Religion And Social Theory

Bryan S Turner

Religion And Social Theory:

Social Theory and Religion James A. Beckford, 2003-08-21 Many aspects of religion are puzzling these days This book looks at ways of improving our understanding of religious change by strengthening the links between social theory and the social scientific study of religion It clarifies the social processes involved in constructing religion and non religion in public and private life Taking illustrations of the importance of these boundaries from studies of secularisation religious diversity globalisation religious movements and self identity James A Beckford reviews the current state of social scientific knowledge about religion

Religion and Social Theory Bryan S. Turner, 1983

Social Theory and Religion James A. Beckford, 2003-08-21 Many aspects of religion are puzzling these days This 2003 book looks at ways of improving our understanding of religious change by strengthening the links between social theory and the social scientific study of religion It clarifies the social processes involved in constructing religion and non religion in public and private life Taking illustrations of the importance of these boundaries from studies of secularisation religious diversity globalisation religious movements and self identity Beckford reviews social scientific knowledge about religion and assesses the strengths and weaknesses of a wide range of theoretical attempts to account for religious change and continuity The discussion goes in two directions The first is towards identifying ways in which studies of religion would benefit from taking better account of themes in recent social theory The second is towards identifying reasons for social theorists to pay more attention to the findings of empirical investigations of religion

Religion, Realism and Social Theory Philip A Mellor, 2004-09-29 Philip Mellor's ambition is to save sociology from itself or to save society from the sociologists He has written a brilliant polemic and theoretically rich argument against the many fashionable contemporary social theories that provide acquiescent post societal endorsements of the economic and technological forces that are hollowing out the religious moral and human dimensions of societies I am tremendously impressed Kenneth Thompson Professor of Sociology at the Open University Religion Realism and Social Theory challenges those contemporary sociologists who argue that the notion of society is an outmoded basis for sociological analysis and instead revitalizes the idea that sociology is truly the study of society Through a bold and original argument Philip Mellor returns the human and religious aspects of social life to the centre of social theory drawing on a vast range of contemporary social theoretical literature in the process The book comprehensively reassesses what societies are offers a detailed critique of current failings in social theory draws out the religious underpinnings of social life throws fresh light on the religious cultural and social conflicts that appear to herald a new period of global disorder Religion Realism and Social Theory will stimulate debate amongst academics and students of sociology and social theory cultural studies and the sociology of religion

Religion and Social Theory, 1983

A Social Theory of Religious Education George Albert Coe, 1917

Social Theory and Religion James A. Beckford, 2003-08-21 This book looks at ways of improving our understanding of religious change by strengthening the links between social theory and the social scientific study of religion James Beckford

reviews the current state of social scientific knowledge about religion He clarifies the social processes involved in constructing religious and non religious environments in public and private life Beckford reveals the importance of these boundaries by referring to studies of secularization religious diversity globalization religious movements and self identity

Theology and Social Theory John Milbank, 2008-04-15 This is a revised edition of John Milbank's masterpiece which sketches the outline of a specifically theological social theory The Times Higher Education Supplement wrote of the first edition that it was a tour de force of systematic theology It would be churlish not to acknowledge its provocation and brilliance Featured in The Church Times 100 Best Christian Books Brings this classic work up to date by reviewing the development of modern social thought Features a substantial new introduction by Milbank clarifying the theoretical basis for his work Challenges the notion that sociological critiques of theology are scientific Outlines a specifically theological social theory and in doing so engages with a wide range of thinkers from Plato to Deleuze Written by one of the world's most influential contemporary theologians and the author of numerous books Religion and Social Theory Bryan S. Turner, 1991

Religion, Realism and Social Theory Philip A Mellor, 2004-10-18 This book challenges those contemporary sociologists who argue that the notion of society is an outmoded basis for sociological analysis and instead revitalizes the idea that sociology is truly the study of society Mellor returns the human and religious aspects of social life to the centre of social theory Religion and Social Theory Bryan S Turner, 1991-09-06 The second edition of this major book on the social analysis of religion incorporates a substantial new introduction by Bryan S Turner Religion and Social Theory assesses the different theoretical approaches to the social function of religion Turner discusses at length the ideas of key contributors to these approaches including Engels Durkheim Weber Nietzsche Freud Parsons Marcuse Habermas and Foucault In so doing he develops a distinctive perspective on the role of religion as an institutional link between economic and human reproduction Social theories of religion are explored through a resolutely comparative and historical analysis of the Abrahamic faiths Judaism Islam and Christianity Relating c *Sociological Theory and the Question of Religion* Andrew McKinnon, Marta Trzebiatowska, 2016-04-01 Religion lies near the heart of the classical sociological tradition yet it no longer occupies the same place within the contemporary sociological enterprise This relative absence has left sociology under prepared for thinking about religion's continuing importance in new issues movements and events in the twenty first century This book seeks to address this lacunae by offering a variety of theoretical perspectives on the study of religion that bridge the gap between mainstream concerns of sociologists and the sociology of religion Following an assessment of the current state of the field the authors develop an emerging critical perspective within the sociology of religion with particular focus on the importance of historical background Re assessing the themes of aesthetics listening and different degrees of spiritual self discipline the authors draw on ethnographic studies of religious involvement in Norway and the UK They highlight the importance of power in the sociology of religion with help from Pierre Bourdieu Marx and Critical Discourse Analysis This

book points to emerging currents in the field and offers a productive and lively way forward not just for sociological theory of religion but for the sociology of religion more generally

