

# RECALLING THE GOOD FIGHT

**An Autobiography  
of the  
Spanish  
Civil War**

**John Tisa**

Foreword by  
Milton Wolff,  
"El Lobo"

"Heroism comes to life here. . . . It should be a TV series reaching all four continents."

—Pete Seeger

# Recalling The Good Fight An Autobiography Of The Spanish Civil War

**R. A. Stradling**

## **Recalling The Good Fight An Autobiography Of The Spanish Civil War:**

**Recalling the Good Fight** John Tisa, 1985-09-30 The author describes his experiences as a member of the American battalion of volunteers fighting in the Spanish Civil War

**The Good Fight Continues** Peter N. Carroll, Michael Nash, Melvin Small, 2006-10 Written with passion and intelligence the letters of the Abraham Lincoln Brigade in World War II express the raw idealism of anti fascist soldiers who experienced the war in boot camps cockpits and foxholes but never lost sight of the great global issues at stake When the United States entered World War II on December 7 1941 only one group of American soldiers had already confronted the fascist enemy on the battlefield the U S veterans of the Lincoln Brigade a volunteer army of about 2 800 men and women who had enlisted to defend the Spanish Republic from military rebels during the Spanish Civil War 1936-1939 They fought on the losing side After Pearl Harbor Lincoln Brigade veterans enthusiastically joined the U S Army welcoming this second chance to fight against fascism However the Lincoln recruits soon encountered suspicious military leaders who questioned their patriotism and denied them promotions and overseas assignments foreshadowing the political persecution of the postwar Red Scare African American veterans who fought in fully integrated units in Spain faced second class treatment in America's Jim Crow army Nevertheless the Lincolns served with distinction in every theater of the war and won a disproportionate number of medals for courage dedication and sacrifice The 154 letters in this volume selected from thousands held in the Abraham Lincoln Brigade Archives at NYU's Tamiment Library provide a new and unique perspective on aspects of World War II

**Recalling the Good Fight** John Tisa, 1985-09-30 The author describes his experiences as a member of the American battalion of volunteers fighting in the Spanish Civil War

**The Spanish Civil War** Charles J Esdaile, 2018-10-10 The Spanish Civil War A Military History takes a new military approach to the conflict that tore Spain apart from 1936 to 1939 In many histories the war has been treated as a primarily political event with the military narrative subsumed into a much broader picture of the Spain of 1936-9 in which the chief themes are revolution and counter revolution While remaining conscious of the politics of the struggle this book looks at the war as above all a military event and as one in whose outbreak specifically military issues particularly the split in the armed forces produced by the long struggle in Morocco 1909-27 were fundamental Across nine chapters that consider the war from beginning to endgame Charles J Esdaile revisits traditional themes from a new perspective deconstructs many epics and puts received ideas to the test as well as introducing readers to foreign language historiography that has previously been largely inaccessible to an anglophone audience In taking this new approach The Spanish Civil War A Military History is essential reading for all students of twentieth century Spain

The Irish and the Spanish Civil War, 1936-39 R. A. Stradling, 1999 The outbreak of the Spanish Civil War threw Irish politics north and south of the border into turmoil Ireland sent large organised bodies of men to fight on opposite sides in the Spanish Civil War essentially enemy crusades

**Historical Dictionary of the Spanish Civil War** Francisco J. Romero Salvadó, 2013-03-14 The tragedy that devastated Spain for 33 months from July

1936 to April 1939 was first and foremost a brutal fratricidal conflict the product of the fatal clash between diametrically opposed views of Spain and an attempt to settle crucial issues which had divided Spaniards for generations agrarian reform recognition of the identity of the historical regions Catalonia the Basque Country and the roles of the Catholic Church and the armed forces in a modern state Being a war between Spaniards it was particularly brutal but it was also part of the broader move toward war in Europe and thus sucked in many volunteers from abroad And it left a deep imprint since General Francisco Franco remained at the helm of the country until his death in 1975 The Historical Dictionary of the Spanish Civil War covers the history of the war first through a long chronology which highlights the major steps from the incubation to the conclusion The overall situation is summed up in the introduction Then the dictionary section fleshes it out with over 600 entries on persons places events institutions battles and campaigns More reading can be found in an extensive bibliography This book is an excellent access point for students researchers and anyone wanting to know more about the Spanish Civil War

