Robert L. Montgomery

Religion In Sociological Perspective:

Religion in Sociological Perspective Keith A. Roberts, David Yamane, 2020-07-15 Religion in Sociological Perspective introduces students to the systems of meaning structure and belonging that make up the complex social phenomena we know as religion. Authors Keith A. Roberts and David Yamane use an active learning approach to illustrate the central theories and methods of research in the sociology of religion and show students how to apply these analytical tools to new groups they encounter. *Religion in Sociological Perspective* Keith A. Roberts, 2004 This text is a highly sociological view of religion and as such stresses theoretical perspectives about religion. The text also focuses on the methodology that sociologists have used to study religion. Keith Roberts states that his own preferred approach is open systems theory which he says focuses equally on structure and dynamics. Other texts may lean toward the religious studies end of the market but Roberts is a true sociology text.

Religion in Sociological Perspective Bryan Ronald Wilson, 1991 **Religion in Sociological Perspective** Bryan Wilson, 1982 *Religion in Sociological Perspective* Keith A. Roberts, David Yamane, 2011-06-09 Religion in Sociological Perspective is an introduction to the sociology of religion core text designed to present and illustrate the basic theories sociologists use to understand the social dimensions of religion. First and foremost the authors seek to help students understand the perspective from which sociologists view religion. By the time students have finished this book they should understand the central theories and methods of research in the sociology of religion and they should have an idea of how to apply these analytical tools to new groups they encounter. The goal of this text is to be illustrative rather than all encompassing. The Fifth Edition continues to draw on a wide range of perspectives. The text aims to help students recognize the contributions of various theoretical perspectives and the blind spots of each theory. Conflict, functional, social constructionist, and rational choice paradigms are used throughout the text. Various middle range theories are also utilized to explore specific processes. Despite the effort to introduce many perspectives, however, we have made an effort to enhance integration of the text by using one framework throughout the book: the open systems model.

The Sociology of Religion George Lundskow, 2008-06-10 Using a lively narrative, *The Sociology of Religion* is an insightful text that investigates the facts of religion in all its great diversity, including its practices and beliefs, and then analyzes actual examples of religious developments using relevant conceptual frameworks. As a result, students actively engage in the discovery learning and analytical processes as they progress through the text. Organized around essential topics and real life issues, this unique text examines religion both as an object of sociological analysis as well as a device for seeking personal meaning in life. The book provides sociological perspectives on religion while introducing students to relevant research from interdisciplinary scholarship. Sidebar features and photographs of religious figures bring the text to life for readers.

Key Features: Uses substantive and truly contemporary real life religious issues of current interest to engage the reader in a way few other texts do. Combines theory with empirical examples drawn from the United States and around the world, emphasizing a critical and

analytical perspective that encourages better understanding of the material presented Features discussions of emergent religions consumerism and the link between religion sports and other forms of popular culture Draws upon interdisciplinary literature helping students appreciate the contributions of other disciplines while primarily developing an understanding of the sociology of religion Accompanied by High Quality Ancillaries Instructor Resources on CD contain chapter outlines summaries multiple choice questions essay questions and short answer questions as well as illustrations from the book C

Intended Audience This core text is designed for upper level undergraduate students of Sociology of Religion or Religion and Politics

Religion in Sociological Perspective Bryan R. Wilson,1982 In this book based on lectures that the author was invited to deliver in Japan Bryan Wilson traces the dominant contours of religion as perceived by the sociologist His themes range from the study of sectarianism on which he is one of the relationship between religion and culture in modern societies of the West and the East

Religion in Sociological Perspective Earl R. Babbie,1977

Religion in Sociological Perspective Keith A. Roberts,David Yamane,2015-07-18 This fully updated Sixth Edition of Religion in Sociological Perspective introduces students to the basic theories and methods in the field and shows them how to apply these analytic tools to new groups they encounter The authors explore three interdependent subsystems of religion meaning structure and belonging and their connections to the larger social structure While they cover the major theoretical paradigms of the field and employ various middle range theories to explore specific processes they use the open systems model as a single unifying framework to integrate the theories and enhance student understanding Contributor to the SAGE Teaching Innovations and Professional Development Award Find out more at www.sagepub.com/sociologyaward

Gods in the Global Village Lester R. Kurtz,2015-04-01 In a world plagued by religious conflict how can the various religious and secular traditions coexist peacefully on the planet And what role does sociology play in helping us understand the state of religious life in a globalizing world In the Fourth Edition of Gods in the Global Village author Lester Kurtz continues to address these questions This text is an engaging thought provoking examination of the relationships among the major faith traditions that inform the thinking and ethical standards of most people in the emerging global social order Thoroughly updated to reflect recent events the book discusses the role of religion in our daily lives and global politics and the ways in which religion is both an agent of and barrier to social change

Religion and Knowledge Elisabeth Arweck,2016-04-15 Religions have always been associated with particular forms of knowledge often knowledge accorded special significance and sometimes knowledge at odds with prevailing understandings of truth and authority in wider society New religious movements emerge on the basis of reformulated often controversial understandings of how the world works and where ultimate meaning can be found Governments have risen and fallen on the basis of such differences and global conflict has raged around competing claims about the origins and content of religious truth Such concerns give rise to recurrent questions faced by academics governments and the general public How do we treat statements made by religious groups and on what basis are they made

