Rescue The Captors:

Rescue the Captors Russell Stendal, 2012-12 American bush pilot Russell Stendal on routine business landed his plane in a remote Colombian village. Gunfire exploded throughout the town and within minutes Russell's 142-day ordeal had begun. The Colombian cartel explained that this was a kidnapping for ransom and that he would be held until payment was made. Held at gunpoint deep in the jungle and with little else to occupy his time, Russell got hold of some paper and began to write. He told the story of his life and kept a record of his experience in the guerrilla camp. His book became a bridge to the men who held him hostage and now serves as the basis for this incredible true story of how God's love penetrated a physical and ideological jungle. How did this incredible true story affect Russell? At first my mind went wild with thoughts of revenge and violence. Then after a while I was able to see through their attempt to break me down and brainwash me. I started making a determined effort to throw all their stories and dramas out of my mind and not to let my thoughts dwell on them at all. I would trust God that He would take care of my wife and I would close my mind to my captors' input. I decided to think about positive values instead. I told them that they had two choices: either kill me or let me go for whatever small amount my family could afford. One of the guerrillas turned and asked me if I was afraid to die. I replied that dying is obviously uncomfortable, but yes, I was prepared to die. My captors tied me up and left the rope on day and night. They were seriously trying to completely break me psychologically and then brainwash me. Every day new things were done to alter me and work towards that goal. My captors started telling me scare stories. Some of these stories were about wild animals. They told me some of the wildest hair-raising tales about lions and tigers that I have ever heard. These stories were designed both to intimidate me, reducing my ability to sleep and to cause me to think twice before I decided to try to escape into the jungle again. God used my hostage situation to show me that I had been guilty of resisting God's hand on my life and had therefore been unwittingly spending an unnecessary amount of time in that spiritual birth canal, being squeezed all out of shape instead of coming out into the light and being born again. I decided that I was going to forget my own big missionary plans and projects and instead I would concentrate on discerning where God was moving and then try to jump on His bandwagon. God taught me how to be a true missionary for Him. I began to react towards problems and adversity as opportunities to learn important things and as opportunities for God to use me to bring glory to Himself. My life changed to one of victory in Jesus Christ. I still have problems, difficulties, and even an occasional defeat, but now I can clearly see the design and purpose that God has for my life. If I have the right attitude, God can reign over everything that happens in my life and teach me something useful from even the most difficult experiences.

The Tabernacle of David Stendal, Russell M., 2022-08-01 What exactly does the tabernacle of David represent In the new covenant there is only one mediator between God and man this is the Lord Jesus Christ the living Word of God and he is presently seated upon a heavenly throne high above all things Psalm 138 2 The ark of the covenant is a representation of Jesus Christ and of how our reconciliation with God the Father is made possible The tabernacle of David depicts the heavenly realm touching the earth and is a living prophetic parable of how we may come into a direct and personal relationship with God Through Jesus Christ and without intermediary clergy or religious legalistic ritual we may become registered as citizens of heaven Hebrews 12 18 24 The once and for all blood sacrifice at Calvary was required in order to put the new covenant into effect However the fullness of what is represented by the tabernacle of David with the ark as its sole piece of furniture will be restored at the second coming In that day I will raise up the tabernacle of David that is fallen and close up its breeches and I will raise up its ruins and I will build it as in the days of old Amos 9 11 12 Acts 15 16 When God decided to cut off the corrupt house of Eli he said And I will raise me up a faithful priest that shall do according to that which is in my heart and in my mind and I will build him a sure house and he shall walk before my anointed Heb Messiah for ever 1 Samuel 2 35 The faithful priest for whom God would build a sure house could not have been Samuel The fact that he shall walk before God s anointed Messiah forever means that this does not refer directly to Jesus Christ The only sure house that can be seen that fits this bill is the house of David 1 Samuel 17 which continued in God s favor until the birth of Jesus Christ And in Christ the royal priesthood 1 Peter 2 9 of the order of Melchisedec Psalm 110 4 continues forever

