**Edwin S. Gaustad, Mark A. Noll**

## **Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century:**

*Religion and Sexuality* Lawrence Foster, 1981 Most writers have treated these three groups and the social ferment out of which they grew as simply an American sideshow In this book therefore I have attempted to go beyond the conventional focus on what these groups did I have also sought to explain why they did what they did and how successful they were in terms of their own objectives By trying sympathetically to understand these extraordinary experiments in social and religious revitalization I believe it is possible to come to terms with a broader set of questions that affect all men and women during times of crisis and transition From the preface Winner of the Best Book Award Mormon History Association *Communal Utopias and the American Experience Religious Communities, 1732-2000* Robert P. Sutton, 2003-09-30 American communalism is not a disjointed erratic almost ephemeral part of our past but an on going essential part of American history This important study begins with an examination of America's first religious utopia at Ephrata near Lancaster Pennsylvania in 1732 and traces successive utopian experiments in the United States through the following centuries The author demonstrates that the utopian communal story is an integral facet of the Puritan concept of America as a city upon a hill and a beacon light for the world where the perfect society could be built and where it could flourish After discussing the Ephrata Cloister 1724-1812 the author turns to the dozen or so Shaker communities that spread utopian communalism from New England to the Ohio Valley frontier in the antebellum years Next he examines the various Separatists as well as the Oneida Community He traces the history of the Hutterite utopias from Russia to the Great Plains and Canada between the Civil War and World War I In a chapter on California counter culture communities he analyzes the Theosophist communes at Point Loma and Temple Home Finally he discusses modern religious utopias ranging from the Koreshian Unity at Estero Florida to Zion City near Chicago Dorothy Day's Catholic Worker Movement the Sufi Utopia in the Berkshire Mountains and the Pandanaram Settlement in Indiana *America's Communal Utopias* Donald E. Pitzer, 2010-01-20 From the Shakers to the Branch Davidians America's communal utopians have captured the popular imagination Seventeen original essays here demonstrate the relevance of such groups to the mainstream of American social religious and economic life The contributors examine the beliefs and practices of the most prominent utopian communities founded before 1965 including the long overlooked Catholic monastic communities and Jewish agricultural colonies Also featured are the Ephrata Baptists Moravians Shakers Harmonists Hutterites Inspirationists of Amana Mormons Owenites Fourierists Icarians Janssionists Theosophists Cyrus Teed's Koreshans and Father Divine's Peace Mission Based on a new conceptual framework known as developmental communalism the book examines these utopian movements throughout the course of their development before during and after their communal period Each chapter includes a brief chronology giving basic information about the group discussed An appendix presents the most complete list of American utopian communities ever published The contributors are Jonathan G Andelson Karl J R Arndt Pearl W Bartelt Priscilla J Brewer Donald F Durnbaugh Lawrence Foster Carl J Guarneri Robert V

