FOREWORD BY JEREMY CATTO

Religious Life Of Richard Iii Piety And Prayer In The North Of England

Prof Michael Hicks

Religious Life Of Richard Iii Piety And Prayer In The North Of England:

The Religious Life of Richard III Jonathan Hughes, 1997 In this controversial new study Hughes argues that although Richard was indeed guilty of or implicated in most if not all of the crimes of which he has been accused this ruthless inscrutable man was also very religious an austere practitioner of a chivalric code of ethics a public benefactor and protector of the Church a founder of charities one who in his public pronouncements upheld a strict puritanical code of sexual morality in marked contrast to many of his fellow courtiers

Richard III Charles Ross, 2011-05-28 Richard III ruled England for a mere twenty six months yet few English monarchs remain as compulsively fascinating and none has been more persistently vilified In his absorbing and universally praised account Charles Ross assesses the king within the context of his violent age and explores the critical questions of the reign why and how Richard Plantagenet usurped the throne the belief that he ordered the murder of the Princes in the Tower the events leading to the battle of Bosworth in 1485 and the death of the Yorkist dynasty with Richard himself In a new foreword Professor Richard A Griffiths identifies the attributes that have made Ross's account the leading biography in the field and assesses the impact of the research published since the book first appeared in 1981 A fascinating study on a perennially fascinating topic the base against which will be measured any future research Times Higher Education Supplement

The Mythology of Richard III John Ashdown-Hill, 2015-04-15 John Ashdown Hill whose research was instrumental in the discovery of Richard III's remains explores and unravels the web of myths around Richard III

The Three Richards Nigel Saul, 2006-06-12 The three Richards who ruled England in the Middle Ages were among the most controversial and celebrated of its rulers Richard I Coeur de Lion 1189-99 was a great crusading hero Richard II 1377-99 was an authoritarian aesthete deposed by his cousin Henry IV and murdered while Richard III 1483-85 as the murderer of his nephews The Princes in the Tower was the most notorious villain in English history This highly readable joint biography shows how much the three kings had in common apart from their names All were younger sons of monarchs not expected to come to the throne all failed to leave a legitimate heir causing instability on their deaths all were cultured and pious and all died violently All have attracted accusations but also fascination In comparing them Nigel Saul tells three gripping stories and shows what it took to be a medieval king

Humphrey Newton (1466-1536) Deborah Youngs, 2008 Biography of Humphrey Newton offers a unique view of gentry life at the time The public and political lives of the fifteenth and early sixteenth century gentry have been extensively studied but comparatively little is known of their private lives and beliefs Humphrey Newton of Pownall Cheshire offers a rare and fascinating opportunity to redress the balance thanks to the fortunate survival of a commonplace book he compiled c 1498-1524 Drawing upon this unique manuscript this interdisciplinary and multi dimensional study of Newton explores his family life landed estate legal work piety and his literary skills he composed nearly twenty courtly love lyrics It charts his social advancement and the self fashioning of his gentle image while placing him in the context of current discussions of gentry culture What makes Newton

even more noteworthy is that he was among the unsung and little known stratum of English society historians have labelled the lesser gentry As such this book provides the first comprehensive biography of an early Tudor gentleman Dr DEBORAH YOUNGS is lecturer in medieval history at Swansea University

Memory, Heritage, and Preservation in 20th-Century England David Strittmatter, 2023-03-09 This book explores commemoration practices and preservation efforts in modern Britain focusing on the years from the end of the First World War until the mid 1960s The changes wrought by war led Britain to reconsider major historical episodes that made up its national narrative Part of this process was a reassessment of heritage sites because such places carry socio political meaning as do the memorials that mark them This book engages the four way intersection of commemoration preservation tourism and urban planning at some of the most notable historic locations in England The various actors in this process from the national government and regional councils to private organizations and interested individuals did nothing less than engineer British national memory The author presents case studies of six famous British places namely battlefields Hastings and Bosworth political sites Runnymede and Peterloo and world s fairgrounds the Crystal Palace and Great White City In all three genres of heritage sites one location developed through commemorations and tourism while the other anti sites simultaneously faltered as they were neither memorialized nor visited by the masses Ultimately the book concludes that the modern social and political environment resulted in the revival creation or erasure of heritage sites in the service of promoting British national identity A valuable read for British historians as well as scholars of memory public history and cultural studies the book argues that heritage emerged as a discursive arena in which British identity was renegotiated through times of transitions both into a democratic age and an era of geopolitical decline

The Brothers York Thomas Penn, 2021-06-15 Originally published in Great Britain in 1919 by Penguin Random House UK

