Reno and Apsaalooka Survive Custer Ottie W. Reno, 1997 This book deals with the life of Major Marcus A Reno who was dismissed from the U S Army in 1880 and the subsequent effort by his relatives and other Civil War buffs to reopen his case and restore him to his rank *Central States Archaeological Journal* ,2004 **Custer's Last Battle** Paul Goble, 2013-09-13 On the morning of June 25 1876 a force of 700 men from the 7th US Cavalry led by General George Armstrong Custer attacked an Indian encampment on the banks of the Little Big Horn River Unbeknownst to Custer he faced the combined might of the Lakota Cheyenne and Arapaho tribes led by their greatest chiefs Sitting Bull and Crazy Horse Advised by his Indian scouts not to attack the foolhardy general ignored their warnings and trusted to Custer's luck one last time In this commemorative edition of his first published book Goble recounts the tale of Custer's last battle through the eyes of Red Hawk a fictional young Lakota warrior Presented in the shorter format that Goble originally intended and combined with a new author's introduction and a foreword by Joe Medicine Crow the Crow tribal historian whose grandfather was one of Custer's own scouts readers will marvel at this tale of honor and bravery [Red Hawk's Account of Custer's Last Battle](#) Paul Goble, Dorothy Goble, 1969 Custer's last stand at the Little Bighorn is described as it might have been witnessed by one of the Indians participating in the battle **Troopers With Custer: Historic Incidents Of The Battle Of The Little Big Horn** E. A. Brininstool, 2015-11-06 No one survived in Custer's immediate command but other soldiers fighting in the Battle of the Little Big Horn on June 25 26 1876 were doomed to remember the nightmarish scene for decades after Their true and terrible stories are included in Troopers with Custer Some of the veterans who corresponded with E A Brininstool were still alive when his book first appeared in a shortened version in 1925 It has long been recognized as classic Custeriana More incisively than many later writers Brininstool considers the causes of Custer's defeat and questions the alleged cowardice of Major Marcus A Reno His exciting reenactment of the Battle of the Little Big Horn sets up the reader for a series of turns by its stars and supporting and bit players Besides the boy general with the golden locks they include Captain Frederick W Benteen the scouts Lieutenant Charles A Varnum and Lonesome Charley Reynolds the trumpeter John Martin officers and troopers in the ranks who miraculously escaped death the only surviving surgeon and the captain of the steamboat that carried the wounded away the newspaperman who spread the news to the world and many others Print ed [Troopers with Custer \(Expanded, Annotated\)](#) E.A. Brininstool, 1952-01-01 Still one of the best Custer books E A Brininstool's classic brings together his lifetime of work on the Little Bighorn disaster and the Indian Wars A newspaperman and cowboy poet born just six years before Custer's last battle Brininstool met interviewed and corresponded with many Little Bighorn survivors Here is his final work on the subject published a few years before his death in 1957 Even if you've read lots of Custer material you'll find information that you haven't read before in this volume Every history of the American West provides us with another view of the movement that changed the country forever For the first time this long out of print volume is available as an

To Hell with Honor Larry Sklenar,2003-03-01 Sklenar contends that Custer did have a battle plan one different from any other suggested by scholars thus far Custer he argues had reason to believe that his scheme might succeed with minimum bloodshed made decisions consistent with army regulations and his best instincts as an experienced commander had subordinates who could not overcome the limits of their personalities in a desperate situation and made a selfless commitment to save the bulk of his regiment Along the way Sklenar appraises the officers and other men who served in the Seventh evaluating the survivors testimony and assessing the intent and motives of each

BOOK JACKET *Custer's Indian Battles* Charles Francis Bates,1970 [The Last Stand](#) Nathaniel Philbrick,2010 The whites want war and we will give it to them Sitting Bull This is the archetypal story of the American West Whether it is cast as a tale of unmatched bravery in the face of impossible odds or of insane arrogance receiving its rightful comeuppance Custer's Last Stand continues to captivate the imagination Nathaniel Philbrick brilliantly reconstructs the build up to the Battle of the Little Big Horn and the final eruption of violence in *The Last Stand* The legendary figures dominate the events George Armstrong Custer and Sitting Bull No longer the fresh faced Boy General of the Civil War Custer was now mired in financial professional and political problems A clear and just cause had been replaced by ambiguity and frustration by ill fated efforts at peace treaties treachery and compromises on both sides Forced to take to the plains to feed themselves and increasingly outraged by the government's policies towards them the Sioux and Cheyenne became infused with a new sense of collective identity and purpose Between six and eight thousand people came together in the largest ever gathering of Native Americans If the government should be foolish enough to pursue them they would stand and fight Sitting Bull was in his mid forties His charisma and political savvy had enabled him to emerge as their leader A vision he received during a Sun Dance of soldiers falling from the sky was widely understood to presage a great victory Nathaniel Philbrick brings vividly to life all those involved from the Oglala Sioux warrior Crazy Horse and Major Marcus Reno who led the first attack to Libby Custer waiting with the other army wives at Fort Lincoln He evokes too the history geography and haunting beauty of the Great Plains and provides the finest account to date of what happened there and why at the end of June 1876