**International Communism and the Spanish Civil War** Lisa A. Kirschenbaum, 2015-07-28 This book provides an intimate picture of international communism in the Stalin era Focusing on Americans and Spaniards who worked or studied in Moscow and later participated in the Spanish civil war it uncovers the personal and political ties that linked communists to one another and the Soviet Union

The Spanish Civil War George R. Esenwein, 2005-11-16 This exciting collection of primary sources on the Spanish Civil War uses military and political documents media accounts and contemporary propaganda to create a representative and illuminating survey of this enormously complicated event more than sixty five years after it ended Structured chronologically from a full introduction which delineates the field this book ranges from the origins of the uprising against Franco through to its turbulent aftermath It clearly outlines key points in the conflict and highlights the little known roles of race and gender in determining the war's outcome The book also unearths many rare sources for the first time and reveals the variety of perspectives held by those immediately involved in the war This is an ideal resource for all students of history and military history

**Hell and Good Company** Richard Rhodes, 2016-02-23 The Spanish Civil War 1936 1939 inspired and haunted an extraordinary number of exceptional artists and writers including Pablo Picasso Joan Miro Martha Gelhorn Ernest Hemingway George Orwell and John Dos Passos It spurred breakthroughs in military and medical technology New aircraft weapons tactics and strategy all emerged in the intense Spanish conflict Progress also arose from the horror doctors and nurses who volunteered to serve with the Spanish defenders devised major advances in battlefield surgery and frontline blood transfusion Rhodes takes us into the battlefields bomb shelters and hospitals into the studios of artists and into the hearts and minds of a rich cast of characters showing how the ideological aesthetic and technological developments that emerged in Spain changed the world forever

*Into the Heart of the Fire* James K. Hopkins, 1998 This book examines the experience of the British volunteers in the Spanish Civil War and places them in a broad intellectual political social and cultural framework

Revolutionary Armies in the Modern Era S.P.

Mackenzie,2013-01-11 This presents a major re evaluation of the standard view of revolutionary armies the range of attitudes towards the role of heroic individuals the formation and leadership of armies and the differences and similarities between such armies Beginning with an exploration of the New Model Army of the 1640s a force whose name itself seems to denote its revolutionary credentials the author presents ten case studies from around the globe including the American War of Independence The French Revolution The Zulu Boer War the Waffen SS and the Viet Cong Through a detailed analysis of source material he examines the images connected with these armies both historical and recent and assesses these images in their socio political and nationalist contexts

*Fighting for Republican Spain 1936-38* Barry McLoughlin,2014-08-06 There were 230 Irish born among the volunteers in the International Brigades fighting fascism in the Spanish Civil War This book focuses on the six volunteers from Limerick It uses Russian files to paint a general picture of the involvement of the Brigades especially in the British battalion of the 15th Brigade The book commences with the persecution of the Irish Left in the 1930s and explains the reasons why Frank Ryan led a contingent to Spain in December 1936 It examines the tension between Irish and British leaders in Spain the major battles of 1937 the imprisonment of Frank Ryan in Spain and his role in German exile The final chapter is the first attempt to describe in detail one of the most gruesome episodes that occurred in the British battalion the semi judicial murder of a Limerick volunteer the machine gunner Maurice Emmet Ryan during the Ebro battle in August 1938 Finally 60 pages of statistical data of all the Irish participants in the Brigade s history

