Religion Without God:

Religion Without God Ray Billington, 2002 A wide ranging criticism of theism questioning the assumption that rejecting God means rejecting religion Draws on Western philosophical critiques of religion and non theistic Eastern religions to show how a religion without God could work **Religion without God** Ronald Dworkin, 2013-10-01 In his last book Ronald Dworkin addresses timeless questions What is religion and what is God s place in it What are death and immortality He joins a sense of cosmic mystery and beauty to the claim that value is objective independent of mind and immanent in the world Belief in God is one manifestation of this view but not the only one *Religion Without God, and God Without Religion* William Arthur, 2023-07-18 In this thought provoking book William Arthur explores the idea of religion without God and God without religion He argues that it is possible to be a deeply spiritual person without subscribing to traditional religious beliefs and that the God of classical theism is an outmoded concept that needs to be reimaged for the modern world This book is a must read for anyone interested in theology philosophy or spirituality This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Religion Without God Ray Billington, 2012-11-12 This criticism of theism especially monotheism questions the assumption that rejecting God means rejecting religion Drawing on Western philosophical critiques of religion and non theistic Eastern religions Ray Billington shows how a religion without God could work The concept of religion without God has informed not only the theories of Nietzsche Kant and Spinoza but also expressions of belief in Indian and Chinese religions Hinduism Theravada Buddhism Zen and Taoism Concluding with a look at the the future of faith this is a wide ranging and lucidly written look at what it means to have faith and how this is distinct from religious belief Ray Billington is an experienced and respected author on Eastern religion and philosophy His books include *Understanding Eastern Philosophy* *Living Philosophy* and *East of Existentialism* all published by Routledge He also writes occasional journalism most notably as a contributor to The Guardian s Face to Faith column An ex Methodist minister and onetime chaplain with the SAS he has now retired from his post as Principal Lecturer in Philosophy at the University of the West of England

Religion without God Ronald Dworkin, 2013-10-01 In his last book Ronald Dworkin addresses timeless questions What is religion and what is God s place in it What are death and immortality He joins a sense of cosmic mystery and beauty to the claim that value is objective independent of mind and immanent in the world Belief in God is one manifestation of this view but not the only one *Living Without God* Ronald Aronson, 2009-08-18 Ronald Aronson has a mission to demonstrate that a

life without religion can be coherent moral and committed Optimistic and stirring Living Without God is less interested in attacking religion than in developing a positive philosophy for atheists agnostics secular humanists skeptics and freethinkers Aronson proposes contemporary answers to Immanuel Kant's three great questions What can I know What ought I to do What can I hope Grounded in the sense that we are deeply dependent and interconnected beings who are rooted in the universe nature history society and the global economy Living Without God explores the experience and issues of 21st century secularists especially in America Reflecting on such perplexing questions as why we are grateful for life's gifts who or what is responsible for inequalities and how to live in the face of aging and dying Living Without God is also refreshingly topical touching on such subjects as contemporary terrorism the war in Iraq affirmative action and the remarkable rise of Barack Obama

Religion Without God and God Without Religion William Arthur, 1885 **Religion Without God and God Without Religion** William Arthur, 1885 Religion Without God and God Without Religion: Deism and Sir James Stephen William Arthur, 1887 *Religion Without God and God Without Religion (Classic Reprint)* William Arthur, 2017-12-19 Excerpt from Religion Without God and God Without Religion A recent controversy in the pages of the Nineteenth Century extending over many months seems distinctly to mark a stage in modern speculations upon Theism Three differing schools are championed by three properly representative men Mr Frederic Harrison Mr Herbert Spencer and Sir Fitzjames Stephen Each of these comes forward with the consciousness of both prowess and reputation each feels the stimulus of a conflict with equals each presents his case with the latest lights and most mature arguments available The tournament itself is a passing spectacle but the topics are of eternal interest and yet constitute a burning question Of the present hour About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Religion Without God Fulton John Sheen, 1928 *Can We be Good Without God?* Rob Buckman, 2002 In this provocative study of the connection between belief and behavior Buckman reviews the history of religious belief and explains data from neuroscience experiments that show a physical cause for religious thoughts

Without Faith, Without God; Or, an Appeal to God Concerning His Own Existence. With a Preface by the Rev. David Thom
John BARCLAY (Pastor of the Berean Assembly at Edinburgh.), 1836 **Spirituality without God** Peter Heehs, 2018-11-01

