

# DOUBTING THOMAS?

*The Religious Life and Legacy  
of Thomas Jefferson*

MARK A. BELILES *and*  
JERRY NEWCOMBE

*Foreword by DR. GARRETT WARD SHELDON, University of Virginia*  
*Introduction by DR. PETER A. LILLBACK, Westminster Seminary*

# Religious Life Of Thomas Jefferson

**Peter Manseau**

## Religious Life Of Thomas Jefferson:

**Doubting Thomas?** Mark A. Beliles, Jerry Newcombe, 2014-10-21 A religious historian argues that historical revisionism has distorted the religious views of Thomas Jefferson making him appear far more skeptical than he was Thomas Jefferson and the founding fathers intended a strict separation of church and state right He would have been very upset to find out about a child praying in a public school or a government building used for religious purposes correct Actually the history on this has been very distorted The standard accepted story on the faith of Thomas Jefferson or the lack thereof is not accurate While he did harbor some doubts about orthodox Christianity by the end of his life he was actually quite active in supporting the church in America Meanwhile in his name today because of a misunderstanding about the separation of church and state a phrase that comes from an obscure letter he wrote religious expression is being curtailed all over the place in modern America And he would absolutely object to that as seen in his own actions and writings While Jefferson may seem to be the patron saint of the ACLU his words and actions showed that he would totally disagree with the idea of driving God out of the public square Doubting Thomas documents that In short it s time to set the record straight **The Religious Life of Thomas Jefferson** Charles B. Sanford, 1984 People familiar with Jefferson s deism Unitarianism and enthusiasm for Bible study do not seem to appreciate the importance of his religious beliefs to his political beliefs *Sworn on the Altar of God* Edwin S. Gaustad, 1996-01-03 This biography part of the acclaimed Library of Religious Biography treats the religious significance of Thomas Jefferson first by examining Jefferson s steady dedication to the cause of religious liberty and second by exploring Jefferson s private effort to reform the nature of religion Thomas Jefferson Thomas S. Kidd, 2022-05-10 A revelatory new biography of Thomas Jefferson focusing on his ethical and spiritual life Set aside everything you think you know about Thomas Jefferson and religion and read this book This is the definitive account It is well written well researched judicious and entirely convincing Timothy Larsen Wheaton College Thomas Jefferson was arguably the most brilliant and inspiring political writer in American history But the ethical realities of his personal life and political career did not live up to his soaring rhetoric Indeed three tensions defined Jefferson s moral life democracy versus slavery republican virtue versus dissolute consumption and veneration for Jesus versus skepticism about Christianity In this book Thomas S Kidd tells the story of Jefferson s ethical life through the lens of these tensions including an unapologetic focus on the issue where Jefferson s idealistic philosophy and lived reality clashed most obviously his sexual relationship with his enslaved woman Sally Hemings In doing so he offers a unique perspective on one of American history s most studied figures **The Thomas Jefferson Bible** Thomas Jefferson, 2007-09 The Thomas Jefferson Bible The Life And Morals of Jesus of Nazareth is a publication originally compiled by President Thomas Jefferson in the early 19th century In Jefferson s attempt to organize the gospels in order he created this book which we have published that allows readers to read the bible through the eyes of Thomas Jefferson **The Jefferson Bible** , 1902 The Jefferson Bible - Life And Morals Of Jesus Of Nazareth (Annotated

