## **Republican Rome The Army And The Allies:**

**Republican Rome** Emilio Gabba, 2023-07-28 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1976 **Esercito E Società Nella Tarda Repubblica Romana** Emilio Gabba, 1976-01-01 [The Republican Roman Army](#) Michael M. Sage, 2013-01-11 The Republican Roman Army assembles a wide range of source material and introduces the latest scholarship on the evolution of the Roman Army and the Roman experience of war The author has carefully selected and translated key texts many of them not previously available in English and provided them with comprehensive commentaries and essays This wide ranging survey of documents recreates the social and historical framework in which ancient Roman warfare took place from the Archaic and Servian period through to the Late Republic The topics addressed extend beyond the conventional questions of army mechanics such as strategy and tactics and explore questions such as the army's influence on Roman society and its economy Complete with notes index and bibliography The Republican Roman Army provides students of Ancient and Military History with an unprecedented survey of relevant materials **Republican Rome, the army and the allies (Esercito e Società nella tarda repubblica romana, engl.) Transl. by P. J. Cuff** Emilio Gabba, 1976 **The Cavalry of the Roman Republic** Jeremiah B. McCall, 2005-06-29 In this original and revealing work Jeremiah B McCall challenges the generally accepted view of the Roman cavalry and explores the fundamental connections between war and society in republican Rome c 300-100 BC McCall describes the citizen cavalry's equipment tactics and motivation in battle and argues for its effectiveness in the field This success is proof that it cannot finally have been disbanded for purely military reasons he shows that victories in the law courts and lavish displays of wealth came to supersede cavalry service as a way of building the reputations of the Roman elite The clear structure and fresh approach of the book combining insights from both Roman military and social history will be useful to readers at all levels of study [The Army of the Roman Republic](#) Michael Sage, 2016-03-30 From the moment its last king was expelled traditionally in 753 the Roman republic had to fight for its very survival Centuries of almost continuous warfare saw Rome's armies evolve in response to a wide variety of threats which were met with mixed fortunes though always with ultimate success As defence of the homeland turned to territorial expansion Roman forces also had to adapt to sustained campaigns in varied terrain and climates not to mention the changes in the Roman republic itself Michael Sage traces the development of the republic's army from its foundation having first set the context of their regal antecedents down to the time of its most famous leader Julius Caesar The transition from clan based forces through the Servian levy and the development of the manipular and cohortal legion is examined along with the associated weapons tactics and operational capabilities We see how the legions shaped up against the challenges of

successive enemies from the Celts and Samnites the Carthaginians and the hitherto dominant Hellenistic armies based on the Macedonian style pike phalanx *The Army of the Roman Republic* Mike Dobson, 2007-02-08 The main source of archaeological evidence for Late Roman Republican camps is a complex of installations around the Iberian city of Numantia in Spain excavated by Adolf Schulten in the early 1900s This book reassesses Schulten and concludes that much of his interpretation is questionable Radically different alternative reconstructions making use of recent fieldwork are presented for several of the sites A discussion of dating evidence leads to alternative dates being offered for some of the camps To aid interpreting the sites army organisation and art of encampment for the period of the Numantine Wars is discussed This study gives added importance to the sites at Numantia for they not only form the main source of archaeological evidence for Late Republican camps but provide evidence for the form of camp for both the late manipular army and the early cohort one

**Warlords of Republican Rome** Dr Nic Fields, 2008-10-16 The war between Caesar and Pompey was one of the defining moments in Roman history The clash between these great generals gripped the attention of their contemporaries and it has fascinated historians ever since These powerful men were among the dominant personalities of their age and their struggle for supremacy divided Rome In this original and perceptive study Nic Fields explores the complex often brutal world of Roman politics and the lethal rivalry of Caesar and Pompey that grew out of it He reconsiders them as individuals and politicians and above all as soldiers His highly readable account of this contest for power gives a vivid insight into the rise and fall of two of the greatest warlords of the ancient world **A Companion to the Roman Army** Paul

Erdkamp, 2011-03-31 This companion provides an extensive account of the Roman army exploring its role in Roman politics and society as well as the reasons for its effectiveness as a fighting force An extensive account of the Roman army from its beginnings to its transformation in the later Roman Empire Examines the army as a military machine its recruitment training organization tactics and weaponry Explores the relationship of the army to Roman politics economics and society more broadly Considers the geography and climate of the lands in which the Romans fought Each chapter is written by a leading expert in a particular subfield and takes account of the latest scholarly and archaeological research in that area **Rome's**

