Remembering the Dead Sentus Francis Dikwe, 2020-01-07 Remembering the dead is a topic which connects various cultures and traditions The reception of the African tradition of ancestorship is a theological enrichment in the ecumenical discussions all over the world In our time the exchange of gifts plays a great role in promoting unity of the Churches Especially the concepts of African theology with the incomparable special position of Jesus Christ as proto ancestor are

important for the interconfessional dialogues The veneration of the ancestors in Africa can be a help to begin ecumenical discussions in this regional context on the question of the veneration of the saints According to African tradition the ancestors also have influence on the process of purification Therefore the veneration of the ancestors contributes to providing answers to the ecumenical controversies about the understanding of the eschatological purification

Sentus Francis Dikwe SDS born in 1980 in Morogoro Tanzania ordained priest of the Salvatorian Congregation He attained doctorate in theology 2020 in Munster Germany

Remember Heaven: Meditations on the World to Come for Life in the Meantime Matthew McCullough, 2025-04-25 How the Hope of Heaven Shapes Our Lives as Christians in the Meantime What we expect from our future has tremendous power over our experience in the meantime that's why the Bible places the hope of heaven at the center of the Christian life But even if we affirm the reality of our heavenly future we often struggle to long for heaven much less to connect the promises of the world to come to the concrete details of life in this world as it is If and when we think about heaven at all it's easy to think of it like an insurance policy that will be there when we need it But the Bible defines our future hope as an inheritance a trust fund that is certain inexhaustible and freely accessible here and now In this book Matthew McCullough offers a series of meditations that model how to draw on the hope of heaven for everyday life in the meantime Chapters connect specific struggles of life in this world from dissatisfaction and inadequacy to anxiety grief indwelling sin and more to specific promises of the world to come Drawing on insights from Christian writers of the past McCullough shows how the Bible uses the hope of heaven to help us now Offers Hope Helps readers deal with feelings of loneliness inadequacy grief and dissatisfaction to curate a healthy life perspective around God's promises Biblical and Practical Engaging meditations offer Christians applicable advice for living joyfully in light of the inheritance that awaits them in heaven From the Gospel Coalition This accessible book makes a great gift for students pastors and Christians of every age
