*Religion, Consumerism and Sustainability* L. Thomas, 2010-12-14 To varying degrees classic religions are associated with critique of materialistic values Onto this opposition of the market and the temple other binaries have been grafted so that North and the West are portrayed as secular and materialistic South and East either as tigers pursuing western style affluence and economic growth or locked into retrospective fundamentalisms These characterisations are called into question in a context of diversity and global movements of peoples and goods In this collection this complexity is addressed in an analysis of the interconnections between religious and consumption practices and cultures and the ways in which both are responding to the ecological threat posed by continuous economic growth International in scope the book combines empirical and theoretical work in its attempt to interrogate the traditional opposition of spiritual and materialistic values and to explore the interplay of religious and consuming passions in contemporary cultures This analysis leads to a consideration of the ways in which religions and secular spiritualities can contribute to a new ecological consciousness and to the adoption of less destructive and rapacious ways of life      *New Media, Politics and Society in Israel* Gideon Doron, Azi Lev-On, 2014-06-11

This book addresses the social and political landscape of Internet usage in Israel and studies the formation of a networked information society in the hi tech nation As Israel is considered a highly technologically developed country it could serve as a model to assess and compare the performance and prospects of the Internet in other countries as well Chapters address a range of issues including the diffusion of the Internet to Israel religion and the Internet in the Israeli Jewish context Internet based planned encounters between Israeli Jews and Palestinians and between Jews and Arabs in Israel online journalism and user generated content Israeli public relations online Internet usage by Israeli parliamentarians parties and candidates as well as audiences and the facilitation of personalized politics through personal sites of politicians This book was originally published as a special issue of *Israel Affairs*      *Theocratic Democracy* Nachman Ben-Yehuda, 2010-11-29 The state of Israel was established in 1948 as a Jewish democracy without a legal separation between religion and the state Ever since the tension between the two has been a central political social and moral issue in Israel resulting in a cultural conflict between secular Jews and the fundamentalist ultra orthodox Haredi community What is the nature of this cultural conflict and how is it managed In *Theocratic Democracy* Nachman Ben Yehuda examines more than fifty years of media reported unconventional and deviant behavior by members of the Haredi community Ben Yehuda finds not only that this behavior has happened increasingly often over the years but also that its most salient feature is violence a violence not random or precipitated by situational emotional rage but planned and aimed to achieve political goals Using verbal and non verbal violence in the forms

of curses intimidation threats arson stone throwing beatings mass violations and more Haredi activists try to push Israel toward a more theocratic society Driven by a theological notion that all Jews are mutually responsible and accountable to the Almighty these activists believe that the sins of the few are paid for by the many Making Israel a theocracy will they believe reduce the risk of transcendental penalties Ben Yehuda shows how the political structure that accommodates the strong theocratic and secular pressures Israel faces is effectively a theocratic democracy Characterized by chronic negotiations tensions and accommodations it is by nature an unstable structure However in his fascinating and lively account Nachman Ben Yehuda demonstrates how it allows citizens with different worldviews to live under one umbrella of a nation state without tearing the social fabric apart
