*The MotoLady's Book of Women Who Ride* Alicia Mariah Elfving, 2021-05-18 Written and curated by Alicia Mariah Elfving founder of TheMotoLady.com and the Women's Motorcycle Show and arguably the most notable advocate for women in the motorcycling hobby. The MotoLady's Book of Women Who Ride subverts all the tired women and motorcycle tropes offering the true stories of the women past and present who ride and wrench as well as anyone proving every bit as indispensable to maintaining and growing a positive motorcycling culture. Historically depictions of women in motorcycle culture tend to objectify from the outlaw motorcycle club biker babe to cheesecake photography to posturing celebrities with motorcycles as props. The truth is much different. From the early days of motorcycle culture more than 100 years ago women have played a central role in making the motorcycle a legitimate form of transportation recreation and motorsport. Elfving presents more than 70 figures in the motorcycle world from the Americas to Europe and even the Middle East and South Asia stunt riders racers builders customizers organizers and more. Elfving links today's women motorcyclists with those of the past and illustrates the freedom represented by two wheels and how motorcycles allow women to transcend cultural expectations confidently. You'll meet riders such as Sofi Tsingos who raises money for charities by building and auctioning motorcycles. Safety ambassador Brittany Morrow who found her calling after surviving a high speed crash with no gear. The Van Buren sisters who in 1916 were among the first motorcyclists to ride coast to coast and the first women to ride to the summit of Pikes Peak. The late Jessi Combs an iconic TV personality metal fabricator and land speed record holder. Overwhelmingly positive. Elfving instills confidence and can do rather than providing an echo chamber of common complaints among women in motorcycling. In addition, *The MotoLady's Book of Women Who Ride* is illustrated throughout with contemporary and historical photos of the author's subjects comprising a beautiful as well as inspiring package.

**Rebels with a Cause** Gail DeMarco, R. W. Kittrelle, 1994 Where would America be without Harley Davidson? And where would Harley Davidson be without Americans who ride? *Rebels With A Cause* is a celebration of those riders, their passion for their love affair with the motorcycle of America. Here in their own words riders energetically explain how their lives have become intimately intertwined with their bikes, why they have chosen the Harley lifestyle with such enthusiasm. From regular folks to celebrities to club members, these are Americans with a shared commitment. Americans whose lives have been changed and defined by their devotion to the Harley Davidson motorcycle. Purchasing a Harley is a rebellious act. It's a rebellion against the status quo, a rebellion against the over-regulated technology-heavy life that our culture has become. In *Rebels With A Cause* rejoice in this fond and colorful record of the people and machines involved in this most American expression of creative non-conformity.

Dueling Identities Doreen Anderson-Facile, 2007-01-01 *Dueling Identities* examines the contradictions facing the Christian biker in regard to conflicting culture norms and values while exploring how the Christian biker identity is developed and maintained.