*The International Brigades* Giles Tremlett,2020-10-15 Shortlisted for the Military History Matters Book of the Year Award Magnificent Narrative history at its vivid and compelling best Fergal Keane The first major history of the International Brigades a tale of blood ideals and tragedy in the fight against fascism The Spanish Civil War was the first armed battle in the fight against fascism and a rallying cry for a generation Over 35 000 volunteers from sixty one countries around the world came to defend democracy against the troops of Franco Hitler and Mussolini Ill equipped and disorderly yet fuelled by a shared sense of purpose and potential glory these disparate groups of idealistic young men and women formed a volunteer army of a size and type unseen since the Crusades known as the International Brigades Were they heroes or fools Saints or bloodthirsty adventurers And what exactly did they achieve In this magisterial history Giles Tremlett tells for the first time the story of the Spanish Civil War through the experiences of this remarkable group Drawing on the Brigades archives in Moscow as well as first hand accounts The International Brigades captures all the human drama of a historic mission to halt fascist expansion in Europe

*The War and Its Shadow* Helen Graham,2012 In Spain today the civil war remains the past that will not pass away The author explores the origins nature and long term consequences of this exterminatory war in Spain charting the resonant forms of political social and cultural resistance to it and the memory legacy these have left behind in Europe and beyond

*The Odyssey of the Abraham Lincoln Brigade* Peter N. Carroll,1994 Looks at the role of the United States in the Spanish Civil War

*Comrades and Commissars* Cecil D. Eby,2007 In the summer of 1936 Generalissimo Francisco Franco

led a group of right wing nationalists in a military attack on the Republican government of Spain the start of what would become the Spanish Civil War Despite U S laws banning participation in foreign conflicts American volunteers began pouring into Barcelona in January 1937 The most famous of these anti Franco groups was the band of 2 800 American fighters who called themselves the Abraham Lincoln Battalion In *Comrades and Commissars* Cecil D Eby pushes beyond the bias that has dominated study of the Lincoln Battalion and gets to the very heart of the American experience in Spain Controversy has plagued the Lincoln Battalion from the very start Were these men selfless defenders of liberty or un American Communists Eby has long been regarded as one of the few balanced interpreters of their history His 1969 book *Between the Bullet and the Lie* won accolades for its rigorous and fair treatment of the Battalion *Comrades and Commissars* builds upon that earlier study incorporating a wealth of information collected over intervening decades New oral histories previously untranslated memoirs and newly declassified official documents all lend even greater authority and perspective to Eby s account Most significant is Eby s use of Lincoln Battalion archives sequestered in a Moscow storeroom for sixty years These papers draw renewed focus on some of the most provocative questions surrounding the Battalion including the extent to which Americans were persecuted and even executed by the brigade commissariat The Americans who served in the Lincoln Battalion were neither mythic figures nor political abstractions Poorly trained and equipped they committed themselves to back to the wall defense of the doomed Spanish Republic In *Comrades and Commissars* we at last have the authoritative account of their experiences

**Civil War in American Culture** Will Kaufman, 2006-03-30 The Civil War is an event of great cultural significance impacting upon American literature film music electronic media the marketplace and public performance This book takes an innovative approach to this great event in American history exploring its cultural origins and enduring cultural legacy It focuses upon the place of the Civil War across the broad sweep of American cultural forms and practices and reveals important links between historical events and contemporary culture The first chapter introduces a discussion of ante bellum culture and the part cultural forces played in the sectional crisis that exploded into full blown war in 1861 Subsequent chapters focus on particular themes appropriations interpretations and manifestations of the War as they have appeared in American culture

