the spectator Why do we like to be scared A final theoretical chapter offers a dynamic definition of the suspense thriller derived in part from Edgar Allan Poe and based primarily on content analysis The second section of the book is more of an historical survey and devotes one chapter to each of the suspense thriller s primary sub genres These chapters provide close readings of more than 150 major films and detailed analysis of the suspense thriller s conventions themes and recurrent iconography Sub genres include The Postman Always Rings Twice Body Heat The Manchurian Candidate The China Syndrome Missing The Passenger Spellbound Obsession Marathon Man and Blue Velvet A final chapter explores areas for further research and offers concluding insights