Biilaachia-White Swan Rodney G. Thomas,2022-11-29 The story of the Apsaalooke Crow men who scouted for the Seventh United States Cavalry in 1876 has been told by historians with details sometimes distorted or fabricated Biilaachia better known as White Swan survived the Battle of Little Bighorn despite severe wounds One soldier recalled him standing beside his horse firing at the Sioux He would not mount up and try to get away but stood and fought White Swan continued to scout off and on for the U S Army until 1881 and recorded his 22 combat actions in 37 paintings and drawings Done in traditional Plains warrior biographic style his complete body of work is presented here for the first time along with the history behind each depiction His life is detailed in photographs some never before published and four little known interviews as well as extensive research

about the Apsaalooke people *Lakota Recollections of the Custer Fight* Richard G. Hardorff,1991 The fifteen Sioux and one Cheyenne who speak in *Lakota Recollections of the Custer Fight* witnessed Custer's Last Stand Their testimony sheds light on what happened at the Little Bighorn on the bloodiest of Sundays June 25 1876 Flying Hawk Standing Bear He Dog Red Feather Moving Robe Woman Eagle Elk White Bull Hollow Horn Bear and other Indian survivors of the Custer fight were interviewed during the early decades of the twentieth century by men genuinely interested in the historical truth including Judge Eli S Ricker General Hugh L Scott John G Neihardt and Walter S Campbell The interviews are collected here with introductions and notes by the editor

An Obituary for Major Reno Richard S. Wheeler,2004-12 Working to fulfill a deathbed request to restore the honor of a disgraced Little Big Horn officer held responsible for Custer's death a newspaper reporter learns about how the major saved most of the troopers under his command

Custer's Last Stand ,1976
 Custer's Last Battle Edward Settle Godfrey,1964 *The Fights on the Little Horn* Gordon Harper,2020-01-10 Winner of the John Carroll Award and the G Joseph Sills Jr Book Award A deeply researched work on the infamous 1876 battle filled with new discoveries This remarkable book synthesizes a lifetime of in depth research into one of America's most storied disasters the defeat of Custer's 7th Cavalry at the hands of the Sioux and Cheyenne as well as the complete annihilation of that part of the cavalry led by Custer himself The author Gordon Harper spent countless hours on the battlefield itself as well as researching every iota of evidence of the fight from both sides white and Indian He was thus able to recreate every step of the battle as authoritatively as anyone could dispelling myths and falsehoods along the way When he passed away in 2009 he left nearly two million words of original research and writing and in this book his work has been condensed for the general public to observe his key findings and the crux of his narrative on the exact course of the battle One of his first observations is that the fight took place along the Little Horn River its junction with the Big Horn was several miles away so the term for the battle Little Big Horn has always been a misnomer He precisely traces the mysterious activities of Benteen's battalion on that fateful day and why it couldn't come to Custer's reinforcement He describes Reno's desperate fight in unprecedented depth as well as how that unnerved officer benefited from the unexpected heroism of many of his men Indian accounts ever present throughout this book come to the fore especially during Custer's part of the fight because no white soldier survived it However analysis of the forensic evidence like tracking cartridges and bullets discovered on the battlefield plus the locations of bodies assist in drawing an accurate scenario of how the final scene unfolded It may indeed be clearer now than it was to the doomed 7th Cavalrymen at the time who through the dust and smoke and Indians seeming to rise by hundreds from the ground only gradually realized the extent of the disaster Of additional interest is the narrative of the battlefield after the fight when successive burial teams had to be dispatched for the gruesome task because prior ones invariably did a poor job Though the author is no longer with us his daughter Tori Harper along with historians Gordon Richard and Monte Akers have done yeoman's work in preserving his valuable research for the public Having read and studied several previous books on the

Custer Battle I was hoping that something new would emerge and I was not disappointed certainly a book that one cannot put down Norman Franks author of *Ton Up Lances* and *Under the Guns of the Red Baron* **Custer's Last Stand** Dennis B. Fradin, 2007 Discusses the Battle of the Little Bighorn including the events leading up to the battle and its aftermath

Custer and Company Walter Mason Camp, 1998 Walter M Camp 1867-1925 was an indefatigable collector of Custeriana who set himself the intimidating task of interviewing every living survivor of the battle at the Little Bighorn Unfortunately with Camp's death this information was scattered This volume gathers his most important material much of which was not previously available Custer and Company presents information on Sergeant John Henley veteran trooper of the Seventh Cavalry and a number of other Seventh Cavalrymen and frontiersmen including interpreter Sam Bruguier Camp's research on various unsettled questions of the Little Bighorn fight interviews with several surviving Indians and famed scout Luther North and extensive information on the death of Crazy Horse Camp's investigations illuminate several important questions that have dogged Custer research for generations **The Teepee Book** National Custer Memorial Association, 1926

The Custer Adventure as Told by Its Participants Richard Upton, 1975 Typewritten book draft with handwritten corrections Upton compiled primary sources to tell the story of the Little Bighorn campaign of 1876 The item was submitted to the Old Army Press for publication **Hokahey! A Good Day to Die!** Richard G. Hardorff, 1999-01-01 Traditionally historians of the Little Big Horn fight have focused on Custer and his troops on what they were doing and where they died But as one Miniconjou warrior told a gathering at a 1926 commemoration of the battle the Lakotas and Cheyennes also lost brave men These men had died defending their homes and families and they too deserved recognition Hokahey A Good Day to Die details the final moments of each of the fallen Cheyenne and Lakota heroes Richard G Hardorff sifted through the many interviews with Indian survivors of the battle cross checking every story of a wounded or dead individual to ascertain who was killed in which action and by whom He concludes that the Indian dead comprised thirty one men six women and four children astonishingly light losses when compared with the number of cavalry dead Concise well written and respectful of Cheyenne and Lakota cultural practices this book is an essential contribution to our understanding of how the Cheyennes and Lakotas waged the Battle of the Little Big Horn