**Armies to the Death of Augustus** Tony McArthur, 2024-09-30 National armies as we know them today are a comparatively recent development It has been assumed that the Romans had an army similar to the national institutions of advanced almost exclusively European powers at the end of the nineteenth century But the assumption was wrong as is the belief that changes seen in the armies can be explained because the Romans reformed their armies Up to the death of Augustus the Romans had no permanent military forces Roman armies were raised for particular campaigns and disbanded at their conclusion Repeated campaigns were conducted in places like northern Italy and Spain but the armies were always disbanded These armies were not seen by Romans as part of a national institution as modern armies are they were simply a part of the life of a Roman citizen like religion or elections These armies were more like a militia than a national army There is little evidence

even of systematic training and what changes can be detected can be better explained by contingent adaptation to circumstances rather than reform The emperor Augustus is commonly seen as the originator of the imperial armies but it was an unintended outcome of a long life **The Cambridge Companion to the Roman Republic** Harriet I.

Flower,2004-01-19 Publisher Description Professional Journal of the United States Army ,1977-07 *HABES ; 31* Eric Birley,Géza Alföldy,Brian Dobson,Werner Eck,2000 A collection of 25 international papers dedicated to Eric Birley on the subject of his principal interest the Roman army The essays focus on hierarchy and rank within the army and its position within the social and political structure of the empire The book begins with a discussion of the valued contribution of seasoned volunteers and middle ranking officers and an assessment of the possibilities for reward and social position on retirement Other subjects include inexperienced officers senator generals military service and Principilaires The book finally assesses the contribution of the Roman army to the societies of Rome Spain Gaul Germania Dalmatia Moesia Superior and Egypt The meticulously detailed essays vary from broad discussions of the army as a whole to specific studies of individuals drawn from all ranks Contributors include Lukas de Blois David J Breeze Anthony R Birley Michael Redd Yann le Bohec John J Wilkes Michael P Speidel and Fritz Mitthof English German French Italian text Rome at War Nathan

Rosenstein,2005-12-15 Historians have long asserted that during and after the Hannibalic War the Roman Republic s need to conscript men for long term military service helped bring about the demise of Italy s small farms and that the misery of impoverished citizens then became fuel for the social and political conflagrations of the late republic Nathan Rosenstein challenges this claim showing how Rome reconciled the needs of war and agriculture throughout the middle republic The key Rosenstein argues lies in recognizing the critical role of family formation By analyzing models of families needs for agricultural labor over their life cycles he shows that families often had a surplus of manpower to meet the demands of military conscription Did then Roman imperialism play any role in the social crisis of the later second century B C Rosenstein argues that Roman warfare had critical demographic consequences that have gone unrecognized by previous historians heavy military mortality paradoxically helped sustain a dramatic increase in the birthrate ultimately leading to overpopulation and landlessness **The Military Decorations of the Roman Army** Valerie A. Maxfield,1981-01-01 A

Companion to the Political Culture of the Roman Republic Valentina Arena,Jonathan R. W. Prag,Andrew Stiles,2022-01-25 An insightful and original exploration of Roman Republic politics In A Companion to the Political Culture of the Roman Republic editors Valentina Arena and Jonathan Prag deliver an incisive and original collection of forty contributions from leading academics representing various intellectual and academic traditions The collected works represent some of the best scholarship in recent decades and adopt a variety of approaches each of which confronts major problems in the field and contributes to ongoing research The book represents a new updated and comprehensive view of the political world of Republican Rome and some of the included essays are available in English for the first time Divided into six parts the

