**Sisi** Allison Pataki, 2016-03-08 NEW YORK TIMES BESTSELLER A sweeping historical novel that tells the dramatic story of Sisi the empress of Austria Hungary who fought for her family her people and her empire in a changing world Irresistible completely impossible to put down Allison Pataki reimagines the reign of the nineteenth century Princess Diana in this stunning book Michelle Moran bestselling author of Rebel Queen Married to Emperor Franz Joseph Elisabeth fondly known as Sisi captures the hearts of her people as their fairy queen but beneath that dazzling persona lives a far more complex figure In mid nineteenth century Vienna the halls of the Hofburg Palace buzz not only with imperial waltzes and champagne but with temptations rivals and cutthroat intrigue Feeling stifled by strict protocols and a turbulent marriage Sisi finds solace at her estate outside Budapest where she rides her beloved horses and

enjoys visits from a man with whom she's unwittingly become enamored. But tragic news brings the empress out of her fragile seclusion, forcing her to return to her capital and a world of gossip, envy, and sorrow where a dangerous fate lurks in the shadows. Through love affairs and loss, dedication and defiance, Sisi struggles against conflicting desires to keep her family together or to flee amid the collapse of her suffocating marriage and the gathering tumult of the First World War. In an age of crumbling monarchies, the empress fights to assert her right to the throne beside her husband, to win the love of her people and the world, and to save an empire. But in the end, can she save herself? Featuring larger-than-life historic figures such as Bavaria's Mad King Ludwig and the tragic Crown Prince Rudolf, and set against many of Europe's grandest sites, from Germany's storied Neuschwanstein Castle to England's lush shires, Sisi brings to life an extraordinary woman and the romantic, volatile era over which she presided.

**Betrayer's Waltz** Jennifer Bowers Bahney, 2017-11-21 Born into one of 19th-century Europe's more powerful families, Archduchess Marie Valerie was the favorite daughter of Austria's Emperor Franz Joseph and Empress Elisabeth. Determined to marry for love in 1890, she wed her cousin Franz Salvator of Tuscany and bore him 10 children. The dashing Archduke was not faithful. His affair with Stephanie Richter, a young middle-class Jewish woman with a knack for flattering powerful men, led to an illegitimate child, a royal title of her own, and a career as a double agent in the prelude to World War II. Princess Stephanie von Hohenlohe became vital to Adolf Hitler, betraying the German Jews, the British government, and her home country of Austria until Hitler betrayed her, leaving her without allies or protectors.

**Mortal Secrets** Frank Tallis, 2024-03-26 A chronicle of Vienna's Golden Age and the influence of Sigmund Freud on the modern world by a clinical psychologist whose mystery novels form the basis of PBS's Vienna Blood series. Some cities are like stars. When the conditions are right, they ignite and burn with such fierce intensity that they outshine every other city on the planet. Vienna was one such city, and at the beginning of the twentieth century was the birthplace of the modern mind and the way we live today. Long coffee menus and celebrity interviews are Viennese inventions. Modern buildings were appearing in Vienna long before they started appearing in New York, and the idea of practical modern home design originated in the work of Viennese architect Adolf Loos. The place, however, where one finds the most indelible and profound impression of Viennese influence is inside your head. How we think about ourselves has been largely determined by Vienna's most celebrated resident, Sigmund Freud. In *Mortal Secrets*, Frank Tallis brilliantly illuminates Sigmund Freud and his times, taking readers into the mind of one of the most influential thinkers of the twentieth century, chronicling the evolution of psychoanalysis and opening up Freud's life to embrace the Vienna he lived in and the lives of the people he mingled with, from Gustav Klimt to Arnold Schoenberg, Egon Schiele to Gustav Mahler. *Mortal Secrets* is a thrilling book about a heady time in one of the world's most beautiful cities and its long shadow that extends through the twentieth century up until the present day.

[Austria 1867-1955](#) John W. Boyer, 2022-09-15 *Austria 1867-1955* connects the political history of German-speaking provinces of the Habsburg Empire before 1914, Vienna, and the Alpine Lands with the history of the Austrian

Republic that emerged in 1918 John W Boyer presents the case of modern Austria as a fascinating example of democratic nation building The construction of an Austrian political nation began in 1867 under Habsburg Imperial auspices with the German speaking bourgeois Liberals defining the concept of a political people Volk and giving that Volk a constitution and a liberal legal and parliamentary order to protect their rights against the Crown The decades that followed saw the administrative and judicial institutions of the Liberal state solidified but in the 1880s and 1890s the membership of the Volk exploded to include new social and economic strata from the lower bourgeoisie and the working classes Ethnic identity was not the final structuring principle of everyday politics as it was in the Czech lands Rather social class occupational culture and religion became more prominent variables in the sortition of civic interests exemplified by the emergence of two great ideological parties Christian Socialism and Social Democracy in Vienna in the 1890s The war crisis of 1914 1918 exploded the Empire with the Crown self destructing in the face of military defeat chronic domestic unrest and bitter national partisanship But this crisis also accelerated the emergence of new structures of democratic self governance in the German speaking Austrian lands enshrined in the republican Constitution of 1920 Initial attempts to make this new project of democratic nation building work failed in the 1920s and 1930s culminating in the catastrophe of the 1938 Nazi occupation After 1945 the surviving legatees of the Revolution of 1918 reassembled under the four power Allied occupation which fashioned a shared political culture which proved sufficiently flexible to accommodate intense partisanship resulting by the 1970s in a successful republican system organized under the aegis of elite democratic and corporatist negotiating structures in which the Catholics and Socialists learned to embrace the skills of collective but shared self governance

