*Renewing America's Schools* Carl D. Glickman, 1993-04-02 NEW IN PAPERBACK An excellent how to do it book for educators in schools and school districts who are involved in or about to begin major school based reforms Thomas W Payzant superintendent of schools San Diego California *Renewing America's Schools* raises the most fundamental questions about the purpose of public education the role of schools and the needed school based application to fulfill the promise of education in a democratic society This is a book that shows teachers principals students parents central office personnel school boards and community members exactly what they need to do to create schools that are purposeful moral and successful places A down to earth and provocative look at the school reform movement *Renewing America's Schools* keeps the focus of renewal squarely on teaching and learning concerns It is an invaluable resource for anyone involved with school change Contents 1 Introduction Recapturing the Essence of Schools Part One A Framework for Renewing Schools 2 The Covenant Establishing Common Principles of Teaching and Learning 3 The Charter Understanding How Decisions Are Made 4 The Critical Study Process Making the Most of Important Information Part Two The Work of School Renewal 5 Educational Tasks and Organizational Readiness 6 Becoming an Educative Community 7 Dealing with Tough Questions of Practice 8 Supporting School Renewal The District's Role 9 Common Dilemmas of Good Schools 10 Conclusion Staying the Course Carl D Glickman is professor of educational leadership and executive director of the Program for School Improvement at the University of Georgia

**The Essential Renewal of America's Schools** Carl Glickman, Ian M. Mette, 2020 What can today's educational leaders do to create schools that are purposeful moral and successful In this book Glickman and Mette provide a powerful set of guidelines that will lead to true school renewal Using a practical framework for school district and community leaders their roadmap replaces dependence on top down state and federal regulations focusing instead on the creation of locally guided initiatives to address local goals Filled with real world examples charts and illustrations the text gives teachers principals students parents central office personnel school boards and community members exactly what is needed to remake their schools Building on Glickman's highly acclaimed classic *Renewing America's Schools* 1993 this resource is must reading for anyone involved with school change in today's divisive and complex times My life would have been a whole lot easier if this book had been written when I was in the principal's office George Wood former principal and superintendent Stuart Ohio This timely and critical book demonstrates how teaching and learning and a democratic school community are the key assets to solving our problems It is not just the future of our schools that is at stake but democracy itself William Mathis National Education Policy Center
