Religion In China

Adam Yuet Chau

Religion In China:

Religions of China Daniel E. Overmyer, 1998-03-10 The guiding themes of Chinese religion as it is actually lived This short work explains basic ideas and practices of Chinese religions in direct and simple language with many examples and analogies for increased understanding Its basic assumption is that religion is best understood as an aspect of everyday life as something that makes sense to those who practice it even if outsiders might be puzzled at first While Overmyer's treatment focuses on traditional China before the twentieth century many of the beliefs and practices described are still alive at least in some Chinese communities While the basic concern of this book is first to understand Chinese religions in their own right it takes the additional step of exploring what modern students might learn from them *Handbook on Religion in China* Stephan Feuchtwang, 2020-02-28 Informative and eye opening the Handbook on Religion in China provides a uniquely broad insight into the contemporary Chinese variations of Buddhism Islam and Christianity In turn China's own religions and transmissions of rites and systems of divination have spread beyond China a progression that is explored in detail across 19 chapters written by leading experts in the field **The Religions of China** James Legge, 1880 *Religions of China* Daniel L. Overmyer, 1986 **Religion in Chinese Society** C.K. Yang, 2023-11-15 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1961 **Religion in China** Adam Yuet Chau, 2019-07-12 In recent years there has been an astonishing revival of religious practices in China Looking beyond numerical counts of religious practitioners temples and churches anthropologist Adam Yuet Chau's vivid study explores how religion is embedded in contemporary Chinese lives and society from personal devotion to community wide festivals Covering Buddhism Daoism and folk religion as well as Christianity and Islam this ethnographically rich book provides insights into the contemporary relevance of religious traditions in Chinese societies By considering the ways in which Chinese people do religion Chau reveals how religious practice plays a critical role in establishing and maintaining a wide range of relationships between people spirits and places ritual service providers and their customers the state and religious groups He argues that relationality is the key anchor of religious lifeworlds and this insight demands an entirely new way of approaching religion everywhere This lively account will appeal to those studying or curious about Chinese or East Asian religions and serves as a perfect gateway to understanding religious practices in China today **Religion in China Today** Donald E. MacInnis, 1989 **Religion in China** Bernhard Scheid, 2015 **Religion in China** K. Hughes, E. R. Hughes, 2014-06-03 First published in 1950 Beginning with ancient times this volume shows how some of the early superstitions became purified through the influence of the Confucianist philosophy how a deep strain of mysticism came from the Taoists and how thereby a worship of Heaven and Earth was evolved Besides the main streams of Confucianism and

Buddhism the introduction and development of Christianity into China is also analyzed The Historical Development of Religion in China Walter James Clennell,1917 **The Three Religions of China** William Edward Soothill,1929 This book is a facsimile reprint and may contain imperfections such as marks notations marginalia and flawed pages **Chinese Religious Life** David A. Palmer,Glenn Shive,Philip L. Wickeri,2011-09-13 Offering an introduction to religion in contemporary China the essays in this volume consider many diverse themes including religion in urban rural and ethnic minority settings and the historical sociological economic and political aspects of religion on the country as a whole

Christianity and Chinese Religions Hans Küng,Julia Ching,1989 Dr Ching presents and comments on China s religious traditions and Dr Kung offers a Christian theological response to her views Together they show the significance of traditions in China s long and varied history and address the role of Christianity in China today *Religions of China in Practice* Donald S. Lopez, Jr.,2021-08-10 This third volume of Princeton Readings in Religions demonstrates that the three religions of China Confucianism Daoism and Buddhism with a fourth folk religion sometimes added are not mutually exclusive they overlap and interact with each other in a rich variety of ways The volume also illustrates some of the many interactions between Han culture and the cultures designated by the current government as minorities Selections from minority cultures here for instance are the folktale of Ny Dan the Manchu Shamaness and a funeral chant of the Yi nationality collected by local researchers in the early 1980s Each of the forty unusual selections from ancient oracle bones to stirring accounts of mystic visions is preceded by a substantial introduction As with the other volumes most of the selections here have never been translated before Stephen Teiser provides a general introduction in which the major themes and categories of the religions of China are analyzed The book represents an attempt to move from one conception of the Chinese spirit to a picture of many spirits including a Laozi who acquires magical powers and eventually ascends to heaven in broad daylight the white robed Guanyin one of the most beloved Buddhist deities in China and the burning mouth hungry ghost The book concludes with a section on earthly conduct **Religion in China Today** Daniel L. Overmyer,2003-07-17 Table of contents *Religion and Society in T'ang and Sung China* Patricia Buckley Ebrey,Peter N. Gregory,1993-08-01 The T'ang 618 907 and Sung 960 1279 dynasties were times of great change in China The economy flourished the population doubled printing led to a great increase in the availability of books Buddhism became a fully sinicized religion penetrating deeply into ordinary life This volume represents a collaborative effort of nine scholars of Chinese religion history and thought to begin addressing the question of how changes in the religions of the Chinese people were implicated in the momentous social and cultural changes of this period **General History of Religions in China** Zhang Jian,2017-01-31 Religion and belief have played vital roles in the history of Chinese culture Written by one of China s foremost experts on the subject this major new two volume work enables people around the world cross to truly learn and understand China s fascinating history of religion and the winding path each has taken throughout Chinese history Made available for the very first time outside of China this comprehensive

book sets out chronologically the major events and historical developments of each religion and faith that has played a part in creating modern day China These include Early Primitive Religions Patriarchal Religions Taoism Chinese Folk Religions Buddhism Islam Christianity General History of Religions in China offers deep and methodical research covering the entire history of Chinese religion and belief with contributions from some of China's most distinguished professors Published as a two volume set in association with the prestigious China Social Sciences Press CSSP Essential reference material for academic institutions involved with Chinese studies religious studies history studies plus academics who seek to better understand the roots of contemporary Chinese culture

Religion in China Jan J. M. de Groot, 1912 Chinese Religion Laurence G. Thompson, 1969 **The Original Religion of China** John Ross, 2015-12-07

In the popular mind Confucianism is looked upon as the religion of China though it is in reality not a religion but a system of ethics Dr Ross treats of the early religion which prevailed in China centuries before Confucius and which forms the basis of their religious ideas It is the most ancient religion of which there is any trace The Chinese ruler Fu Hi antedating Noah and the flood by five centuries The early religion as it was developed three thousand years ago gives the first clear idea of their religious beliefs The people worshiped and offered sacrifice to the Lord of Heaven the one and Supreme God They believed in demons and spirits subject to God and trusted in the care of an intelligent just all wise benevolent and almighty providence They used no idols or images in worship there was one temple dedicated to the worship of ancestors but none dedicated to the worship of God An altar to God could be erected anywhere There were no special priests goodness was enjoined and wickedness denounced Prayer was made not for pardon but for guidance and for future favors There was a belief in future rewards and punishments and a heavenly life in the presence of God Here is no evidence of an upward evolution of religion in China but rather a subsequent decay The book is a distinct contribution to the study of comparative religion The Missionary Review of the World Vol 15 1919
