Preaching on Wax Lerone A Martin, 2014-11-14 The overlooked African American religious history of the phonograph industry Winner of the 2015 Frank S and Elizabeth D Brewer Prize for outstanding scholarship in church history by a first time author presented by the American Society of Church History Certificate of Merit 2015 Award for Excellence in Historical Recorded Sound Research presented by the Association for Recorded Sound Collections From 1925 to 1941 approximately one hundred African American clergymen teamed up with leading record labels such as Columbia Paramount Victor RCA to record and sell their sermons on wax While white clerics of the era such as Aimee Semple McPherson and Charles Fuller became religious entrepreneurs and celebrities through their

pioneering use of radio black clergy were largely marginalized from radio. Instead they relied on other means to get their message out, teaming up with corporate titans of the phonograph industry to package and distribute their old time gospel messages across the country. Their nationally marketed folk sermons received an enthusiastic welcome by consumers at times even outselling top billing jazz and blues artists such as Bessie Smith and Ma Rainey. These phonograph preachers significantly shaped the development of black religion during the interwar period, playing a crucial role in establishing the contemporary religious practices of commodification, broadcasting, and celebrity. Yet the fame and reach of these nationwide media ministries came at a price as phonograph preachers became subject to the principles of corporate America. In *Preaching on Wax*, Lerone A. Martin offers the first full length account of the oft overlooked religious history of the phonograph industry. He explains why a critical mass of African American ministers teamed up with the major phonograph labels of the day, how and why black consumers eagerly purchased their religious records, and how this phonograph religion significantly contributed to the shaping of modern African American Christianity. Instructor's Guide: Sid and Marty Krofft Hal Erickson, 2007-04-25. H. R. Pufnstuf, Lidsville, Sigmund and the Sea Monsters, Land of the Lost. For a generation of children growing up in the late sixties and early seventies, these were some of the most memorable shows on Saturday morning television. At a time when television cartoons had lost some of their luster, two puppeteers named Sid and Marty Krofft put together a series of shows that captivated children. Using colorful sets and mysterious lands full of characters that had boundless energy, the Kroffts created a new form of children's television rooted in the medium's earliest shows but nevertheless original in its concept. This work first provides a history of the Kroffts' pretelevision career, then offers discussions of their 11 Saturday morning shows. Complete cast and credit information is enhanced by interviews with many of the actors and actresses behind the scenes, information, print reviews of the series, and plot listings of the individual episodes. The H. R. Pufnstuf feature film, the brothers' other television work, and their short lived indoor theme park are also detailed.

Inspiration and Innovation Todd M. Kerstetter, 2015-01-20. Covering more than 200 years of history from pre-contact to the present, this textbook places religion at the center of the history of the American West, examining the relationship between religion and the region and their influence on one another. A comprehensive examination of the relationship between religion and the American West and their influence on each other over the course of more than 200 years. Discusses diverse groups of people, places, and events that played an important historical role from organized religion and easily recognized denominations to unorganized religion and cults. Provides straightforward explanations of key religious and theological terms and concepts. Weaves discussion of American Indian religion throughout the text and presents it in dialogue with other groups. Enriches our understanding of American history by examining key factors outside of traditional political, economic, social, and cultural domains. *Religions of the United States in Practice, Volume 2* Colleen McDannell, 2018-06-05. *Religions of the United States in Practice* is a rich anthology of primary sources with accompanying essays that examines religious

Broadcasting the Faith Michael E. Pohlman, 2021-02-02 Broadcasting the Faith tells the riveting story of the American church's embrace of radio in the early decades of the twentieth century By investigating major radio personalities like Walter Maier Aimee Semple McPherson Harry Emerson Fosdick and Charles Fuller this study considers the implications for theology in America when Christianity moved to the airwaves In the heyday of radio religious radio preachers sought to use their programs to counter the secularization of American culture Ultimately however their programs contributed to secularization by accelerating changes already evident in both the conservative and liberal streams of American Christianity To reach a vast American audience radio preachers transformed their sectarian messages into a religion more suitable to the masses thereby altering the very religion it aimed to preserve To make religion accessible to large and diverse audiences radio preachers accommodated their messages in ways suited to the medium of radio Although religious radio preachers set forth to advance the influence of religion in American society their choice to limit theological substance ironically promoted the secularization of the American church
