Reception La Litierature:

The Court Reconvenes International Courtly Literature Society. Congress, 2003 Table of contents Littérature africaine et sa critique Locha Mateso, 1986-01-01 *Reception and Renewal in Modern Spanish Theatre, 1939-1963* John London, 1997 The book constitutes the first attempt to provide an overview of the reception of foreign drama in Spain during the Franco dictatorship John London analyses performance stage design translation censorship and critical reviews in relation to the works of many authors including Noel Coward Arthur Miller Eugene Ionesco and Samuel Beckett He compares the original reception of these dramatists with the treatment they were given in Spain However his study is also a reassessment of the Spanish drama of the period Dr London argues that only by tracing the reception of non Spanish drama can we understand the praise lavished on playwrights such as Antonio Buero Vallejo and Alfonso Sastre alongside the simultaneous rejection of Spanish avant garde styles A concluding reinterpretation of the early plays of Fernando Arrabal indicates the richness of an alternative route largely ignored in histories of Spanish theatre

a whole manifests in a number of diverse domains opening up the field of reception studies to scholars from disciplines other than Classics This collection of papers illustrates this diversity uniting as it does original research by scholars from a variety of disciplines classicists historians theatre historians architectural historians psychologists archaeologists artists and more all of whom have treated some aspect of the so called classical tradition by means of their own individual approaches leading to a volume rich and dense in themes and methodologies