Hine Gertrude E Huntington James E Landing Dean L May Lawrence J McCrank J Gordon Melton Donald E Pitzer Robert P Sutton Jon Wagner and Robert S Weisbrot      **Joseph Smith's Polygamy, Volume 3: Theology** Brian C. Hales, 2013-02-26 Americans of Joseph Smith's day steeped in the stories and prophecies of the King James Bible certainly knew about plural marriage but it was a curiosity relegated to the misty past of patriarchs Abraham and Jacob who never gave reasons for their polygamy. It was long abandoned. Christians understood by the time Jesus set forth the dominating law of the New Testament. But how did Joseph Smith understand it? Where did it fit in the restitution of all things Acts 3:21 predicted in the New Testament? What part did it play in the global ideology declared by this modern prophet who produced new scripture, new revelation and new theology? During Joseph Smith's lifetime polygamy was taught and practiced in intense secrecy with the result that he never fully explained its doctrinal underpinnings or systematized its practice. As a result reconstructing Joseph Smith's theology of plurality is a task that has seldom been undertaken. Most theological examinations have either focused on its development during Brigham Young's Utah period with its need to resist increasing federal legislative and judicial pressures or the efforts of twentieth century and contemporary fundamentalists who continue to marry a plurality of wives. Volume 3 of this three volume work builds on the carefully reconstructed history of the development of Mormon polygamy during Joseph Smith's lifetime then assembles the doctrinal principles from his recorded addresses, the diary entries of those closely associated with him and his broader teachings on the related topics of obedience to God's will, marriage and family relations and the mechanics of eternal progression, salvation and exaltation. The revelation he dictated in July 1843 that authorized the practice of eternal and plural marriage receives unprecedented examination and careful interpretation that illuminate this significant document and its underlying doctrines. Attempts to explain the history of Joseph Smith's polygamy without comprehending the theological principles undergirding its practice will always be incomplete and skewed. This volume which takes those principles and evidences with the utmost seriousness has produced the most important explanation of why this ancient practice reemerged among the Latter-day Saints on the shores of the Mississippi in the early 1840s.

**Religious Outsiders and the Making of Americans** R. Laurence Moore, 1987-12-03 In light of the curious compulsion to stress Protestant dominance in America's past, this book takes an unorthodox look at religious history in America. Rather than focusing on the usual mainstream Protestant churches—Episcopal, Congregationalist, Methodist, Baptist and Lutheran—Moore instead turns his attention to the equally important outsiders in the American religious experience and tests the realities of American religious pluralism against their history in America. Through separate but interrelated chapters on seven influential groups of outsiders—the Mormons, Catholics, Jews, Christian Scientists, Millennialists, 20th century Protestant Fundamentalists and the African American churches—Moore shows that what was going on in mainstream churches may not have been the normal religious experience at all and that many of these outside groups embodied values that were in fact quintessentially American.      **Retelling U.S. Religious History** Thomas A. Tweed, 2023-09-01 This collection marks a

turning point in the study of the history of American religions In challenging the dominant paradigm Thomas A Tweed and his coauthors propose nothing less than a reshaping of the way that American religious history is understood studied and taught The range of these essays is extraordinary They analyze sexual pleasure colonization gender and interreligious exchange The narrators position themselves in a number of geographical sites including the Canadian border the American West and the Deep South And they discuss a wide range of groups from Pueblo Indians and Russian Orthodox to Japanese Buddhists and Southern Baptists This collection marks a turning point in the study of the history of American religions In challenging the dominant paradigm Thomas A Tweed and his coauthors propose nothing less than a reshaping of the way that American religious history is understood

The Secret History of Western Sexual Mysticism Arthur Versluis, 2008-03-25 The first book to reveal the history of Western sexual mysticism Reveals the secret sexual practices that have been used since ancient Greece to achieve mystical union with God Details the sects and individuals who transmitted the radical sexual practices that orthodox Christianity never completely silenced Distinguishes between sexual magic and sexual mysticism Beginning with the ancient Greek Mystery traditions Gnosticism and the practices in early Christianity Arthur Versluis uncovers the secret line of Western sexual mysticism that like the Tantra of the East seeks transcendence or union with God through sexual practices Throughout antiquity and right into the present day sexuality has played an important if largely hidden role in religious traditions and practices This includes not only Christian but also kabbalistic and hermetic alchemical currents of sexual mysticism many discussed together here for the first time In the Mystery tradition of hieros gamos sacred marriage and the Gnostic tradition of spiritual marriage we see the possibility of divine union in which sexual union is the principal sign or symbol Key to these practices is the inner or archetypal union of above and below the intermingling of the revelatory divine world with the mundane earthly one Versluis shows that these secret currents of sexual mysticism helped fuel the rise of the troubadours and their erotic doctrine the esoteric teachings of Jacob Boehme in the late 16th century the 19th century utopian communities of John Humphrey Noyes and Thomas Lake Harris the free love movement of the 20th century and the modern writings of Denis de Rougemont and Alan Watts

