Reminiscences of the Civil War John Brown

Gordon, 2017-05-20 John Gordon 1832 1904 was one of the Confederacy's most capable generals. A native of Georgia, he went on to serve as governor of the state after the war. His memoirs are one of the most famous accounts of the Civil War and an example of the Lost Cause view of the war.

Reminiscences of the Civil War (Classic Reprint) John Brown

Gordon, 2018-03-02 Excerpt from *Reminiscences of the Civil War*: The mountaineers did me the honor to elect me their captain. It was the first Office I had ever held and I verily believed it would be the last for I expected to fight with these men till the war ended or until I should be killed. Our first decision was to mount and go as cavalry. We had not then learned as we did later the full meaning of that war song: If you want to have a good time, join the cavalry, but like most Southerners we were inured to horseback and all preferred that great arm of the service. This company of mounted men was organized as soon as a conflict seemed probable and prior to any call for volunteers. They were doomed to a disappointment. No cavalry now needed was the laconic and stunning reply to the offer of our services. What was to be done was the perplexing question. The proposition to wait until mounted men were needed was promptly negatived by the suggestion that we were so far from any point where a battle was likely to occur and so hidden from view by the surrounding mountains that we might be forgotten and the war might end before we had a chance. Reminiscences of the Civil War, 1861-1865 Preston Lafayette Ledford, 2022-08-21 In *Reminiscences of the Civil War 1861-1865*, Preston Lafayette Ledford offers a poignant and introspective narrative that captures the raw emotional landscape of personal experience during one of America's most tumultuous periods. Written in a reflective and accessible style, Ledford's memoir delves into the complexities of war, capturing not only the harrowing realities of battle but also the profound bonds formed among soldiers. The book stands as a testament to the literary tradition of Civil War memoirs, positioning itself within the context of contemporaneous works by figures such as Walt Whitman and Ambrose Bierce, yet remaining distinctively personal in its approach. Preston Lafayette Ledford, a Civil War veteran himself, draws upon his own experiences as both a soldier and a witness to history. His unique perspective provides readers with an intimate understanding of the emotional and psychological challenges faced by individuals torn from their homes and thrust into conflict. Ledford's commitment to preserving the authenticity of his memories mirrors the broader cultural movements of the late 19th century, where personal

narratives were essential to comprehending the national trauma I highly recommend *Reminiscences of the Civil War* to readers interested in first person accounts of the Civil War as it presents a nuanced portrayal of conflict camaraderie and loss Ledford's engaging prose not only enlightens the modern reader about the era but also imparts timeless lessons about humanity amidst strife making this book a valuable addition to any historical literature collection

Military Reminiscences of the Civil War (Complete) Jacob Dolson Cox, 1900-01-01 **Reminiscences of the Civil War and Reconstruction** Mrs. John A. Logan, 1970 This is an abridged edition of Mrs Logan's classic *Reminiscences of a Soldier's Wife* What the author called there the grateful features of her experience the political cauldron of Washington the cruel choices imposed by the Civil War the hard fought election campaigns the social seasons of the nation's capital as well as the inception of the woman's suffrage movement have now become vital parts of Americana In rearranging the materials in this volume Mr Adams gives new emphasis to those portions that are of the greatest historical interest He summarizes the recollections of the years 1838 to 1859 in a Prelude and those of 1877 to 1923 in a Postlude Thus the actual reminiscences included in this book set into dramatic focus the crisis of the Civil War the intensified partisan feelings of Reconstruction and the new order of the Grant era

Reminiscences of the Civil War John Brown Gordon, 1985 For many years I have been urged to place on record my reminiscences of the war between the States In undertaking the task now it is not my purpose to attempt a comprehensive description of that great struggle nor an elaborate analysis of the momentous interests and issues involved The time may not have arrived for a full and fair history of that most interesting period in the Republic's life The

man capable of writing it with entire justice to both sides is perhaps yet unborn He may appear however at a future day fully equipped for the great work If endowed with the requisite breadth and clearness of view with inflexible mental integrity and absolute freedom from all bias he will produce the most instructive and thrilling record in the world s deathless annals and cannot fail to make a contribution of measureless value to the American people and to the cause of free government throughout the world I have also recorded in this volume a large number of those characteristic and thrilling incidents which illustrate a unique and hitherto unwritten phase of the war the story of which should not be lost because it is luminous with the noblest lessons Many of these incidents came under my own observation

Introduction *Under the Guns: A Woman's Reminiscences of the Civil War* Annie Wittenmyer, In preparing this little volume for publication no attempt whatever has been made to record as facts of history the military movements of the army during our recent Civil War The great captains who led the Union forces through the terrible conflict from Fort Sumter to Appomattox have already covered to a large extent the military history of the war My purpose has been simply to bring out in connection with these great military events with which they were so intimately connected a few of the many incidents and heart histories that were crowded into my own life from April 20 1861 to Nov 23 1865 The stories and reminiscences in this book are true to life every one of them They are told just as they occurred without any attempt at literary embellishment and most of them can be substantiated by living witnesses Camps and hospitals were established near my own home in Keokuk Iowa early in April 1861 I began at once my ministrations to the sick in these newly established hospitals and during my daily visits closed the eyes of the first Iowa soldier who died in the war From that time on till the close of the war I was actively engaged all along the lines I was loyally and generously sustained by the women of Iowa was elected by the Iowa Legislature sanitary agent of the State was commissioned by Iowa s grand old war governor Samuel J Kirkwood was furnished by Secretary Stanton with a pass to all parts of the field and government transportation for myself and supplies This official order of Mr Stanton s was supplemented by the following charge It is especially enjoined upon all officers to furnish this lady every facility in carrying out her generous purposes it being shown that she is worthy of great respect I had also the co operation of the Sanitary and Christian Commissions and the chief medical officers and government officials so that I had unusual facilities for doing good I was greatly indebted to General and Mrs Grant for sympathy and aid When Mrs Grant was at her husband s headquarters the place was a haven of rest for me and a welcome always awaited me Indeed Mrs Grant would have joined me in the work but her husband was afraid her strength and sympathies would be overtaxed During these brief visits I learned to appreciate the unselfishness and noble qualities of General Grant and the strength and purity of his character and the loveliness and sterling worth of Mrs Grant and her wifely devotion I was also under great obligations to General John A Logan who was ever ready to aid me When it was almost impossible to get from Bridgeport to Chattanooga he sent me up in a little steamer which he loaded with my supplies Later I met Mr Orson the president of the United Telegraph Association and General Logan

introduced me with such kindly appreciative words that without a hint from either of us he filled out an order allowing me to telegraph free to the end of the war I still have that little order in my possession It is due our brave soldiers that I should say that I felt as safe in their midst as I would have done in my own home even though at times I was the only woman in the midst of an army of twenty thousand fighting men as was the case at Milliken s Bend after the repulse of General Sherman at Haines Bluff Not one impertinent or rude word was ever spoken to me in all those years No purer or grander army ever marched to the music of fife and drum than the army that stood for the defence of our flag and the unity of our government from 1861 to 1865 A woman could walk in their midst in white and a little child would have been as safe as in its mother s arms As I was all along the lines from Vicksburg to Petersburg and was on some of the bloodiest battle fields and as I followed Sherman s army along the fiery lines from Chattanooga to Atlanta I necessarily had to pass through many perils and witness many exciting scenes A few of these stories I have now thought best to publish **Army Life** Theodore Gerrish,1882