this even includes us if we are in Christ Revelation 1 6 And in mercy shall the throne be established and he shall sit on it in the tabernacle of David judging and seeking judgment and hastening righteousness Isaiah 16 5 What is the prophetic numerology found in the Psalms Anyone who knows the author or has read one of his previous books knows that in addition to emphasizing a personal relationship with God the Father he is focused on the Day of the Lord with a deep concern that Christians regard End Times prophecy with utmost concern and soberness It is within this context that he directs the reader's attention to the prophetic numbers within the Psalms that once decoded according to their trajectory through the Scriptures unlock the stunning messianic narrative that will soon take place here on the earth Amidst ever increasing feelings of social isolation and the realities of political division and unrest as well as the impending and potentially disastrous outcomes of man made crises facing the earth people are looking for answers to their fears and inner longing to feel secure connected and satisfied in their daily lives While many attempt to control things politically others are looking for answers through esoteric means such as prophecies numerology tarot cards and even witchcraft Although David obviously didn't face the difficulties unique to our time he definitely felt socially isolated dwelled in political unrest and faced many possibilities for disaster His answer was to ask God to protect him and direct his every footstep which ultimately met his every need and eventually led him to dwell in peace and security to a ripe old age Victorious Deann Alford, 2021-11-05 Vicious hate Deadly reprisal What can break through A compelling narrative tracing decades of conflict in a land oft named among the world's worst **Elijah & Elisha** Russell M. Stendal, 2019-06-13 At the time the Lord brought Elijah on the scene the kings of Israel and Judah were in serious trouble with the Lord Their many years of worshiping Baal and golden calves listening to Jezebel and killing the prophets was catching up to them Their earthly kingdoms were coming to an end and the Lord would move quickly when he moved What appeared to be harmless details to them was in fact rebellion in the sight of God While the kings served the gods of this world Elijah and Elisha did not Rather they were dedicated only to the Word of the Lord and if the Lord didn't speak directly to them they didn't move at all When they did move it was with the power and authority of the Lord resulting in the dramatic calling down of fire from heaven a three year drought people raised from the dead and many other miraculous events But did Elijah and Elisha take any glory No Elisha didn't even accept Naaman's token of appreciation so completely was he relying only on the Lord's provision The lives of Elijah and Elisha as well as the corrupt lives of the kings serve as important lessons for us today In addition there are many prophecies in 1 and 2 Kings that are now being fulfilled In fact the entire account is filled with living parables that are relevant for today The last Chapter of 1 Kings ends with the prophetic ministry facing serious jeopardy The first Chapter of 2 Kings opens with an awesome supernatural vindication of God's prophet Even Elijah seems to have been unaware of exactly when the timeline went past a tipping point into a new day in which the true prophets were never forced to retreat We seem to be approaching a similar tipping point today Your own life will be changed forever if you heed the truth that the Lord reveals to you in this book **Knowing God**