England in the Later Middle Ages M.H. Keen, 2004-08-02 First published to wide critical acclaim in 1973 England in the Later Middle Ages has become a seminal text for students studying this diverse complex period This spirited work surveys the period from Edward I to the death of Richard III at the Battle of Bosworth which heralded in the Tudor Age The second edition of this book while maintaining the character of the original brings the study up to date Each chapter includes a discussion of the historiographical developments of the last decade and the author takes a fresh look at the changing world of the Later Middle Ages particularly the plague and the economy Also included is a rewritten introduction

Medieval and Early Modern Representations of Authority in Scotland and the British Isles Kate Buchanan, Lucinda H.S. Dean, 2016-05-20 What use is it to be given authority over men and lands if others do not know about it Furthermore what use is that authority if those who know about it do not respect it or recognise its jurisdiction And what strategies and language written and spoken visual and auditory material cultural and political did those in authority throughout the medieval and early modern era use to project and make known their power These questions have been crucial since regulations for governance entered society and are found at the core of this volume In order to address

these issues from an historical perspective this collection of essays considers representations of authority made by a cross section of society within the British Isles Arranged in thematic sections the 14 essays in the collection bridge the divide between medieval and early modern to build up understanding of the developments and continuities that can be followed across the centuries in question Whether crown or noble government or church burgh or merchant all desired power and influence but their means of representing authority were very different These essays encompass a myriad of methods demonstrating power and disseminating the image of authority including material culture art literature architecture and landscapes saintly cults speeches and propaganda martial posturing and strategic alliances music liturgy and ceremonial display Thus this interdisciplinary collection illuminates the variable forms in which authority was presented by key individuals and institutions in Scotland and the British Isles By placing these within the context of the European powers with whom they interacted this volume also underlines the unique relationships developed between the people and those who exercised authority over them

Historical Dictionary of the British Monarchy Kenneth J. Panton, 2023-10-15 The foundations of the British monarchy date from the era more than a millennium ago when Anglo Saxon Celtic and Viking peoples competed for dominance Early sovereigns exercised near absolute power but over time that authority dwindled as the changing role of women the democratization of society dynastic intermarriage financial demands religious convictions struggles for economic and political control and territorial aggrandizement combined to promote change The strengths and weaknesses of rulers such as William the Conqueror Henry VIII Elizabeth I and Mary Queen of Scots and Queen Elizabeth also contributed to the evolution of the monarchy and are documented here Historical Dictionary of the British Monarchy Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 800 cross referenced entries that cover significant events places institutions and other aspects of British culture economics politics and society This book is an excellent resource for students researchers and anyone wanting to know more about the British monarchy

Richard III (Penguin Monarchs) Rosemary Horrox, 2020-09-24 No English king has so divided opinion both during his reign and in the centuries since more than Richard III He was loathed in his own time for the never confirmed murder of his young nephews the Princes in the Tower and died fighting his own subjects on the battlefield This is the vision of Richard we have inherited from Shakespeare Equally he inspired great loyalty in his followers In this enlightening even handed study Rosemary Horrox builds a complex picture of a king who by any standard failed as a monarch He was killed after only two years on the throne without an heir and brought such a decisive end to the House of York that Henry Tudor was able to seize the throne despite his extremely tenuous claim Whether Richard was undone by his own fierce ambitions or by the legacy of a Yorkist dynasty which was already profoundly dysfunctional the end result was the same Richard III destroyed the very dynasty that he had spent his life so passionately defending

Martyrs in the Making D. Pirovsky, 2008-04-01 This book explores the late medieval English cults which evolved around political martyrs By

examining these cults the richness of political culture is revealed and insights offered into the ways in which belief worship social and civic identities and political language and practice were continuously constructed and re constructed The Rise of Alchemy in Fourteenth-Century England Jonathan Hughes, 2012-03-08 The first book to explore the importance of alchemy and its links to the occult in the period between 1320 and 1400 Alchemists didn't just try to turn metals into gold they studied planetary influences on metals and people refined plants and minerals in the search for medicines This book illustrates how this branch of thought became more popular as the practical and theoretical knowledge of alchemists spread throughout England

Richard III: Classic Histories Series Prof Michael Hicks, 2011-10-24 Richard III has been written off in history as one of England's evil kings His usurpation of the throne from his nephew Edward V and then subsequent generations of pro Tudor historians ensured his fame as the disfigured murderer portrayed by Shakespeare In the twentieth century Richard found his apologists those who saw him as more sinned against than sinning This biography by the leading expert on Richard strips away the propaganda of the centuries to rescue Richard from his critics and supporters alike providing a balanced and compelling portrait of this most infamous of kings English Spirituality Gordon Mursell, 2001-01-01 This wide ranging historical survey provides an indispensable resource for those interested in exploring teaching or studying English spirituality In two stand alone volumes it traces history from Roman times until the year 2000 The main Christian traditions and a vast range of writers and spiritual themes from Anglo Saxon poems to late modern feminist spirituality are included These volumes present the astonishing richness and variety of responses made by English Christians to the call of the divine during the past two thousand years