**Joseph Smith's Polygamy, Volume 1: History** Brian C. Hales, 2013-02-26 Few American religious figures have stirred more passion among adherents and antagonists than Joseph Smith Born in 1805 and silenced thirty nine years later by assassins bullets he dictated more than one hundred revelations published books of new scripture built a temple organized several new cities and became the proclaimed prophet to tens of thousands during his abbreviated life Among his many novel teachings and practices none is more controversial than plural marriage a restoration of the Old Testament practice that he accepted as part of his divinely appointed mission Joseph Smith taught his polygamy doctrines only in secret and dictated a revelation in July 1843 authorizing its practice now LDS D C 132 that was never published during his lifetime Although rumors and exposés multiplied it was not until 1852 that Mormons in Brigham Young's Utah took a public stand By then thousands of Mormons were engaged in the practice that was seen as

essential to salvation Victorian America saw plural marriage as immoral and Joseph Smith as acting on libido However the private writings of Nauvoo participants and other polygamy insiders tell another more complex and nuanced story Many of these accounts have never been published Others have been printed sporadically in unrelated publications Drawing on every known historical account whether by supporters or opponents Volumes 1 and 2 take a fresh look at the chronology and development of Mormon polygamy including the difficult conundrums of the Fannie Alger relationship polyandry the angel with a sword accounts Emma Smith's poignant response and the possibility of Joseph Smith's offspring by his plural wives Among the most intriguing are the newly available Andrew Jenson papers containing not only the often quoted statements by surviving plural wives but also Jenson's own private research conducted in the late nineteenth century Telling the story of Joseph Smith's polygamy from the records of those who knew him best augmented by those who observed him from a distance may have produced the most useful view of all

God and the IRS Samuel D. Brunson, 2018-04-19 Seventy five percent of Americans claim religious affiliation which can impact their taxpaying responsibilities In this illuminating book Samuel D Brunson describes the many problems and breakdowns that can occur when tax meets religion in the United States and shows how the US government has too often responded to these issues in an unprincipled ad hoc manner God and the IRS offers a better framework to understand tax and religion It should be read by scholars of religion and the law policymakers and individuals interested in understanding the implications of taxation on their religious practices

*Church, State, and Original Intent* Donald L. Drakeman, 2010 This provocative book shows how the justices of the United States Supreme Court have used constitutional history portraying the Framers' actions in a light favoring their own views about how church and state should be separated Drakeman examines church state constitutional controversies from the Founding Era to the present arguing that the Framers originally intended the establishment clause only as a prohibition against a single national church

**American Religious Traditions** Richard E. Wentz, Accompanying CD ROM contains full text of the book chapter summaries discussion questions and many web resources and Libronix software which offers such features as topic searching bookmarking notetaking and highlighting p 4 of cover

**From Mission to Madness** Valeen Tippetts Avery, 1998 Avery draws on a large body of correspondence for details of David's life and on his poetry to reveal his personality and emotional struggles She tells of his mental deterioration starting with a probable breakdown early in 1870 and ending with his death in 1904 in the Northern Illinois Hospital and Asylum for the Insane in Elgin where he had been confined for twenty seven years

A Documentary History of Religion in America to 1877 Edwin S. Gaustad, Mark A. Noll, 2003-09-19 A richly variegated selection of short documents illustrative of the history of religion in America The best source book available to contemporary students and general readers

**Born Again Bodies** R. Marie Griffith, 2004-10-04 Fat People Don't Go to Heaven screamed a headline in the tabloid Globe in November 2000 The story recounted the success of the Weigh Down Workshop the nation's largest Christian diet corporation and the subject of extensive press coverage from