Edition) Thomas Jefferson, 2012 This is the extended and annotated edition including a detailed annotation about the history of the Bible The Jefferson Bible or The Life and Morals of Jesus of Nazareth as it is formally titled was a book constructed by Thomas Jefferson in the latter years of his life by cutting and pasting numerous sections from various Bibles as extractions of the doctrine of Jesus Jefferson's composition excluded sections of the New Testament containing supernatural aspects as well as perceived misinterpretations he believed had been added by the Four Evangelists but others reject this claim stating that his 1804 work was simply intended to instruct Native Americans about Jesus moral teaching while his second work was for his own personal study from wikipedia      The Jefferson Bible Thomas Jefferson, 2017-02-07 The Life and Morals of Jesus of Nazareth commonly referred to as the Jefferson Bible was a book constructed by Thomas Jefferson in the later years of his life by cutting and pasting with a razor and glue numerous sections from the New Testament as extractions of the doctrine of Jesus Jefferson's condensed composition is especially notable for its exclusion of all miracles by Jesus and most mentions of the supernatural including sections of the four gospels that contain the Resurrection and most other miracles and passages that portray Jesus as divine Jefferson wrote that Jesus did not mean to impose himself on mankind as the son of God He called the writers of the New Testament ignorant unlettered men who produced superstitions fanaticisms and fabrications He called the Apostle Paul the first corrupter of the doctrines of Jesus He dismissed the concept of the Trinity as mere Abracadabra of the mountebanks calling themselves the priests of Jesus He believed that the clergy used religion as a mere contrivance to filch wealth and power to themselves and that in every country and in every age the priest has been hostile to liberty And he wrote in a letter to John Adams that the day will come when the mystical generation of Jesus by the supreme being as his father in the womb of a virgin will be classed with the fable of the generation of Minerva in the brain of Jupiter Jefferson never referred to his work as a Bible and the full title of this 1804 version was The Philosophy of Jesus of Nazareth being Extracted from the Account of His Life and Doctrines Given by Matthew Mark Luke and John Being an Abridgement of the New Testament for the Use of the Indians Unembarrassed with Matters of Fact or Faith beyond the Level of their Comprehensions Jefferson frequently expressed discontent with this earlier version The Life and Morals of Jesus of Nazareth represents the fulfillment of his desire to produce a more carefully assembled edition      *Jefferson's Religion* Stephen J. Vicchio, 2007-04-01 Thomas Jefferson's views have led many to conclude that he was an atheist as recently as in the work of Christopher Hitchens But the third President has also been labeled a deist a Unitarian and a Christian Philosopher and theologian Stephen Vicchio takes on the challenge of analyzing Jefferson's writings in detail to see if any of these appellations is fitting The author finds that Jefferson's two volumes on the New Testament Gospels A Syllabus of an Estimate of the Merit of the Doctrines of Jesus and The Life and Morals of Jesus of Nazareth reveal a great deal concerning the theological perspective of this famous American statesman      **Religion and Political Culture in Jefferson's Virginia** Garrett Ward Sheldon, Daniel L. Dreisbach, 2008-05-30 Religion and Political Culture in Jefferson's Virginia examines the influential

statesmen and the political struggles in revolutionary Virginia that played a decisive role in developing a distinctive American approach to religious liberty and church state relations This collection of innovative essays by leading scholars profiles the Christian communities in Virginia analyzes the religious philosophical influences of Thomas Jefferson and James Madison and discusses the Virginian contributions to the American experiment in religious liberty Religion and Political Culture in Jefferson s Virginia presents a fresh perspective on religion s role in Virginian and American political culture and provides a critical reassessment of the existing scholarship in the field

*Thomas Jefferson's Religion* N. C. Hovland,2014-08-19 In the world we live in today many people question what kind of beliefs our Founding Fathers truly held Were they really Christians Were they deists Were they atheists In this book N C Hovland attempts to take the reader on a journey into history to determine what beliefs Thomas Jefferson held during his lifetime To do this Hovland reexamines many of the writings of Jefferson from various stages of his life including personal letters journal entries and some of his more famous writings Sometimes the only way to determine the truth today is to seek out and study the events of the past