*Assassins against the Old Order* Nunzio Pernicone, Fraser Ottanelli, 2018-08-14 The image of the anarchist assassin haunted the corridors of power and the popular imagination in the late nineteenth century Fear spawned a gross but persistent stereotype a swarthy Italian armed with a bloody knife or revolver and bred to

violence by a combination of radical politics madness innate criminality and poor genes That Italian anarchists targeted and even killed high profile figures added to their exaggerated demonic image Nunzio Pernicone and Fraser M Ottanelli dig into the transnational experiences and the historical social cultural and political conditions behind the phenomenon of anarchist violence in Italy Looking at political assassinations in the 1890s they illuminate the public effort to equate anarchy's goals with violent overthrow Throughout Pernicone and Ottanelli combine a cutting edge synthesis of the intellectual origins milieu and nature of Italian anarchist violence with vivid portraits of its major players and their still misunderstood movement A bold challenge to conventional thinking Assassins against the Old Order demolishes a century of myths surrounding anarchist violence and its practitioners *The Last Waltz* John Suchet, 2016-05-10 Originally published London Elliott and Thompson Limited 2015 Passage works Patricia Allmer, John Sears, 2025-02-25 Passage Works is the first book length English language critical analysis of the transdisciplinary work of the Austrian film maker writer and artist Ruth Beckermann b 1952 Vienna Beckermann's works interrogate identity and geography as formations of the intersections between the past and the contemporary Taking as her central topics Austria and its history and politics her own identity as a Jewish woman and the contemporary global geopolitics of migration and displacement Beckermann develops wider meditations in film art and writing on the persistence of European memory and the meanings of Europe itself on borders migrations and identities on memories traumas and traditions on the image as marker of presence and absence repository of the traces of historical violence and on the passage as metaphor for a range of physical psychological and ideological movements defining the complexities of contemporary cosmopolitan identities **Sissi's World** Maura E. Hametz, Heidi Schlipphacke, 2018-07-12 Sissi's World offers a transdisciplinary approach to the study of the Habsburg Empress Elisabeth of Austria It investigates the myths legends and representations across literature art film and other media of one of the most popular revered and misunderstood female figures in European cultural history Sissi's World explores the cultural foundations for the endurance of the Sissi legends and the continuing fascination with the beautiful empress a Bavarian duchess born in 1837 the longest serving Austrian empress and the queen of Hungary who died in 1898 at the hands of a crazed anarchist Despite the continuing fascination with the beloved Sissi the Habsburg empress her impact and legacy have received scant attention from scholars This collection will go beyond the popular biographical accounts recountings of her mythic beauty and scattered studies of her well known eccentricities to offer transdisciplinary cultural perspectives across art film fashion history literature and media **The Limits of Loyalty** Laurence Cole, Daniel Unowsky, 2007-11-01 The overwhelming majority of historical work on the late Habsburg Monarchy has focused primarily on national movements and ethnic conflicts with the result that too little attention has been devoted to the state and ruling dynasty This volume is the first of its kind to concentrate on attempts by the imperial government to generate a dynastic oriented state patriotism in the multinational Habsburg Monarchy It examines those forces in state and society which tended toward the promotion of state unity and

loyalty towards the ruling house These essays all original contributions and written by an international group of historians provide a critical examination of the phenomenon of dynastic patriotism and offer a richly nuanced treatment of the multinational empire in its final phase

**Women, Horse Sports and Liberation** Erica Munkwitz, 2021-07-13 Shortlisted for the 2022 Lord Aberdare Literary Prize This book is the first full length scholarly examination of British women s involvement in equestrianism from the eighteenth through the twentieth centuries as well as the corresponding transformations of gender class sport and national identity in Britain and its Empire It argues that women s participation in horse sports transcended limitations of class and gender in Britain and highlights the democratic ethos that allowed anyone skilled enough to ride and hunt from chimney sweep to courtesan Furthermore women s involvement in equestrianism reshaped ideals of race and reinforced imperial ideology at the zenith of the British Empire Here British women abandoned the sidesaddle which they had been riding in for almost half a millennium to ride astride like men thus gaining complete equality on horseback Yet female equestrians did not seek further emancipation in the form of political rights This paradox of achieving equality through sport but not through politics shows how liberating sport was for women into the twentieth century It brings into question what emancipation meant in practice to women in Britain from the eighteenth through twentieth centuries This is fascinating reading for scholars of sports history women s history British history and imperial history as well as those interested in the broader social gendered and political histories of the nineteenth and twentieth centuries and for all equestrian enthusiasts