Larry King Live to the New Yorker In the United States today hundreds of thousands of people are making diet a religious duty by enrolling in Christian diet programs and reading Christian diet literature like What Would Jesus Eat and Fit for God Written with style and wit far ranging in its implications and rich with the stories of real people Born Again Bodies launches a provocative yet sensitive investigation into Christian fitness and diet culture Looking closely at both the religious roots of this movement and its present day incarnations R Marie Griffith vividly analyzes Christianity's intricate role in America's obsession with the body diet and fitness As she traces the underpinning of modern day beauty and slimness ideals as well as the bigotry against people who are overweight Griffith links seemingly disparate groups in American history including seventeenth century New England Puritans Progressive Era New Thought adherents and late twentieth century evangelical diet preachers

The Angel and the Beehive Armand L. Mauss, 1994 The past few decades have witnessed an increasing reaction of the Mormons against their own successful assimilation Armand Mauss writes in The Angel and the Beehive as though trying to recover some of the cultural tension and special identity associated with their earlier sect like history This retrenchment among Mormons is the main theme of Mauss's book which analyzes the last forty years of Mormon history from a sociological perspective At the official ecclesiastical level Mauss finds the retrenchment can be seen in the greatly increased centralization of bureaucratic control and in renewed emphases on obedience to modern prophets on genealogy and vicarious temple work and on traditional family life retrenchment is also apparent in extensive formal religious indoctrination by full time professionals and in an increased sophistication and intensity of proselytizing At what he refers to as the folk or grassroots level Mauss finds that Mormons have generally been compliant with the retrenchment effort and are today at least as religious on most measures as they were in the 1960s A sizable segment of the Mormon membership Mauss asserts has gone beyond Mormon retrenchment to express itself in a growing resort to Protestant fundamentalism both in scriptural understanding and in intellectual style The author calls on a wide array of sources in sociology and history to show that Mormons who by mid century had come a long way from their position as disreputable outsiders in a society dominated by the mainline religions seem now to be adopting more conservative ways and seeking a return to a more sectarian posture

**Early Christian Ritual Life** Richard E. DeMaris, Jason T. Lamoreaux, Steven C. Muir, 2017-11-22 Scholars across many fields have come to realize that ritual is an integral element of human life and a vital aspect of all human societies Yet this realization has been slow to develop among scholars of early Christianity Early Christian Ritual Life attempts to counteract the undervaluing of ritual by placing it at the forefront of early Christian life Rather than treating ritual in isolation or in a fragmentary way this book examines early Christian ritual life as a whole The authors explore an array of Christian ritual activity employing theory critically and explicitly to make sense of various ritual behaviors and their interconnections Written by leading experts in their fields this collection is divided into three parts Interacting with the Divine Group Interactions Contesting and Creating Ritual Protocols This book is ideal for religious studies students seeking an introduction to the

