past and claim her for his own Unmasked Kendra Merritt, Her truth could start a war or set her heart free The world has always been a bit baffling to Lysandra with its unspoken rules and unnecessary metaphors Even magic doesn't work the same way for her as it does for the council of mages Luckily Lys has always had Issy the princess of their island nation who has shielded Lys from the world that doesn't quite understand her But as a princess Issy has new duties while Lys wants nothing more than to live quietly protecting the islands from the storms that ravage them But to do that Lys will have to go to the mages and explain the impossible way she does magic Lys can't imagine anything worse She'd even rather live Issy's life for a few days So begins the scheme that will give them both what they want The girls trade places and Issy goes to plead with the mages while Lys pretends to be royalty But as soon as Issy leaves Lys learns there's a visiting prince and a king vying for the princess's hand Now she's stuck hiding who she is with a king who is determined to start a war and a prince who is determined to see Lys as her true self Keeping her secret might be the most important thing she's ever done when the truth could break the fragile peace of the islands Not to mention her heart **The One Who Stole My Heart** Lysandra Vexley, In a world where love seems impossible she appears a girl whose presence is as enchanting as it is unexpected He watches from afar captivated by her every move What begins as a fleeting glance turns into a burning curiosity and soon his world revolves around the one who unknowingly steals his heart But love isn't always easy especially when destiny plays tricks Will they cross paths or will the forces of fate tear them apart before they can truly connect This is a story about discovering love in the most unlikely places and learning that sometimes the heart knows what the mind doesn't
