Apart Volume 1 provides an even handed and richly illustrated account of the military history of Cyprus between independence from Britain and the events of 1964 Describing the tensions that emerged between the Greek and Turkish Cypriots through the 1960s Ripped Apart helps to provide a better understanding of a conflict that remains highly controversial Volume 1 examines the local military build up and a series of armed clashes that shook the island in 1964 and lays much of the background to the events that would follow in the 1970s