the Father Russell M. Stendal, 2019 The writings of John have a very special focus on God the Father Many people who know Jesus or claim to know him have a limited or nonexistent personal knowledge of God the Father It is of course essential for us to know Jesus but his fervent desire for him is that we may also know the Father so intimately that we can ask him for whatever we will in Jesus name and our prayers may be granted By the Holy Spirit we can have such deep and intimate communion with Jesus and the Father that seeing our love for one another everyone shall know that we are his disciples John 13 35 And this is life eternal that they might know the only true God and Jesus Christ whom thou hast sent John 17 3 *The Promise of Our Father* Russell M. Stendal, 2022-04-13 A Study of the Book of Luke and Acts 1 7 The past one hundred years or so have seen great advances regarding the spread of the gospel all over the globe where it thrives amid adversity However some prosperous Western democracies have seen the numbers of Christians peak and then decline Seemingly high powered ministers along with some of their enthusiastic followers have succumbed to corruption in their personal lives in their finances or both Reacting against the ever increasing perversion all around us some groups have pursued increasing legalism leaving them virtually powerless Many congregations have failed to retain young people and are dwindling as the older saints die off Church splits have reached epidemic proportions and have become the bane of Christianity How do we return to the purity power and unity of the early congregations described in the book of Acts They turned the world upside down in just a few years even without any of our modern tools or media What will it take to finish fulfilling the Great Commission according to the will of God and for there to be a perfect bride without spot or wrinkle or any such thing when our Lord Jesus Christ returns According to Luke before Jesus ascended he told his disciples behold I shall send the promise of my Father upon you but tarry ye in the city of Jerusalem until ye are endued with power from on high This promise is still valid If we are to be clean and effective witnesses for our Lord Jesus Christ we will be wise to not leave home without being endued with power from on high Discerning the Day of the Lord Russell Stendal, 2021-04-09 The darkness that will come upon the people of God at the beginning of the day of the Lord shall not be the same as the affliction that came upon her when Jesus came the first time The end of the age of grace will not be as dark as the end of the age of the law because the Gentile people that walked in darkness have seen a great light those that dwell in the land of the shadow of death upon them has the light shined Yes it s true that great apostasy has engulfed much of Western Europe and seems to be making quite a bit of headway in North America But what about places to name a few such as China Iran Egypt Venezuela Cuba Brazil Colombia Africa and even India where the gospel is surging Most of the end time harvest is taking place under great adversity and persecution So for now it can be said As thou hast multiplied the nation the people of God thou hast not increased the joy But the day of the Lord will be the biggest game changer ever seen in human history For those among the people of God who have clean hearts when Jesus returns They shall rejoice before thee as they rejoice in the harvest and as men rejoice when they divide the spoil even as all the kingdoms of this world crumble and come down The vision of Isaiah is a prophetic hub placed in the middle of

the Scriptures with ties to almost every book in the Bible most are footnoted in this work There are living parables of events that actually happened during the lifetime of Isaiah prophecies regarding Judah and Jerusalem with both a near and a far fulfillment all interwoven with messianic prophecy depicting events surrounding the first and second comings of Jesus Christ the final judgment and the new creation with new heavens and a new earth A central theme of Isaiah relates to the day of the LORD as does the book of Revelation We know there is a special blessing on the seventh day Genesis 2:3 Scripture also defines what some call a prophetic day mentioned in both the unique Psalm attributed to Moses For a thousand years in thy sight are but as yesterday when it is past and as a watch in the night Psalm 90:4 and by Simon Peter But beloved be not ignorant of this one thing that one day before the Lord is as a thousand years and a thousand years are as one day 2 Peter 3:8 Human history has now entered into the beginning of the seventh millennium since the creation of Adam according to the years and generations meticulously recorded in Scripture There is however the possibility of two distinct timelines one dating from the creation of Adam and the other dating from the fall of man when the present world system founded on lies devised by Satan began Scripture does not specify exactly when the curse was pronounced and Adam and Eve were expelled from the Garden of Eden The original world created by God and founded on truth was pronounced very good It is clear however that Satan subverted the authority God had placed on Adam and this sorry situation will not be corrected until the day of the Lord the seventh millennium We now appear to be in an ambiguous period in which it is clear no matter what relatively minor discrepancies there may be in our calendar that more than six thousand years have passed since the creation of Adam However it does not appear that six thousand years have gone by since the fall of man If the seventh prophetic day begins with the demise of Satan and the promise he will be bound for a thousand years the first resurrection of those who will reign and rule with Christ for a thousand years and the return of Jesus Christ then it is also clear that the prophesied day of the LORD has not yet begun although it may be very close This is when religion that has been contaminated by man by humanism and manipulated by the devil will all come down The pure and undefiled religion before God and the Father is this To visit the fatherless and widows in their tribulation and to keep thyself unspotted by the world James 1:27 As we enter the end time events described by Isaiah it is good to keep in mind that there is a substantial godly remnant containing true ministers servants of God who like Isaiah have been cleansed by the fire of God and commissioned from the throne and who have authority to represent God according to his will They desire to see the people entrusted to their care joined to the Lord Jesus so that all of God's people may have intimate communion with him and with the Father by the Holy Spirit This is the only covering that will provide secure protection How much time do we have left I think we probably do have a little time but not a lot The world situation around us is not improving It is in fact degenerating rapidly even though some countries are experiencing spiritual revival We can expect things to continue to polarize as the bride of Christ is cleansed and purified and as Babylon the Great continues to degenerate The evil in the world will soon pass a threshold that will trigger the indignation

