Romans: Lessons in Renewing Your Mind Eric Elder, 2012-06-14 God has used the book of Romans to change many lives since it was written almost 2 000 years ago including Saint Augustine's back in the 4th century Martin Luther's in the 16th John Wesley's in the 18th and mine in the 20th So I've written this study guide to help you reap the benefits from this life changing book too Each lesson in this study focuses on a different aspect of renewing your mind based on different passages from the book of Romans Some days you'll read just a verse or two while other days you'll read whole chapters But if you'll keep reading through the suggested passages each day by the end of this study you'll have read through the entire book of Romans At the end of each chapter I've included some Questions for Reflection that you can use for personal reflection or group discussion The study is divided into 40 lessons counting the Introduction and Conclusion so you can complete the study by doing one lesson a day for 40 days or five lessons a week for eight weeks or a lesson a week for 40 weeks whichever suits you or your group best At the end of this book I've included four additional devotionals that I wrote plus one that my wife Lana wrote after Lana's diagnosis with Stage 4 cancer which took place midway through writing this series I've included these special messages to highlight the importance of keeping your mind focused on God's perspective on your life at all times May God bless you as you seek to renew your mind day by day and may your life be transformed in the process Eric Elder
