chilly patrician under secretary of state later ruined by his sexual misdemeanors who was dispatched by FDR on a tour of European capitals in the spring of 1940 In summer of that year after the fall of France William Wild Bill Donovan war hero and future spymaster visited a lonely United Kingdom at the president's behest to determine whether she could hold out against the Nazis Donovan's report helped convince FDR that Britain was worth backing After he won an unprecedented third term in November 1940 Roosevelt threw a lifeline to the United Kingdom in the form of Lend Lease and dispatched three men to help secure it Harry Hopkins the frail social worker and presidential confidant was sent to explain Lend Lease to Winston Churchill Averell Harriman a handsome ambitious railroad heir served as FDR's man in London expediting Lend Lease aid and romancing Churchill's daughter in law Roosevelt even put to work his rumpled charismatic opponent in the 1940 presidential election Wendell Willkie whose visit lifted British morale and won wary Americans over to the cause Finally in the aftermath of Germany's invasion of the Soviet Union Hopkins returned to London to confer with Churchill and traveled to Moscow to meet with Joseph Stalin This final mission gave Roosevelt the confidence to bet on the Soviet Union The envoys' missions took them into the middle of the war and exposed them to the leading figures of the age Taken together they plot the arc of America's transformation from a divided and hesitant middle power into the global leader At the center of everything of course was FDR himself who moved his envoys around the globe with skill and *lan* We often think of Harry S Truman George Marshall Dean Acheson and George F Kennan as the authors of America's global primacy in the second half of the twentieth century But all their achievements were enabled by the earlier work of Roosevelt and his representatives who took the United States into the war and by defeating domestic isolationists and foreign enemies into the world In these two years America turned FDR and his envoys were responsible for the turn Drawing on vast archival research *Rendezvous with Destiny* is narrative history at its most delightful stirring and important