and wrath of God the Father and Jesus will soon return for a bride without spot or wrinkle or any such thing These two things seem to happen in very close succession on the day of the Lord There are other prophetic markers that may bear watching The two thousandth anniversaries of the beginning of the ministry of Jesus of his death and resurrection of the outpouring of the Holy Spirit on the day of Pentecost and of the destruction of Jerusalem and the temple are all coming up within what many of us can expect to be our lifetime Even if the coming of the Lord should be delayed so that more people can be given the opportunity to be saved we are told to always be ready None of us knows when our own death will take place and when we could be suddenly thrust into the presence of God Russell M Stendal December 17 2020 Bogot Colombia *The Prize of the High Calling of God* Stendal, Russell M.,2022-11-11 What is the greatest danger to the Christian life Is it the government or the next pandemic Is it the wrath of unbelievers or exposure to their lifestyles The life of a committed Christian is often fraught with difficulty and danger yet this is not something that should be seen as abnormal The apostle Paul dealt with trials and was in jeopardy throughout his entire ministry even to the point of being incarcerated for his faith Even so he knew that the greatest danger to the Christian life comes from within us Namely the insatiable and unchecked desires of the flesh of which he also referred to as the old man Paul understood that the flesh must be dealt with before believers can ever come to maturity in Christ therefore this was a matter he addressed within most of his epistles In totality Paul teaches that we must be crucified with Christ so that we can live by the Spirit and not fulfill the lust of the flesh This is because he that sows to his flesh shall of the flesh reap corruption but he that sows in the Spirit shall of the Spirit reap eternal life Galatians 6 8 How can this be our reality In this latest book *The Prize of the High Calling of God* author Russell M Stendal examines the entirety of the epistles Paul wrote while imprisoned in Rome As always with Russell s gift for seeing both the finer details and the larger picture he helps the reader to see that they can individually take hold of what God has for them in Christ and by the Holy Spirit Russell M Stendal is the editor and translator of the Jubilee Bible JUB and Biblia del Jubileo JBS translations that are published in English and in Spanish Well over a million copies of the Biblia del Jubileo have been donated and distributed into the most impoverished areas of Colombia and Venezuela Russell Stendal was born in Minneapolis and raised on the mission field in Colombia South America He became a missionary jungle pilot at age nineteen Almost ten years later he was kidnapped in 1983 by Marxist rebels and held hostage for five months Russell has written many other books produced videos and produced the two aforementioned Bible translations Russell heads up the work of Colombia Para Cristo which operates 12 radio stations involving over 100 staff and co workers and covering much of Latin America with the Gospel A thriving underground church has developed in remote jungle areas of Colombia New high gain antennas are now beaming the Gospel message deep into areas of deepening crisis across the borders of Venezuela Ecuador Peru and Brazil as well as throughout Colombia Quintessential Revelation Russell M. Stendal,2019-07-03 Two things are quintessential to the book of Revelation The heart of Jesus and the heart of unconverted natural man These are contrary to each other yet need not be