Historiography and Identity Jens Röhrkasten, Coralie Zermatten, 2017 The Carmelites role as one of the four great mendicant orders was not unchallenged Originating as an association of hermits on Mount Carmel the order experienced a dramatic transformation in the thirteenth century while its name was a reminder to origins which were obscure and its first form of religious life was diametrically opposed to the mendicant ministry In addition the White Friars were unable to find legitimization in a charismatic founder figure unlike the Franciscans and the Dominicans These factors led the Carmelites to create an identity finding their roots with the prophets Elijah and Elisha who appear in texts and were represented in altar pieces and other works of art The ten articles published in this volume address these underlying issues and deal with the order's historiography as well as its regional representation in different phases of its history The authors are historians and art historians some of them members of the Carmelite community who are working as academics and specialise in the comparative history of religious orders

Vita regularis Orders and interpretations of religious life in the Middle Ages Vita regularis Ordnungen und Deutungen religiösen Lebens im Mittelalter Abhandlungen Vol 68 Subject Religious Studies History *Kingship, Lordship and Sanctity in Medieval Britain* Steven Boardman, David Ditchburn, 2022 Essays reconsidering key topics in the history of late medieval Scotland and northern England The volume celebrates the career of the influential historian of late medieval Scotland and

northern England Dr Alexander Sandy Grant Its contributors engage with the profound shift in thinking about this society in the light of his scholarship and the development of the New Orthodoxy both attending to the legacy of this discourse and offering new research with which to challenge or amend our understanding of late medieval Scotland and northern England Dr Grant s famously wide and diverse historical interests are here reflected through three main foci kingship lordship and identity The volume includes significant reassessments of the reputations of two kings Alexander I of Scotland and Henry V of England an examination of Richard III s relationship to the lordship of Pontefract and a study of the development of royal pardon in late medieval Scotland Further chapters consider the social influence and legal and tenurial rights vested in aristocratic lineages regional gentry communities and the leaders of burghal corporations Finally the relationship between saints cults piety and regnal and regional identity in medieval Scotland is scrutinised in chapters on St Margaret and St Ninian

The Cultural Life of the Early Polyphonic Mass Andrew Kirkman,2010-04-22 Kirkman sheds new light on the polyphonic Mass exploring the hidden meanings within its music and its legacy today

Mary and the Art of Prayer Rachel Fulton Brown,2017-11-21 Would you like to learn to pray like a medieval Christian In *Mary and the Art of Prayer* Rachel Fulton Brown traces the history of the medieval practice of praising Mary through the complex of prayers known as the Hours of the Virgin More than just a work of comprehensive historical scholarship the book asks readers to immerse themselves in the experience of believing in and praying to Mary *Mary and the Art of Prayer* crosses the boundaries that modern scholars typically place between observation and experience between the world of provable facts and the world of imagination suggesting what it would have been like for medieval Christians to encounter Mary in prayer *Mary and the Art of Prayer* opens with a history of the devotion of the Hours or Little Office of the Virgin It then guides readers in the practice of saying this Office including its invitatory Ave Maria antiphons psalms lessons and prayers The book works on several levels at once It provides a new methodology for thinking about devotion and prayer a new appreciation of the scope of and audience for the Hours of the Virgin a new understanding of how Mary functions theologically and devotionally and a new reading of sources not previously taken into account A courageous and moving work it will transform our ideas of what scholarship is and what it can accomplish

Richard III Michael Hicks,2000 The remit of this book is to investigate whether Richard III really was a ruthless murderer or merely a victim of bad public opinion and propaganda Michael Hicks discusses Richard s reputation and uses contemporary sources to strip away the propaganda of the centuries to rescue Richard from his critics and supporters alike

Religious Life Of Richard Iii Piety And Prayer In The North Of England Introduction

In today's digital age, the availability of Religious Life Of Richard Iii Piety And Prayer In The North Of England books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Religious Life Of Richard Iii Piety And Prayer In The North Of England books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Religious Life Of Richard Iii Piety And Prayer In The North Of England books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Religious Life Of Richard Iii Piety And Prayer In The North Of England versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Religious Life Of Richard Iii Piety And Prayer In The North Of England books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Religious Life Of Richard Iii Piety And Prayer In The North Of England books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Religious Life Of Richard Iii Piety And Prayer In The North Of England books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Religious Life Of Richard Iii Piety And Prayer In The North Of England books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Religious Life Of Richard Iii Piety And Prayer In The North Of England books and manuals for download and embark on your journey of knowledge?

FAQs About Religious Life Of Richard Iii Piety And Prayer In The North Of England Books