Spirituality without God is the first global survey of godless spirituality Long before spiritual but not religious became the catchphrase of the day there were religious and spiritual traditions in India China and the West that denied the existence of God Peter Heehs begins by looking at godless traditions in the ancient world Indian religions such as Jainism and Buddhism showed the way to liberation through individual effort In China Confucians and Daoists taught how to live in harmony with nature and society Philosophies of the Greco Roman world such as Epicureanism Stoicism and Skepticism focused on enhancing the quality of life rather than buying the favor of the gods through sacrifice or worship Heehs shows how these traditions rediscovered during the Renaissance helped jump start the European Enlightenment and opened the way to the atheism and agnosticism of the eighteenth and nineteenth centuries The personal inner approach to religion became known as spirituality Spirituality without God is a counterbalance to theistic narratives that have dominated the field as well as an introduction to modes of spiritual thought and practice that may appeal to people who have no interest in God *Morality Without God?* Walter Sinnott-Armstrong, 2009-07-02 Some argue that atheism must be false since without God no values are possible and thus everything is permitted Walter Sinnott Armstrong argues that God is not only not essential to morality but that our moral behavior should be utterly independent of religion He attacks several core ideas that atheists are inherently immoral people that any society will sink into chaos if it becomes too secular that without religion we have no reason to be moral that absolute moral standards require the existence of God and that without religion we simply couldn't know what is wrong and what is right Sinnott Armstrong brings to bear convincing examples and data as well as a lucid elegant and easy to understand writing style This book should fit well with the debates raging over issues like evolution and intelligent design atheism and religion and public life as an example of a pithy tightly constructed argument on an issue of great social importance In his call for sincere dialogue with theists Sinnott Armstrong provides a welcome relief from the apoplectic excesses of Richard Dawkins and Christopher Hitchens while also addressing objections to homosexuality and evolution frequently raised by evangelical Christians Publishers Weekly It is accessible and lively my hope is that it will be widely read

especially by theists Peter Lamal The Humanist the clarity of this text successfully defuses many erroneous claims about religion and morality both popular and academic this volume certainly deserves a wide audience in this increasingly secular and skeptical world Choice Morality Without God is an engaging pithy book arguing against the necessity of God and religion for a robust morality Walter Sinnott Armstrong has distinguished himself as a leading philosopher in his work on metaethics and moral psychology as well as books on moral and epistemological skepticism and in Morality Without God he commendably succeeds in writing a philosophically respectable introduction to the problems facing religious morality suitable for virtually any audience Philosophia Christi

Ethics Without God Kai Nielsen, 1990 Nielsen argues that morality cannot be based on religion and that there is no evidence to show that nonbelievers despair or lose their sense of identity and purpose He shows that the implications of Christian absolutism are more likely to be monstrous than are those of a secular ethic that incorporates an independent principle of justice

The Atheist's Primer Malcolm Murray, 2010-04-06 The Atheist's Primer is a concise but wide ranging introduction to a variety of arguments concepts and issues pertaining to belief in God In lucid and engaging prose Malcom Murray offers a penetrating yet fair minded critique of the traditional arguments for the existence of God He then explores a number of other important issues relevant to religious belief such as the problem of suffering and the relationship between religion and morality in each case arguing that atheism is preferable to theism The book will appeal to both students and professionals in the philosophy of religion as well as general audiences interested in the topic

Religion Without God and God Without Religion William Arthur (Wesleyan Minister.), 1885

Living without God: A Multicultural Spectrum of Atheism Sanjit Chakraborty, Anway Mukhopadhyay, 2022-11-16 This book deals with the intricate issue of approaching atheism methodologically as well as conceptually from the perspective of cultural pluralism What does atheism mean in different cultural contexts Can this term be applied appropriately to different religious discourses which conceptualize God gods Goddess goddesses and also godlessness in hugely divergent ways Is my God the same as yours If not then how can your atheism be the same as mine In other words this volume raises the question Is it not high time that we proposed a comparative study of atheism's alongside that of religions rather than believing that atheism is centered in the Western experience Apart from answering these questions the book highlights the much needed focus on the philosophical negotiations between atheism theism and agnosticism The fine chapters collected here present pluralist negotiations with the notion of atheism and its ethical theological literary and scientific corollaries Previously published in Sophia Volume 60 issue 3 September 2021 Chapters Religious Conversion and Loss of Faith Cases of Personal Paradigm Shift and On Being an Infidel are available open access under a Creative Commons Attribution 4.0 International License via link.springer.com