The Spanish Civil War Paul Preston, 2012-08-27 The definitive work on the Spanish Civil War a classic of modern historical scholarship and a masterful narrative Paul Preston is the world s foremost historian of Spain This surging history recounts the struggles of the 1936 war in which more than 3 000 Americans took up arms Tracking the emergence of Francisco Franco s brutal and ultimately extraordinarily durable fascist dictatorship Preston assesses the ways in which the Spanish Civil War presaged the Second World War that ensued so rapidly after it The attempted social revolution in Spain awakened progressive hopes during the Depression but the conflict quickly escalated into a new and horrific form of warfare As Preston shows the unprecedented levels of brutality were burned into the American consciousness as never before by the revolutionary war reporting of Ernest Hemingway John Dos Passos Herbert Matthews Vincent Sheean

Louis Fischer and many others Completely revised including previously unseen material on Franco's treatment of women in wartime prisons The Spanish Civil War is a classic work on this pivotal epoch in the twentieth century **Comrades** Harry Fisher, 1999-08-01 The Spanish Civil War served as an ideological and physical battleground for visionary Americans wishing to combat the spread of fascism Harry Fisher was one such idealist who became a soldier in the famed Abraham Lincoln Brigade the American contingent of international volunteers dedicated to defeating Franco's forces Fisher was one of the earliest American volunteers and one of the few to participate in all the major battles Under a barrage of shells bombs and bullets for eighteen months he lost his illusions about war's efficacy in solving political issues To this day a despondence often overwhelms him when he recalls a family photograph he found jutting from the pocket of a slain fascist soldier His involvement taught him that up close the dead whether fascist soldiers or his own fallen comrades looked alike This is a war story simply told Yet it is also a complex story about a young man testing his ideology in the harsh realities of battle

**Atlantic Crossroads** José Moya, 2021-06-24 Unlike most books on the Atlantic that associate its history with European colonialism and thus end in 1800 this volume demonstrates that the Atlantic connections not only outlasted colonialism they also reached unprecedented levels in postcolonial times when the Atlantic truly became the world's major crossroads and dominant economy Twice as many Europeans entered New York Buenos Aires and São Paulo in 3 years on the eve of WWI as had arrived in all the New World during 300 years of colonial rule Transatlantic ties surged again with mass movements from the West Indies Latin America and Africa to North America and Western Europe from the 1960s to the present As befits a transnational subject the 24 contributors in this volume come from 14 different countries Over half of the chapters are co-authored an exceptional level of scholarly collaboration and all but two are explicitly comparative Comparisons include Congo and Yoruba slaves in Brazil Irish and Italian mercenaries and adventurers in the New World German Lutherans in Canada and Argentina Spanish laborers in Algeria and Cuba the diasporic nationalism of ethnic groups without nation states and the transatlantic politics of fascism and anti-fascism in the interwar Overall the volume shows the Atlantic World's distinctiveness rested not on the level or persistence of colonial control but on the density and longevity of human migrations and the resulting high levels of social and cultural contact circulation connection and mixing This title will appeal to students and researchers in the fields of Atlantic and global history migration diaspora slavery ethnicity nationalism citizenship politics anthropology and area studies

### **Recalling The Good Fight An Autobiography Of The Spanish Civil War Introduction**

In today's digital age, the availability of *Recalling The Good Fight An Autobiography Of The Spanish Civil War* books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of *Recalling The Good Fight An Autobiography Of The Spanish Civil War* books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of *Recalling The Good Fight An Autobiography Of The Spanish Civil War* books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing *Recalling The Good Fight An Autobiography Of The Spanish Civil War* versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, *Recalling The Good Fight An Autobiography Of The Spanish Civil War* books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing *Recalling The Good Fight An Autobiography Of The Spanish Civil War* books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for *Recalling The Good Fight An Autobiography Of The Spanish Civil War* books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital

libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Recalling The Good Fight An Autobiography Of The Spanish Civil War books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Recalling The Good Fight An Autobiography Of The Spanish Civil War books and manuals for download and embark on your journey of knowledge?

### **FAQs About Recalling The Good Fight An Autobiography Of The Spanish Civil War Books**

1. Where can I buy Recalling The Good Fight An Autobiography Of The Spanish Civil War books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
