The Sacred Cauldron Lionel Corbett, 2011 At a time when psychotherapy seems to be a purely secular pursuit with no connection to the sacred *The Sacred Cauldron* makes the startling claim that for both participants psychotherapeutic work is actually a spiritual discipline in its own right The psyche manifests the sacred and provides the transpersonal field within which the work of therapy is carried out This book demonstrates some of the ways in which a spiritual sensibility can inform the technical aspects of psychotherapy *The Sacred Cauldron* is truly a book to be read by both therapists and non therapists for it offers a thoughtful intelligent sensitive passage through the spiritual quarrels and complexities of our time and addresses our common summons which is to treat the life of the spirit with the respect the gravity and the centrality it deserves This book is instructive to all for Corbett not only marshals a wealth of scholarship and clinical experience but also expresses challenging insights through a calm reasonable and commonsense appeal After this book the reader will be more thoughtful more considered more sophisticated more appreciative of the importance of therapy as a vehicle for healing and for engaging the numinous

For Freedom Or Bondage? Esther Acolatse,2014-03-15 In Ghana today many people who suffer from a variety of human ills wander from one pastor to another in search of a spiritual cure Because of the way cultural beliefs about the spiritual world have interwoven with their Christian faith many Ghanaian Christians live in bondage to their fears of evil spiritual powers seeing Jesus as a superior power to use against these malevolent spiritual forces In *For Freedom or Bondage* Esther Acolatse argues that Christian pastoral practices in many African churches include too much influence from African traditional religions She examines Ghana Independent Charismatic churches as a case study offering theological and psychological analysis of current pastoral care practices through the lenses of Barth and Jung Facilitating a three strand conversation between African traditional religion Barthian theology and Jungian analytical psychology Acolatse interrogates problematic cultural narratives and offers a more nuanced approach to pastoral care