discussions consider the institutionalized loci political actors and values rituals and discourse that characterized Republican Rome The Companion also offers several case studies and sections on the history of the interpretation of political life in the Roman Republic Key features include A thorough introduction to the Roman political world as seen through the wider lenses of Roman political culture Comprehensive explorations of the fundamental components of Roman political culture including ideas and values civic and religious rituals myths and communicative strategies Practical discussions of Roman Republic institutions both with reference to their formal rules and prescriptions and as patterns of social organization In depth examinations of the afterlife of the Roman Republic both in ancient authors and in early modern and modern times Perfect for students of all levels of the ancient world A Companion to the Political Culture of the Roman Republic will also earn a place in the libraries of scholars and students of politics political history and the history of ideas Societies and Military Power Stephen Peter Rosen, 2019-05-15 A work with broad implications for theories of comparative strategic behavior and civil military relations Societies and Military Power uses the long history of the armies of India as a basis for analyzing whether the character of a given society affects the amount of military power that can be generated by the armies that emerge from that society By examining the changing relationship between ruling elites in the Indian subcontinent and their armed forces the book shows that divisions within society are mirrored within the military even within the contemporary professional military Stephen Peter Rosen explores the proposition that cultural explanations don't sufficiently account for changes in military power whereas social structure does He suggests also that the dynamics of civil military relations in a non Western setting are not explicable without social structural insight He concludes that the comparative study of strategic behavior and military organization has lacked a sound foundation which the social structural explanation offered in this book begins to provide **The Cambridge Illustrated History of Warfare** Geoffrey Parker, 2008-09-29 Now available in a revised and updated version The Cambridge Illustrated History of Warfare provides a unique account of Western warfare from antiquity to the present day The book treats the history of all aspects of the subject the development of warfare on land sea and air weapons and technology strategy and defence discipline and intelligence mercenaries and standing armies cavalry and infantry chivalry and Blitzkrieg guerilla assault and nuclear arsenals It places in context particular key events in the history of armed engagement from the Greek victory at Marathon through the introduction of gunpowder in medieval England and France to the jungle warfare of Vietnam and the strategic air attacks of the Gulf War Throughout there is an emphasis on the socio economic aspects of military progress who pays for it how can its returns be measured and to what extent does it explain the rise of the West to global dominance over two millennia Killing for the Republic Steele Brand, 2019-09-10 How Rome's citizen soldiers conquered the world and why this militaristic ideal still has a place in America today For who is so worthless or indolent as not to wish to know by what means and under what system of polity the Romans succeeded in subjecting nearly the whole inhabited world to their sole government a thing unique in history Polybius The

year 146 BC marked the brutal end to the Roman Republic's 118 year struggle for the western Mediterranean. Breaching the walls of their great enemy Carthage, Roman troops slaughtered countless citizens, enslaved those who survived, and leveled the 700 year old city. That same year in the east, Rome destroyed Corinth and subdued Greece. Over little more than a century, Rome's triumphant armies of citizen soldiers had shocked the world by conquering all of its neighbors. How did armies made up of citizen soldiers manage to pull off such a major triumph? And what made the republic so powerful? In *Killing for the Republic*, Steele Brand explains how Rome transformed average farmers into ambitious killers capable of conquering the entire Mediterranean. Rome instilled something violent and vicious in its soldiers, making them more effective than other empire builders. Unlike the Assyrians, Persians, and Macedonians, it fought with part-timers. Examining the relationship between the republican spirit and the citizen soldier, Brand argues that Roman republican values and institutions prepared common men for the rigors and horrors of war. Brand reconstructs five separate battles, representative moments in Rome's constitutional and cultural evolution that saw its citizen soldiers encounter the best warriors of the day: from marauding Gauls and the Alps crossing Hannibal to the heirs of Alexander the Great. A sweeping political and cultural history, *Killing for the Republic* closes with a compelling argument in favor of resurrecting the citizen soldier ideal in modern America.

*The Roman Imperial Army of the First and Second Centuries A.D.* Graham Webster, 1998. This classic work of scholarship scrutinizes all aspects of Roman military forces throughout the Roman Empire in Europe, North Africa, and the Near and Middle East. Graham Webster describes the Roman army's composition, frontier systems, camps, and forts, activities in the field including battle tactics, signaling, and medical services, and peacetime duties, as well as the army's overall influence in the Empire. First published in 1969, the work is corrected and expanded in this third edition, which includes new information from excavations and the findings of contemporary scholars. Hugh Elton provides an introduction surveying scholarship on the Roman army since the last edition of 1985.

## Decoding **Republican Rome The Army And The Allies**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. ### **Republican Rome The Army And The Allies Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Republican Rome The Army And The Allies PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture

of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Republican Rome The Army And The Allies PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Republican Rome The Army And The Allies free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Republican Rome The Army And The Allies Books**

1. Where can I buy Republican Rome The Army And The Allies books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
