The Idea of Social Structure Lewis A. Coser,2017-07-12 Written and compiled by friends and former students The Idea of Social Structure honors Robert K Merton considered one of the premier sociologists of the twentieth century Along with Talcott Parsons and Marion J Levy Merton was emphatic in his use of the term social structure however different they were in defining and refining the term The chapters in this volume address many of Merton s diverse sociological theories and in turn his theories impact upon a very large sociological territory The volume includes major statements on the context of working with Merton by Lewis A Coser Paul F Lazarsfeld Robert A Nisbet and Seymour Martin

Lipset as well as memorable statements covering Merton's interests in the sociology of knowledge and science planning communities medical education relative deprivation everyday life political roles and communication media This is a powerful sourcebook for understanding the work of Merton and of his intellectual successors Nisbet called the decade of the 1930s among the most vital and creative periods in American history It was certainly a period of intense struggle political military and ideological But the formation of modern sociology was without question one of the crowning achievements in the scientific evolution of the century The volume is sharply focused on Merton's work and deeply appreciative of the nature of his contribution It is a landmark effort in the study of sociology as history Men and Ideas, 1959 Men and Ideas Johan Huizinga (Kulturhistoriker, Niederlande), 1959 Men and Ideas J. Huizinga, 1970 **Idea Man** Paul Allen, 2012-10-30 By his early thirties Paul Allen was a world famous billionaire and that was just the beginning In 2007 and 2008 Time named Paul Allen the cofounder of Microsoft one of the hundred most influential people in the world Since he made his fortune his impact has been felt in science technology business medicine sports music and philanthropy His passion curiosity and intellectual rigor combined with the resources to launch and support new initiatives have literally changed the world In 2009 Allen discovered that he had lymphoma lending urgency to his desire to share his story for the first time In this classic memoir Allen explains how he solved problems what he learned from his many endeavors both the triumphs and the failures and his compelling vision for the future He reflects candidly on an extraordinary life The book also features previously untold stories about everything from the true origins of Microsoft to Allen's role in the dawn of private space travel with SpaceShipOne and in discoveries at the frontiers of brain science With honesty humor and insight Allen tells the story of a life of ideas made real **The Historical Present** Walter Kudrycz, 2011-03-17 The changing understandings of the Middle Ages from the Age of Reason to the present and how these relate to wider historiographical and philosophical developments Men and Ideas Johan Huizinga, 1959 A History of Western Educational Ideas Professor Peter Gordon, Professor Denis Lawton, 2019-11-26 It is important that all those concerned with education parents teachers administrators and policymakers should have a reasonable understanding of the present system and how it has developed sometimes over a period of many years This work traces the development of Western educational ideas from the Greek society of Socrates Plato and Aristotle to the ideas and ideologies behind some of the controversial issues in education today This book discusses the continuous development of educational thought over three millennia The focus upon the history of ideas in this volume is partly an attempt to move history of education away from an approach based on great men to technological economic and political influences on ideas and beliefs It reviews many issues ranging from the purposes of education from the earliest times to the challenge of postmodernism in the present century The authors provide an accessible and thought provoking guide to the educational ideas that underlie practice **Beyond Genius** Eric Elfmar, Scott Griffiths, 2012-12-29 What do Richard Branson Quincy Jones Yvon Chouinard David E Stewart Elon Musk Frank Nuovo John Paul DeJoria and Steve Jobs have in common

A History of Six Ideas W. Tatarkiewicz,2012-12-06 The history of aesthetics like the histories of other sciences may be treated in a two fold manner as the history of the men who created the field of study or as the history of the questions that have been raised and resolved in the course of its pursuit The earlier History of Aesthetics 3 volumes 1960 68 English language edition 1970 74 by the author of the present book was a history of men of writers and artists who in centuries past have spoken up concerning beauty and art form and creativity The present book returns to the same subject but treats it in a different way as the history of aesthetic questions concepts theories The matter of the two books the previous and the present is in part the same but only in part for the earlier book ended with the 17th century while the present one brings the

subject up to our own times And from the 18th century to the 20th much happened in aesthetics it was only in that period that aesthetics achieved recognition as a separate science received a name of its own and produced theories that early scholars and artists had never dreamed of
