Replenish The Earth:

We Believe Rulon T. Burton, 1994 What do Mormons believe For the first time a comprehensive reference work attempts to answer this question in an accessible and authoritative manner Almost nine hundred doctrines and principles of the Church have been uniquely set forth in this one volume work We Believe presents single sentence summaries of Mormon doctrine that crystallize Mormon beliefs in a convenient user friendly format much like the Articles of Faith but instead of 13 there are 898 Arranged under 94 topics ranging from Adversity to Zion and cross referenced these single sentence doctrinal statements make it possible to grasp specific Mormon beliefs in relation to one another and to the whole of Mormon doctrine Passages taken from official Church sources that establish Church doctrines accompany each single sentence doctrinal statement making We Believe as reliable as it is handy We Believe quotes only prophets and apostles One need not rely on one author's viewpoint alone or upon second hand sources We Believe provides the actual words of the ancient prophets of scripture and of the modern prophets and apostles that authoritatively establish each doctrine of the Church Jacket
