mark Lawrence, 2020-12-17 Insurgency and Counterinsurgency in the Nineteenth Century examines insurgency and counterinsurgency across the globe in the nineteenth century The volume includes chapters from distinguished and rising historians from Europe North and South America and covers irregular wars in Spain Ireland France Latin America China USA Africa Central Asia and Burma The authors explore links between insurgencies and nationalism including learning curves and emulation in counterinsurgency With a special emphasis on non Western warfare this volume includes case studies such as the Katanga and White Lotus rebellions largely unknown to Western readers The military history of the nineteenth century thus reveals much more than the symmetrical warfare of Napoleon Grant and Moltke This volume shows the commonalities of responses more than their differences and refracts these through themes which crop up repeatedly in different times and places These themes include common problems and solutions the challenge of commanding local intelligence networks public opinion millenarianism magic and religion technology hearts and minds the legal framework of state violence racial stereotypes and patterns of forgetting and remembering guerrilla conflicts The first recent study to examine Western and non Western warfare in equal measure stressing the prevalence of commonalities between guerrilla warfare and counterinsurgency across the globe Insurgency and Counterinsurgency in the Nineteenth Century will be of great interest to scholars of military and strategic studies as well as modern military history It was originally published as a special issue of Small Wars Insurgencies

**British and Irish Religious Orders in Europe, 1560-1800** Cormac Begadon, James E. Kelly, 2022 Demonstrates how far from being peripheral the stable communities of conventual religious in mainland Europe acted as important centres of religious and secular activity in the aftermath of the Protestant Reformation This collection aims to explore new perspectives on the British and Irish conventual mendicant and monastic movements in mainland Europe and rediscover their roles and wider impact within early modern European Catholicism Building on recent scholarship the book addresses a historiographical imbalance which has led to an over emphasis being placed on the role of the Society of Jesus in the development of British and Irish Catholicism following the Protestant Reformation The stable communities of religious in mainland Europe also acted as important centres of religious and secular activity This volume explores the ways in which British and Irish conventuals and monastics both men and women engaged with the seismic religious and philosophical developments of the early modern period such as the Catholic Reformation and the Enlightenment in mainland Europe as well as important political developments at home exploring the connections between centres and peripheries Building on recent movements within the field to decentralise the Catholic Reformation and recognize the international nature of Catholicism the volume aims to change the perception that the activities of British and Irish religious were peripheral bringing the islands experience in line with work on their European confreres and the broader global network of the religious orders

*British Family Life,*

*1780-1914, Volume 3* Claudia Nelson, Julie-Marie Strange, Susan B Egenolf, 2021-12-24 The five volumes of this collection focus on various aspects of family life Drawing on rare printed sources and archival material this collection will provide a balanced contextualized picture of family life during a period of intense social change It will appeal to scholars of social history gender studies and the long nineteenth century

**Encyclopedia of the Age of Political Revolutions and New Ideologies, 1760-1815** Gregory Fremont-Barnes, 2007-09-30 By giving rise to new ideologies that in time transformed the political structure of much of the world the American and French Revolutions stand as two of the most important political events in global history The American establishment of a Republican government and the gradual expansion of democracy that ensued altered traditional political and social thought thus shaping the later French Revolution and creating the core ethic of later American political values The Enlightenment ideals of the French Revolution as later spread by the armies of Napoleon dissolved most traditional European notions of political authority This encyclopedia offers current detailed information on the people events movements and ideas that defined the revolutions in France and America as well as in other parts of the world during the late eighteenth century Age of Revolutions Besides numerous entries on various countries of Europe whose histories were affected by the French Revolution such as Austria Belgium Germany Poland and Russia the many entries covering the people events groups and ideologies of Revolutionary and Napoleonic France include the following Civil Constitution of the Clergy Georges Jacques Danton The Directory Guillotine Josephine Empress of France Law of Suspects The Mountain Prairial Insurrection Tennis Court Oath White Terror Besides various entries covering American colonies states such as Maryland New Jersey North Carolina and Virginia the numerous entries covering the figures events and ideologies of the American Revolution and Early Federal Period of the United States include the following Abigail Adams Boston Massacre Constitutional Convention William Franklin Lexington and Concord Actions at Loyalists Massachusetts Government Act Edmund Randolph Signers of the Declaration of Independence Finally the encyclopedia offers various entries covering important revolutionary figures and movements that were active in other parts of the world during the period 1760 1815 including the following Simon Bolivar Dutch Revolutions Haitian Revolution Hispaniola Latin American Revolutions Mexican Revolution Pugachev Rebellion Toussaint l Ouverture Besides over 450 clearly written and highly informative entries the encyclopedia also includes primary documents a chronology an extensive introductory essay a bibliography a guide to related topics and a series of useful maps

