de León was on the whole the most important historian and is now the best authority on ancient Peru so far as his work has reached us for he was a great traveller and an eye witness of much that he described. For all the events at which he was not present he received evidence from many actors in them. He was an intelligent observer, humane and conscientious, striving after impartiality and though an enthusiastic admirer of the valour and endurance of his countrymen, he was horrified at their acts of cruelty which he denounces in no measured terms. Unfortunately only one part of his great work was published near the time; other parts long lost have been found and published in recent years and some yet remain to be discovered. I. the first part published in 1553 was the *Cronica* which is mainly geographical. II. the second part was the History and Religion of the Incas. III. the Conquest of Peru. IV. V. VI. and VII. the Civil Wars viz 1 War of Las Salinas 2 War of Chupas 3 War of Quito and 4 War of Huarina and Sacsahuana. III and VII are still lost to us. Cieza de León also wrote a book entitled *Libro de Fundaciones* to which he frequently refers the reader for fuller details respecting habits and customs of Indian tribes and other particulars. That work is also lost. The Council of the Hakluyt Society selected the first part of the *Cronica* of Cieza de León to form a volume of its series in 1864 and the translation and editing were entrusted to me. It is a valuable contribution to the geography of the Cauca valley in Colombia and of Peru while the author's account of the coast almost amounts to a book of sailing directions. In 1880 II. the history of the Incas was brought to light and texts were printed by the late Dr González Rosa in 1873 and also by Jiménez de la Espada in 1880. This exceedingly valuable account of Inca civilization was known to Mr Prescott and he frequently quotes from it but he was not aware of Cieza de León being the author. This part was chosen by the Council to be included in the Hakluyt Society's series in 1883 and I again undertook the work of translation and editing. Quite recently three of the volumes on the Civil Wars of Peru by Cieza de León have been discovered in manuscript and published at Madrid. The War of Quito covering the period from the arrival of the Viceroy Blasco Núñez Vela to his death at Anaquito was translated and edited by me forming one of the Hakluyt Society's volumes for 1912. I have also translated and edited the War of Las Salinas giving a detailed account of the dispute between Pizarro and Almagro which ended with the battle of Las Salinas and the execution of Almagro by Hernando Pizarro. The present volume by Cieza de León is entitled *The War of Chupas* and contains a detailed narrative of events from the battle of Las Salinas to the final overthrow of the Almagro faction at the battle of Chupas including the murder of Pizarro, the arrival of Vaca de Castro as governor, the campaign against Almagro, the younger, the promulgation of the New Laws and the appointment of Blasco Núñez Vela as viceroy to enforce them. To be continued in this ebook.

Transcript of Record of Proceedings Before the Mexican and American Mixed Claims Commission with Relation to "The Pious Fund of the Californias," Thaddeus Amat, 1902 **Spanish Politics and Imperial Trade, 1700-1789** Geoffrey J. Walker, 2016-01-21 **The War of Chupas** Pedro de Cieza de León, 2019-12-16. In *The War of Chupas* Pedro de Cieza de León offers a gripping chronicle of the intense conflicts between the Spanish conquistadors and the indigenous communities of Peru specifically focusing on the region of Chupas during the

16th century Cieza de Le n s work is marked by a meticulous narrative style that melds a historical account with vivid descriptions revealing both the brutality of war and the rich cultural tapestry of Andean society The author situates the conflict within the broader context of colonial conquest providing invaluable insights into the motivations strategies and consequences of such encounters while highlighting the socio political dynamics at play within the region Cieza de Le n a Spanish soldier and chronicler born in 1518 spent years within the territories he documented granting him a unique perspective on the convergence of European and indigenous worlds His experiences not only informed his historical accounts but also reflected his concern for preserving indigenous cultures in the wake of Spanish expansion The war he documented was not merely a military event it represented a collision of worldviews that profoundly shaped the Andes For readers interested in the complex narratives of colonial history and indigenous resistance The War of Chupas stands as an essential text Cieza de Le n s eloquent prose and critical engagement with the events provide a crucial resource for understanding the cultural ramifications of conquest This book is a testament to a turbulent era offering insights that resonate deeply in contemporary discussions about colonialism and cultural survival