**The Religious Life of Robert E. Lee** R. David Cox,2017-04-12 The first close examination of how Robert E Lee s faith shaped his life Robert E Lee was many things accomplished soldier military engineer college president family man agent of reconciliation polarizing figure He was also a person of deep Christian conviction In this biography of the famous Civil War general R David Cox shows how Lee s Christian faith shaped his crucial role in some of the most pivotal events in American history Delving into family letters and other primary sources some of them newly discovered Cox traces the lifelong development of Lee s convictions and how they influenced his decisions to stand with Virginia over against the Union and later to support reconciliation and reconstruction in the years after the Civil War Faith was central to Lee s character Cox argues so central that it directed and redirected his life especially in the aftermath of defeat

The "cut and Paste" Religious Life of Thomas Jefferson Matthew J. Rush,1994 Author discusses how much of Thomas Jefferson s writing including laws commentary book and manuscripts consisted of compiling and weaving the work of other thinkers and authors He gives many examples from Notes on the State of Virginia and the Jefferson Bible of how Jefferson took ideas from many areas and made them into coherent statements of his own political and social beliefs

*The Jefferson Bible* Peter Manseau,2025-11-04 The life and times of a uniquely American testament In his retirement Thomas Jefferson edited the New Testament with a penknife and glue removing all mention of miracles and other supernatural events Inspired by the ideals of the Enlightenment Jefferson hoped to reconcile Christian tradition with reason by presenting Jesus of Nazareth as a great moral teacher not a divine one Peter Manseau tells the story of the Jefferson Bible exploring how each new generation has reimagined the book in its own image as readers grapple with both the legacy of the man who made it and the place of religion in American life Completed in 1820 and rediscovered by chance in the late nineteenth century after being lost for decades Jefferson s cut and paste scripture has meant different things to different people Some have held it up as evidence that America is a Christian nation

founded on the lessons of the Gospels Others see it as proof of the Founders intent to root out the stubborn influence of faith Manseau explains Jefferson s personal religion and philosophy shedding light on the influences and ideas that inspired him to radically revise the Gospels He situates the creation of the Jefferson Bible within the broader search for the historical Jesus and examines the book s role in American religious disputes over the interpretation of scripture Manseau describes the intrigue surrounding the loss and rediscovery of the Jefferson Bible and traces its remarkable reception history from its first planned printing in 1904 for members of Congress to its persistent power to provoke and enlighten us today *Thomas Jefferson and the Science of Republican Government* Dustin Gish, Daniel Klinghard, 2017-04-07 This biography of Thomas Jefferson s Notes on the State of Virginia his only published book challenges conventional wisdom by demonstrating its core political thought as well as the political aspirations behind its composition publication and initial dissemination Building upon a close reading of the book s contents Jefferson s correspondence and the first comprehensive examination of both its composition and publication history the authors argue that Jefferson intended his Notes to be read by a wide audience especially in America in order to help shape constitutional debates in the critical period of the 1780s Jefferson through his determined publication and distribution of his Notes even while serving as American ambassador in Paris thus brought his own constitutional and political thought into the public sphere and at times into conflict with the writings of John Adams and James Madison stimulating a debate over the proper form of Republican constitutionalism that still reverberates in American political thought

**The Jefferson Bible the Life and Morals of Jesus** Thomas Jefferson, 2010-04 Using a razor Jefferson cut and arranged selected verses from the books of Matthew Mark Luke and John in chronological order mingling excerpts from one text to those of another in order to create a single narrative Thus he begins with Luke 2 and Luke 3 then follows with Mark 1 and Matthew 3 He provides a record of which verses he selected and of the order in which he arranged them in his Table of the Texts from the Evangelists employed in this Narrative and of the order of their arrangement The Jefferson Bible begins with an account of Jesus s birth without references to angels genealogy or prophecy Miracles references to the Trinity and the divinity of Jesus and Jesus resurrection are also absent from the Jefferson Bible 5 The work ends with the words Now in the place where he was crucified there was a garden and in the garden a new sepulchre wherein was never man yet laid There laid they Jesus And rolled a great stone to the door of the sepulchre and departed These words correspond to the ending of John 19 in the Bible