dynamic research areas of ritual studies and early Christian practice      New Religious Movements and Religious Liberty in America Derek Davis, Barry Hankins, 2003 New nontraditional religious movements are the most likely groups to offend mainstream culture and the least likely to have representatives in government to ensure that their liberty is protected These new religious movements are sometimes ostracized and subject to various forms of discrimination As America becomes increasingly pluralistic with more and more groups contributing to the nation's religious mosaic new religious movements may well play an increasing role in the course of religious liberty in America just as groups such as the Jehovah's Witnesses did formerly This book explores the problems and possibilities posed by new religious movements for religious liberty in America      **Modern Polygamy in the United States** Cardell Jacobson, Lara Burton, 2011-03-09 At last some light not just heat about America's new polygamy scandal its roots and ramifications Both well reasoned and well written this book shows the people and the principles at stake It will change how you think about both Kathleen Flake Associate Professor of American Religious History Vanderbilt University Book Jacket      *American Masculinities: A Historical Encyclopedia* Bret Carroll, 2003-10-14 This is a highly recommended purchase for undergraduate medium sized and large public libraries wishing to provide a substantial introduction to the field of men's studies Reference User Services Quarterly Pleasing layout and good cross references make Carroll's compendium a welcome addition to collections serving readers of all ages Highly recommended CHOICE An excellent index well chosen photographs and illustrations and an extensive bibliography add further value American Masculinities is well worth what would otherwise be too hefty a price for many libraries because no other encyclopedia comes close to covering this growing field so well American Reference Books Annual American Masculinities A Historical Encyclopedia is a first of its kind reference detailing developments in the growing field of men's studies This up to date analytical review serves as a marker of how the field has evolved over the last decade especially since the 1993 publication of Anthony Rotundo's American Manhood This seminal book opened new vistas for exploration and research into American History society and culture Weaving the fabric of American history American Masculinities illustrates how American political leaders have often used the rhetoric of manliness to underscore the presumed moral righteousness and ostensibly protective purposes of their policies Seeing U S history in terms of gender archetypes readers will gain a richer and deeper understanding of America's democratic political system domestic and foreign policies and capitalist economic system as well as the private sphere of the home and domestic life The contributors to American Masculinities share the assumption that men's lives have been grounded fundamentally in gender that is in their awareness of themselves as males Their approach goes beyond scholarship which traditionally looks at men and women in terms of what they do and how they have influenced a given field or era Rather this important work delves into the psychological core of manhood which is shaped not only by biology but also by history society and culture Encapsulating the current state of scholarly interpretation within the field of Men's Studies American Masculinities A Historical Encyclopedia is designed to help

students and scholars advance their studies develop new questions for research and stimulate new ways of exploring the history of American life

About the Editor

Bret E. Carroll is Associate Professor of History at California State University Stanislaus. He received his Ph.D. from Cornell University in 1991. He is author of *The Routledge Historical Atlas of Religion in America* (1997), *Spiritualism in Antebellum America* (1997), and several articles on nineteenth century masculinity.

**Extraordinary Groups**

Richard T. Schaefer, William W. Zellner, 2015-10-22

*Extraordinary Groups* has had a storied history of excellence over multiple editions. Now available from Waveland Press at the start of its fifth decade of availability, its interdisciplinary approach to groups engaged in unconventional lifestyles makes it a popular textbook choice in hundreds of college courses across the social sciences, including anthropology, religion, history, and psychology. Written by sociologists using and illustrating sociological principles, the book is appealing because it is descriptive and explanatory rather than analytical. Descriptions of the groups are interwoven with basic sociological concepts, but systematic analysis and inductive reasoning are left to the discretion of the instructor. *Extraordinary Groups* is a compelling overview of the broad tapestry of social life that constitutes the United States. The illustrated, full-featured Ninth Edition includes a glossary and end-of-chapter key terms, sources on the Web, and selected readings.

The book delves into Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century. Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century is a crucial topic that needs to be grasped by everyone, from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
  - Chapter 1: Introduction to Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century
  - Chapter 2: Essential Elements of Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century
  - Chapter 3: Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century in Everyday Life
  - Chapter 4: Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century in Specific Contexts
  - Chapter 5: Conclusion
2. In chapter 1, the author will provide an overview of Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century. This chapter will explore what Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century is, why Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century is vital, and how to effectively learn about Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century.
3. In chapter 2, the author will delve into the foundational concepts of Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century. This chapter will elucidate the essential principles that need to be understood to grasp Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century in its entirety.
4. In chapter 3, this book will examine the practical applications of Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century in daily life. The third chapter will showcase real-world examples of how Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century in specific contexts. This chapter will explore how Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about Religion And Sexuality Three American Communal Experiments Of The

Nineteenth Century. This chapter will summarize the key points that have been discussed throughout the book. The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century.

### **Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories.

## **Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century**

Another reliable platform for downloading Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before

## **Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century**

making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century is one of the best book in our library for free trial. We provide copy of Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century. Where to download Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century online for free? Are you looking for Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century PDF? This is definitely going to save you time and cash in something you should think about.