Readings in the Sociology of Religion Joan Brothers, A. H. Richmond, 2016-07-02

Readings in the Sociology of Religion Religion and Economics: Normative Social Theory J.M. Dean, A. M. C. Waterman, 1999

To follow up the 1994 Economics and Religion Are They Distinct which explored how the two systems of thought could be harmonized within normative social theory a number of case studies were conducted and the reports sent as a group to a second group of authors These commentators composed interpretive essays to address whether the attempts to combine into a normative social theory the putative insights of theology with the putative scientific knowledge supplied by economics are intellectually defensible and or actually fruitful The volume contains both the case studies and the essays

Toward a Sociological Theory of Religion and Health Anthony Blasi, 2011-07-12

This book seeks to involve recognized researchers in the social scientific study of health medicine and religion which has burgeoned across the past twenty years toward more general theoretical development within the field particularly with respect to the elderly and disadvantaged

Handbook of Religion and Social Institutions Helen Rose Ebaugh, 2007-10-23

Handbook for Religion and Social Institutions is written for sociologists who study a variety of sub disciplines and are interested in recent studies and theoretical approaches that relate religious variables to their particular area of interest The handbook focuses on several major themes Social Institutions such as Politics Economics Education Health and Social Welfare Family and the Life Cycle Inequality Social Control Culture Religion as a Social Institution and in a Global Perspective This handbook will be of interest to social scientists including sociologists anthropologists political scientists and other researchers whose study brings them in contact with the study of religion and its impact on social institutions

Social Theory and Nursing Martin Lipscomb, 2016-12-08

Despite noteworthy exceptions nursing's literature largely disregards the ways in which social and sociological theory permeates guides and shapes research education and practice Likewise social theory's ability to position nursing within wider structures of healthcare and educational provision is similarly and puzzlingly downplayed The questions nurses ask and the problems they face cannot however adequately be addressed without engaging with social and sociological theory and to progress this engagement contributors to this book explore how social theories are used by and might apply to nursing and nursing practice The book draws on a wide range of perspectives philosophical theoretical empirical and political to offer a robust and wide ranging critique and analysis

Social Theory and Nursing is essential reading for nursing researchers academics and educators as well as scholars and researchers in medical sociology medicine and allied health

A Theory of Religion Rodney Stark, William Sims Bainbridge, 1996

Winner of the 1993 Distinguished Book Award Pacific Sociological Association A major work in three different areas of sociology A Theory of Religion is a model of how to build a systematic theory a leading accomplishment of the rational choice school and a comprehensive theory of religion It is a sobering as well as penetrating vision This book

deserves a great deal of attention both in the sociology of religion and in wider realms of social theory Randall Collins Journal for the Scientific Study of Religion The value of this book lies in the distance it carries sociology toward a scientific theory of religion and in the sustained rigor of its deductive application It is a must read for anyone interested in the scientific study of religion or the formal axiomatization of sociology Thomas Ryba Zygon Stark and Bainbridge have made pioneering and enduring efforts in writing this book and to a large extent they have been successful in their attempt to explain deductively why and how the phenomena of religion occur K Peter Takayama Journal of Church and State In this unique text Stark and Bainbridge begin with basic statements about human nature and employing the principles of logic and philosophy build toward increasingly complex propositions about societies and their religious institutions They provide a rigorous yet flexible sociological theory of religion as well as a general sociological model for deriving macrolevel theory from microlevel evidence Rodney Stark is a professor of sociology and of comparative religion at the University of Washington and co author of The Churching of America 1776 2005 Winners and Losers in Our Religious Economy Rutgers University Press William Sims Bainbridge is director of the sociology program at the National Science Foundation and author of Goals in Space American Values and the Future of Technology **Social Theory** John Bascom, 1895 **The Palgrave Handbook of Social Theory in Health, Illness and Medicine** F. Collyer, 2015-02-12 This wide reaching handbook offers a new perspective on the sociology of health illness and medicine by stressing the importance of social theory Examining a range of classic and contemporary female and male theorists from across the globe it explores various issues including chronic illness counselling and the rising problems of obesity