Religion, Public Life, and the American Polity Luis F. Lugo, 2003-06 Religion Public Life and the American Polity brings together ten essays exploring the continuing vitality of religion in American public life Featuring contributions by leading political scientists and legal scholars the volume locates current debates within the broader contexts of history society and constitutional theory The book opens with an investigation of the contending positions on church state relations in current American thought The next section offers fresh reappraisals of the thinking of the Founders especially the contributions of Madison and Jefferson some important challenges to conventional

wisdom including the common view of Jefferson as a strict separationist emerge from this section The essays in the third section examine the relationship between religion and the law showing that the courts decisions in First Amendment cases reveal a tendency toward incoherence and majoritarian bias In the final section the discussion extends to the more indirect and subtle ways in which religion and American liberal culture influence each other for better and for worse Taken together these essays shed a much needed light on how the state can accommodate the multiplicity of faiths held by its citizens especially as those faiths take on public expression beyond the institutional church

**Thirty-Six Short Essays on the Probing Mind of Thomas Jefferson** M. Andrew Holowchak, 2019-11-08 Thomas Jefferson wrote to his personal physician Dr Vine Utley 21 Mar 1819 that he was wont to read something inspirational whereupon to ruminate in the intervals of sleep His aim was to retire from the night with healthy thoughts to ready him for a peaceful sleep and an eventful next day Authored by one of the world's foremost authorities on the mind of Jefferson this book comprising 36 short essays on his thoughts on politics religion and morality and the arts and sciences as well as perspectives on today's Jeffersonian historiography is to be read in a similar manner These short essays light fresh and lively but erudite and provocative are to be read thus by mavens of Jefferson one or a few chapters at a time whereupon to ruminate As such they are to be savored in the manner of the Fables of Aesop or of Seneca's Epistles to his disciple Lucilius although their engaging nature means the reader may find it difficult to put the book down

*THE JEFFERSON BIBLE What Thomas Jefferson Selected as THE LIFE AND MORALS OF JESUS OF NAZARETH* Thomas Jefferson, 2012-01-10 In 1804 toward the end of his first term as president Thomas Jefferson began working on a book that he knew he could never publish It was an unconventional edit of the Bible actually the New Testament gospels and he called it simply The Philosophy of Jesus of Nazareth Jefferson believed that the words of Jesus were the most benevolent code of morals which has ever been offered to man and he wanted to study his teachings apart from the other parts of the Gospels Although he abandoned the project for over a decade he finally returned to it in 1819 He eliminated anything that he felt was unsupported by history or science including the virgin birth Jesus miracles and the resurrection He then rearranged the remaining passages chronologically and in parallel translations in English French Greek and Latin combining parts of all four Gospels into a narrative that begins in Bethlehem with Jesus birth and ends with his burial The book includes the original English text as well as a new introduction that examines Jefferson's life and complicated religious beliefs Back cover

*The Founders and the Bible* Carl J. Richard, 2016-03-25 The religious beliefs of America's founding fathers have been a popular and contentious subject for recent generations of American readers In *The Founders and the Bible* historian Carl J Richard carefully examines the framers relationship with the Bible to assess the conflicting claims of those who argue that they were Christians founding a Christian nation against those who see them as Deists or modern secularists Richard argues that it is impossible to understand the Founders without understanding the Biblically infused society that produced them They were steeped in a biblical culture that pervaded their schools homes

churches and society To show the fundamental role of religious beliefs during the Founding and early years of the republic Richard carefully reconstructs the beliefs of 30 Founders their lifelong engagements with Scripture their biblically infused political rhetoric their powerful beliefs in a divine Providence that protected them and guided the young nation their beliefs in the superiority of Christian ethics and in the necessity of religion to republican government their beliefs in spiritual equality free will and the afterlife their religious differences the influence of their biblical conception of human nature on their formulation of state and federal constitutions and their use of biblical precedent to advance religious freedom
