## Reminiscences And Reflections:

Reminiscences and Reflections John McLeod Campbell, 1873      Reminiscences and Reflections, Referring to His Early Ministry in the Parish of Row, 1825-31. By the Late J. M. Campbell, D.D. Edited, with an Introductory Narrative, by His Son Donald Campbell John MacLeod CAMPBELL (Minister of Blackfriars Street Chapel, Glasgow.), 1873      Reminiscences and reflections Alfred A. Knopf, 1965      **Being Lucky** Herman B Wells, 2012-04-25 The autobiography of the legendary Indiana University president as he originally intended Painstakingly restored from original archival materials and featuring over a dozen fascinating vignettes and talks that were cut from the original edition Being Lucky Reminiscences and Reflections The Complete Edition is a must read for Hoosiers everywhere In this absorbing autobiography Herman B Wells recalls his small town childhood the strong influence of his parents and his pioneering work with Indiana banks during the Great Depression His first contact with Indiana University was as an undergraduate in 1921 when the still provincial school had fewer than three thousand students At the end of his twenty five year tenure as president in 1962 IU had gained an international reputation and a student body that would soon exceed 30 000 Wells reflections on his years as university president are both lighthearted and illuminating They describe in candied detail how he approached the job his observations on effective administration his thoughts on academic freedom and tenure his approach to student and alumni relations and his views on the role of the university as a cultural center Also included are his fifty maxims for young college presidents Finally Wells discusses the national and international service that helped shape his presidency and the university Being Lucky is a nourishing brew of the memories advice wit and wisdom of a remarkable man Much more than the title might suggest this is a heart warming account of a young boy and his parents determined that a son should have a college education a classic and detailed account of his widening involvement with every aspect of higher education and a stirring story of a wise administrator Wells s life is an astonishing success story He was not just lucky he was careful and courageous Journal of Higher Education Being Lucky is as entertaining as it is informative Wells biographer James H Capshaw called it a manual of higher education management Reading Wells fascinating autobiography shows why it is no wonder that Indiana University is so proud of the great man and honors his accomplishments Louisville Courier Journal An honest report by a most successful educator and a tribute to a great university and to a man with foresight who also had the courage to act on his convictions The Fort Wayne Journal Gazette Wells s humor wit and humanity pervade every chapter Indiana Magazine of History
