His sister had died of typhoid fever he was reunited with his mother from whom he hid the fate of her husband and other son Describes life in the ghetto and the uprising during which his mother was killed Boren served as a courier during the uprising but was captured and deported He survived Majdanek Auschwitz and Sachsenhausen and two death marches In 1946 he emigrated to the U S *The Divine Comedy of Dante Alighieri* Robert M. Durling,2004-04-08 In the early 1300s Dante Alighieri set out to write the three volumes which make the up The Divine Comedy Purgatorio is the second volume in this set and opens with Dante the poet picturing Dante the pilgrim coming out of the pit of hell Similar to the Inferno 34 cantos this volume is divided into 33 cantos written in tercets groups of 3 lines The English prose is arranged in tercets to facilitate easy correspondence to the verse form of the Italian on the facing page enabling the reader to follow both languages line by line In an effort to capture the peculiarities of Dante s original language this translation strives toward the literal and sheds new light on the shape of the poem Again the text of Purgatorio follows Petrocchi s La Commedia secondo l antica vulgata but the editor has departed from Petrocchi s readings in a number of cases somewhat larger than in the previous Inferno not without consideration of recent critical readings of the Comedy by scholars such as Lanza 1995 1997 and Sanguineti 2001 As before Petrocchi s punctuation has been lightened and American norms have been followed However without any pretensions to being critical the text presented here is eclectic and being not persuaded of the exclusive authority of any manuscript the editor has felt free to adopt readings from various branches of the stemma One major addition to this second volume is in the notes where is found the Intercantica a section for each canto that discusses its relation to the Inferno and which will make it easier for the reader to relate the different parts of the Comedy as a whole **Haunted Cape Girardeau** Joel P. Rhodes,2013-04-23 This frightful compilation of ghost stories flows from the rich history of the Missouri college town located on a bend in the Mississippi River Southeast Missourian For nearly two hundred fifty years the mighty Mississippi has granted Cape Girardeau a legacy of prosperity and dealt it some fearsome scars Walk through buildings cut by the shrapnel of exploding steamboats swamped in the debris of sudden floods and haunted by the restless spirits of those who washed ashore Beyond the riverfront tragedy s indelible mark can be found in places like the back row of the Rose Theater or the ashen mists of Spook Hollow Joel P Rhodes keeps company with the most forlorn figures and entrenched phantoms in this history of Cape Girardeau where the river turns a thousand chilling tales Includes photos
