Report Of The Committee Against Torture Un General Assembly:

The United Nations Convention Against Torture and its Optional Protocol Manfred Nowak, Moritz Birk, Giuliana Monina, 2019-12-19 The prohibition of torture the right to physical and mental integrity is guaranteed in the strongest terms under international law It is protected as an absolute right non derogable even in times of war or public emergency under many human rights treaties and is also generally accepted as a part of customary international law and even *ius cogens* The main instrument to combat torture within the framework of the United Nations is the Convention Against Torture and other Cruel Inhuman or Degrading Treatment or Punishment CAT This Commentary explores the problematic definition of torture in the Convention the substantive obligations of States parties the principle of non refoulement provisions for international monitoring and also the concept of preventative visits to all places of detention as contained in the Optional Protocol to the CAT It also covers issues including the distinction between torture and cruel inhuman or degrading treatment and the principle of non admissibility of evidence extracted under torture Full article by article commentary on the Convention also provides historical context and thorough analysis of case law and practice from international and regional courts and monitoring bodies Relevant case law from domestic courts are also discussed Despite the broad ratification and the universal recognition of the prohibition of torture and other forms of ill treatment we witness a global crisis affecting the majority of countries worldwide In recent years the protection of human rights is experiencing a particularly serious crisis also affecting the phenomenon of torture in which official narratives and public belief often trivialise and even endorse such practices in the name of security and the fight against terrorism ignoring the suffering and damages it causes On the other hand the positive experiences in some States illustrate that torture can be eradicated if the provisions of CAT and OPCAT are taken seriously and are being fully implemented This is an open access title available under the terms of a CC BY NC 4 0 International licence It is offered as a free PDF download from OUP and selected open access locations **Chinese**

Yearbook of Human Rights, Volume 5 (2023) Huawen Liu, Wei Zhang, 2023-10-20 The Chinese Yearbook of Human Rights is a forum for academic exchange between China and the international community in the field of human rights It publishes peer reviewed articles by scholars and practitioners from both within and outside China on human rights issues from the perspectives of law philosophy political science history international relations and other relevant academic disciplines The Yearbook was originally founded in cooperation with the UN Office of the High Commissioner for Human Rights the Raoul Wallenberg Institute of Human Rights and Humanitarian Law and the Chinese Academy of Social Sciences but fell silent from 2008 onwards It now has a new editorial team consisting of internationally based human rights scholars and a team of editors at the Institute for Human Rights of the China University of Political Science and Law and the Center for Human Rights Studies of the Chinese Academy of Social Sciences Volume 5 2023 is the result of that cooperation and focuses on the topical issue of international standards and international monitoring procedures including historical evolution

current interpretation and application the monitoring work by both treaty and Charter based bodies and directions for future developments

International Human Rights Monitoring Mechanisms Alfred Zayas, Bertie G. Ramcharan, Gudmundur Alfredsson, Jonas Grimheden, 2021-10-25 This collection is intended to serve as a thematic textbook on the institutions and procedures devoted to the national implementation of human rights and to the international monitoring of State performance. Albeit not exhaustive the coverage extends to most of the monitoring instances available at intergovernmental and non governmental organizations complaints fact finding and investigative procedures State reporting obligations good offices actions dialogue functions human rights education dissemination of human rights information letter campaigns and technical co operation. The target audience of the book is students of international human rights law but the book can also serve as a guide for both officials and activists involved in the realization of human rights.

International Crimes: Volume I: Genocide Guénaél Mettraux, 2019-06-18 Judge Mettraux's four volume compendium *International Crimes Law and Practice* will provide the most detailed and authoritative account to date of the law of international crimes. It is a scholarly tour de force providing a unique blend of academic rigour and an insight into the practice of international criminal law. The compendium is unrivalled in its breadth and depth covering almost a century of legal practice dozens of jurisdictions national and international thousands of decisions and judgments and hundreds of cases. This first volume discusses in detail the law of genocide its definition elements normative status and relationship to the other core international crimes. While the book is an invaluable tool for academics and researchers it is particularly suited to legal practitioners guiding the reader through the practical and evidential challenges associated with the prosecution of international crimes.

The Legal Nature of International Human Rights Michael K. Addo, 2010-05-17 The role and influence human rights in society has been enhanced by its association with international law and yet despite this legal springboard the scope of its legal nature remains uncertain. By analysing the work of international human rights courts and treaty bodies alongside a brief historical review this book assesses the distinctive legal dimension of human rights. It concludes that the legalisation of human rights is an unplanned and evolving social construct that continues under the managerial oversight of international human rights courts and treaty bodies which employ the primary tool of treaty interpretation. These characteristics of the legal environment of human rights in international law provide a good appreciation of the law itself and its limits.

Annual Report United States. Congressional-Executive Commission on China,2020 **The Accountability of Armed Groups under Human Rights Law** Katharine Fortin,Foreword by Andrew Clapham,2017-08-11 Today the majority of the armed conflicts around the world are fought between States and armed groups rather than between States This changed conflict landscape creates an imperative to clarify the obligations of armed groups under international law While it is generally accepted that armed groups are bound by international humanitarian law the question of whether they are also bound by human rights law is controversial This book brings significant new understanding to the question of whether and when armed groups might be bound by human rights law Its conclusions will benefit international law academics legal practitioners and political scientists and anthropologists working on issues related to rebel governance and civil wars This book addresses the debate on this topic by employing a theoretical historical and comparative analysis that spans international humanitarian law international criminal law and international human rights law Embedding these different perspectives in public international law this book brings several key points of clarification to the legal framework Firstly the book draws upon social science literature on armed conflict to present a new viewpoint on the role that human rights law plays vis vis international humanitarian law in non international armed conflicts Secondly the book sheds light on the circumstances in which armed groups acquire obligations under human rights law It brings illumination to these topics by combining historical and comparative research on belligerency insurgency and international humanitarian law with a theoretical analysis of legal personality under international law In the final part of the book the author tests the four most utilised theories of how armed groups are bound by human rights law examining whether armed groups can be bound by virtue of i treaty law ii control of territory iii international criminal law and iv customary international law In the book s

conclusions the author presents final remarks that are designed to provide concrete guidance on how the issue of armed groups and human rights law can be dealt with more thoroughly in practice