What authorities lie behind religious claims to truth How can competing claims about knowledge be resolved Are there instances when it is appropriate to police religious knowledge claims or restrict their public expression This book addresses the relationship between religion and knowledge from a sociological perspective taking both religion and knowledge as phenomena located within ever changing social contexts It builds on historical foundations but offers a distinctive focus on the changing status of religious phenomena at the turn of the twenty first century Including critical engagement with live debates about intelligent design and the new atheism this collection of essays brings recent research on religious movements into conversation with debates about socialisation reflexivity and the changing capacity of social institutions to shape human identities Contributors examine religion as an institutional context for the production of knowledge as a form of knowledge to be transmitted or conveyed and as a social field in which controversies about knowledge emerge

Religion in Sociological Perspective Seamus Huffman,2022-09-13 Theories of religion provide various explanations for the origins and functions of religion including religious existence and foundations of faith Sociology studies the philosophies practices and structural systems of religion This objective study may involve the use of both quantitative and qualitative methods Theoretical positions with respect to the sociology of religion can be categorized into symbolic anthropology functionalism and nationalism Contemporary debates in sociology focus on matters such as secularization civil religion and the connectivity of religion in the background of globalization and multiculturalism From theories to research to practical applications case studies related to all contemporary topics of relevance to sociology of religion have been included in this book While understanding the long term perspectives of the topics it makes an effort in highlighting their impact as a modern tool for the growth of the discipline This book is a vital tool for all researching or studying sociology of religion as it gives incredible insights into emerging trends and concepts

Religion in Sociological Perspective David Yamane,Keith A. Roberts,Jonas M. Hart,2025-09-16 Religion in Sociological Perspective Eighth Edition introduces the systems of meaning structure and belonging that make up the complex social phenomena we know as religion The author team uses an active learning approach to illustrate the central theories and methods of research in the sociology of religion and show students how to apply these analytical tools to new groups they encounter

Gods in the Global Village Lester R. Kurtz,2015-04-01 In a world plagued by religious conflict how can the various religious and secular traditions coexist peacefully on the planet And what role does sociology play in helping us understand the state of religious life in a globalizing world In the Fourth Edition of Gods in the Global Village author Lester Kurtz continues to address these questions This text is an engaging thought provoking examination of the relationships among the major faith traditions that inform the thinking and ethical standards of most people in the emerging global social order Thoroughly updated to reflect recent events the book discusses the role of religion in our daily lives and global politics and the ways in which religion is both an agent of and barrier to social change

The Diffusion of Religions Robert L. Montgomery,1996 Of the major world religions only three Buddhism Christianity

and Islam have diffused widely They were introduced across numerous socio cultural boundaries and were received as new religions to their converts However these diffusing religions have had varying degrees of success from wholesale reception to wholesale rejection This book presents the perspective that a major factor in the variations in the diffusions of these religions and in the religions themselves is found in the nature of the inter group relationships between receiving groups and both sending groups and surrounding groups A crucial perception of the receivers is the perceived contribution the new religion will make to the enhancement of important aspects of group identities and of the strength of the group This book takes into account diffusion an old and persistent concept in the social sciences which has been rarely applied in sociology to religions or even ideologies *Religion in Sociological Perspective; Essays in the Empirical Study of Religion. Edited by Charles Y. Glock. With Contributions by Earl R. Babbie [And Others].* ,1973 **Religion in Sociological Perspective** Earl R. Babbie,1973 Religion in Society Ronald L. Johnstone,1996 For junior senior level courses in Religion and Society in departments of Sociology and Religious Studies Using an unbiased balanced approach the 7th edition of this text continues to offer a sound analysis of religion as a social institution that is interdependent and in constant interaction with other societal units It helps students understand the role and function of religion in society that occur regardless of anyone s claims about the truth or falsity of religious systems The focus is on American religious institutions but includes many examples of the interaction of religion and society in other cultures both historic and contemporary students will encounter major discussions of Islam and other non Western religions *Gods in the Global Village* Lester Kurtz,1995-03-06 The multicultural interests of today s diverse student population are reflected in this book which treats classic issues in the sociology of religion in a variety of religious contexts and considers the global interconnections between beliefs and believers Kurtz thus helps students understand the interplay between social change and religion As provocative as it is informative this book will spark discussion and re examination of our conventional understandings of the role of religion in the postmodern and modern world

Religion In Sociological Perspective Introduction

In the digital age, access to information has become easier than ever before. The ability to download Religion In Sociological Perspective has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Religion In Sociological Perspective has opened up a world of possibilities. Downloading Religion In Sociological Perspective provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Religion In Sociological Perspective has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Religion In Sociological Perspective. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Religion In Sociological Perspective. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Religion In Sociological Perspective, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable

antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Religion In Sociological Perspective has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Religion In Sociological Perspective Books

What is a Religion In Sociological Perspective PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Religion In Sociological Perspective PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Religion In Sociological Perspective PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Religion In Sociological Perspective PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Religion In Sociological Perspective PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have

restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