**MPs in Dublin** E. M. Johnston-Liik, 2006 The Irish Parliament met for the first time on June 18 1264 at Castledermott and for the last time in the Parliament House Dublin on August 2 1800 It had lasted for over 500 years and from 1707 it was the only parliament in the British Empire with the medieval structure of King represented by the Lord Lieutenant Lords and Commons Like the English British parliament it only met regularly from the end of the 17th century In 1692 Ireland had a minimal infrastructure by 1800 it had become recognisable as the country in whose history and culture there is a continuing and irresistible tide of interest worldwide

Since its publication *History of the Irish Parliament* has acquired an already legendary status This companion volume looks at Irish society and the personal concerns which influenced the MPs This volume will form a valuable reference work in addition and complementary to the *History of the Irish Parliament 1692-1800* The six volume *History of the Irish Parliament 1692-1800* was published in 2002 The online resource is available at [www.historyoftheirishparliament.com](http://www.historyoftheirishparliament.com) *The Emmet Rising in Kildare* Seamus Cullen, 2004 *Irish Nationalists in America* David Brundage, 2016-03-07 In this important work of deep learning and insight David Brundage gives us the first full scale history of Irish nationalists in the United States Beginning with the brief exile of Theobald Wolfe Tone founder of Irish republican nationalism in Philadelphia on the eve of the bloody 1798 Irish rebellion and concluding with the role of Bill Clinton's White House in the historic 1998 Good Friday Agreement in Northern Ireland Brundage tells a story of more than two hundred years of Irish American and American activism in the cause of Ireland The book though is far more than a narrative history of the movement Brundage effectively weaves into his account a number of the analytical themes and perspectives that have transformed the study of nationalism over the last two decades The most important of these perspectives is the imagined or invented character of nationalism A second theme is the relationship of nationalism to the waves of global migration from the early nineteenth century to the present and more precisely the relationship of nationalist politics to the phenomenon of political exile Finally the work is concerned with Irish American nationalists larger social and political vision which sometimes expanded to embrace causes such as the abolition of slavery women's rights or freedom for British colonial subjects in India and Africa and at other times narrowed avoiding or rejecting such extraneous concerns and connections All of these themes are placed within a thoroughly transnational framework that is one of the book's most important contributions Irish nationalism in America emerges from these pages as a movement of great resonance and power This is a work that will transform our understanding of the experience of one of America's largest immigrant groups and of the phenomenon of diasporic or long distance nationalism more generally

**Ireland and Empire** Stephen Howe, 2000 Many analyses of Ireland's past and present are couched in colonial terms For some it is the only framework for understanding Ireland Others reject the label This study evaluates and analyzes the situation

## Rebellion In Kildare 17901803 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Rebellion In Kildare 17901803 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Rebellion In Kildare 17901803 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who

make these resources available. In conclusion, the availability of Rebellion In Kildare 17901803 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Rebellion In Kildare 17901803 Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rebellion In Kildare 17901803 is one of the best book in our library for free trial. We provide copy of Rebellion In Kildare 17901803 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rebellion In Kildare 17901803. Where to download Rebellion In Kildare 17901803 online for free? Are you looking for Rebellion In Kildare 17901803 PDF? This is definitely going to save you time and cash in something you should think about.
