Religions And The Status Of Women Hc 199:

Women, Culture, and Community : Religion and Reform in Galveston, 1880-1920 Elizabeth Hayes Turner

Associate Professor of History University of Houston,1997-11-17 In this work Elizabeth Turner addresses a central question in post Reconstruction social history why did middle class women expand their activities from the private to the public sphere and begin in the years just before World War I an unprecedented activism Using Galveston as a case study Turner examines how a generally conservative traditional environment could produce important women s organizations for Progressive reform She concludes that the women of Galveston though slow to respond to national movements were stirred to action on behalf of their local community Local organizations particularly Episcopal and Presbyterian churches and traditional everyday social activities provided a nurturing environment for budding reformers and a foundation for activist organizations and programs such as poor relief and progressive reform Ultimately women became politicized even as they continued their roles as guardians of traditional domestic values Women Culture and Community will appeal to scholars and students of the post Reconstruction South women s history activist history and religious history

Democracy, Development and Decentralisation in India Chandan Sengupta,Stuart Corbridge,2013-10-28 Offering new insights into the political economy of contemporary India this book considers how and why unequal patterns of economic growth have taken shape within the context of a democratic and decentralising political system and how this has impacted upon the processes of economic development

Grillo,Adriaan van Klinken,Hassan Ndzovu,2019-03-28 Religions in Contemporary Africa is an accessible and comprehensive introduction to the three main religious traditions on the African continent African indigenous religions Christianity and Islam The book provides a historical overview of these important traditions and focuses on the roles they play in African societies today It includes social cultural and political case studies from across the continent on the following topical issues Witchcraft and modernity Power and politics Conflict and peace Media and popular culture Development Human rights Illness and health Gender and sexuality With suggestions for further reading discussion questions illustrations and a list of glossary terms this is the ideal textbook for students in religion African studies and adjacent fields approaching this subject area for the first time

Religion and Welfare in Europe Lina Molokotos-Liederman,2017-09-13 Using welfare as a prism Religion and Welfare in Europe explores regional conceptions and variations in welfare and religion across Europe Methodological approaches to research and practice draw thematic comparisons on these issues using case studies focused on gendered and minority perspectives as they relate to the varied provision of social welfare in selected European countries Contributors offer comparative insights on majority minority relations concerning practices patterns and mechanisms of social welfare provision explaining how these lead to conflict cohesion or as is so often the case the grey area in between The book will be of interest not only to religion and social policy researchers but to welfare practitioners and policy advisors with a particular interest in the interaction between religion

social welfare minorities and gender *Altruism in the Context of Economic Rationalistic Ideologies and Systems of Healthcare and Welfare Delivery. A Multi-Disciplinary Approach* Donald Gates, 2006-03 This work examines the two apparently contradictory concepts of Altruism and Economic Rationalism in the context of Health and Welfare Delivery It is multi disciplinary and employs a number of disciplines including Sociology Economics Theology Religion Ecclesiology History and Political Science *Muslim Women's Lived Experiences and Intersectional Identities* Puspa Melati Wan, Saiqa Anne Qureshi, Rosila Bee Mohd Hussain, 2025-02-28 This volume takes a global perspective on intersectionality embodied by Muslim women It addresses questions such as balancing multiple identities lived experiences and complex realities and the role of faith in social roles The chapters debunk the idea of Islam or gender being monoliths They layer faith over gender across the globe and consider migration as an important factor thereby exploring intersectional identities that are understudied and under evaluated The volume overall brings to life Islamic women's lives in all their richness and differences with discussions on social roles positions initiatives and occupations across regions It provides recommendations and suggestions for readers to understand the complex realities of Muslim women as well as serves as a guide for practitioners and policy makers **The Ambivalent Impact of Religion on Human Rights** Hans-Georg Ziebertz, Francesco Zaccaria, 2021-11-15 This volume presents the most recent joint study of the research group Religion and Human Rights This text is comprised of studies carried out in twelve countries and divided into three parts according to their respective three continents Almost 10 000 youths have participated and all chapters deal with the question of whether and to what extent religious or worldview convictions hinder or favor the support of human rights Studies are comparative on multiple levels because of the many religious groups and countries The studies take into account personal religious and socio cultural differences showing the ambivalent role of religion in the striving to make the world safer more democratic just and compassionate thru human rights This text appeals to students and researchers *Encyclopedia of Primary Prevention and Health Promotion* Thomas P. Gullotta, Martin Bloom, 2003-01-31 Foundational topics such as history ethics and principles of primary prevention as well as specific issues such as consultation political issues and financing The second section addresses such topics as abuse depression eating disorders HIV AIDS injuries and religion and spirituality often dividing such topics into separate entries addressing childhood adolescence and adulthood **In This Place Called Prison** Rachel Ellis, 2023-04-04 In This Place Called Prison offers a vivid and unique examination of religion within prison and argues for its key role among some of society's most vulnerable Although prison is defined by control from rules and routines to mandatory labor and monitored visits for many religion offers a way out Religion challenges what it means to be punished and affords community and connection in the face of fear and isolation Rachel Ellis spent twelve months conducting ethnographic research inside the guarded gates of Mapleside Prison a US state women's correctional facility talking with hundreds of incarcerated women staff and religious volunteers Through their stories Ellis sets the scene of mass incarceration today

detailing how contemporary prisons both reflect and worsen the systemic racial social and gender inequalities characteristic of the American landscape of profound stratification She also offers insight into how religion relates to the carceral system tracing the role of religious institutions throughout the history of prison punishment Offering a trenchant account of how religion collides and colludes with the state in an enduring tension between freedom and control In *This Place Called Prison* speaks to the human quest for dignity and light in even the darkest of places *The Okinawa Program* Bradley J. practice into the next century **Religion, Economics and Demography** Evelyn Lehrer, 2008-10-27 Using the tools of economics this book analyses how religion affects decisions and outcomes in a wide range of areas including education employment family size entry into cohabitation and formal marriage the choice of spouse and divorce In each case the relationships are rigorously quantified based on multivariate statistical analyses of large scale US data The results show for example that when people marry outside their faith there is an increase in the probability of divorce the magnitude of the adverse effect depending in part on the ecumenical exclusivist nature of the two religions Other analyses show that youth who grow up with some religion in their lives are less likely than their counterparts with little or no religious involvement to drop out of high school or enter cohabiting arrangements at a young age Overall both religious affiliation and the extent of participation in religious activities are found to have far reaching implications for economic and demographic behaviour The book contains a wealth of data illustrating how the religious and secular realms of people s lives are intimately intertwined With its economic perspective it offers new ways of thinking about these relationships and is a valuable resource for students and scholars interested in the role of religion in education work and the family **The Physician Assistant Student's Guide to the Clinical Year Seven-Volume Set** Maureen Knechtel, Maureen A.