difficult to understand or identify Jesus referred to himself as both the Son of God and the Son of Man because he had come in flesh to redeem us from the curse. Later John stated that every spirit that does not confess that Jesus Christ is come in flesh is not of God and this is that spirit of antichrist of which ye have heard that it should come and that now it is already in the world 1 John 4:3. In Revelation Jesus through John takes this into much greater detail so that we can grasp the principle of what antichrist means and how it could already be in the world in John's day. Of course any discussion of the antichrist also necessitates discussion of the beast and the mark of the beast. This is because the antichrist and the beast are inseparable. In God's eyes unconverted natural man is a beast and the mark of the beast is the nature of the beast which is also the nature of antichrist. If we can understand this fundamental precept our ability to understand the Book of Revelation becomes greatly expanded. The only other requirement is that we have a clean heart before God. Sadly many commentaries on Revelation ignore the need to have a clean heart in order to survive what's coming. In *Quintessential Revelation: Understanding the Heart of Jesus in the Imminent Day of the Lord* author Russell M. Stendal shows us how the unconverted natural man aka the flesh that man of sin the beast or antichrist as well as the devil all share the same essence and fate. On the other hand the Father, Son, and Holy Spirit along with those who are written into the Book of Life also share in eternal essence and an eternal fate. Digging deep into the signs, the wonders, and the prophets the author helps us discover the genuine Christian's role in the soon to be fulfilled book of Revelation.

The Generation of Christ Russell M. Stendal, 2023-07-06. Over the past two millennia that comprise the generation of Jesus Christ both legalism and licentiousness have eroded away at the people of God such that the good news of the gospel has lost much of the savor it once had when it turned the world upside down. Acts 17:6. Today entrenched legalism continues to promote a gospel too narrow for a gnat while extensive licentiousness promotes a gospel wide enough for a pair of camels. Neither of these methods can produce the clean hands and pure heart that proceed from the plan that God established and spoke through King David. The earth is the LORD's and the fullness thereof the world and they that dwell therein. For he has founded it upon the seas and established it upon the rivers. Who shall ascend into the hill of the LORD or who shall stand in the place of his holiness? He that has clean hands and a pure heart who has not taken my name in vain nor sworn deceitfully. He shall receive the blessing from the LORD and righteousness from the God of his saving health. This is the generation of those that seek him that seek thy face. O Jacob. Selah. Psalm 24:1-6. In his most recent book *The Generation of Christ* Russell Stendal takes the reader through a complete study of the gospel of Matthew examining the importance and prophetic significance of the generation of Christ in this last hour we live in as we enter into the Day of the Lord.

God's Plan for Spiritual Battle Russell M. Stendal, 2024-09-18. I love a good fight. When unjustly attacked I have learned to seek the guidance and leadership of the Holy Spirit and retaliate by Overcoming Evil with Good. There is a huge difference between a Peacemaker and a Pacifist. Stendal,2023-02-28 Today we see an increasing number of headlines focused on Evangelicalism and Christian Nationalism bringing the matter of being Christian under great scrutiny As Christians we must ask ourselves whether we can be scrutinized and found desirable by both God and man Many who profess to be Christians might say this is impossible but is that really what the Scriptures teach Man s wrath is very

different from God's wrath. God is slow to anger. On a human level in the world around us, individuals and even entire groups are continually riled up and insulting one another. None of this effectuates the righteousness of God. James 1:21 entreats us to leave all uncleanness and remains of malice and receive with meekness the word ingested within you, which is able to cause your souls to be saved. God has the purpose for his children to be examples to those around them. The books of James and Jude have much to say regarding what this should look like and how it is accomplished, which is to receive the wisdom prepared for us. Do not err, my beloved brethren. Every good gift and every perfect gift is from above and comes down from the Father of lights, with whom is no variableness, neither shadow of turning. James 1:16-17. God desires to give good and perfect gifts to his children who ask in faith, not doubting anything. In fact, he is the only source of anything good and perfect. He is the Father of lights. He is the Father of our Lord Jesus Christ, who is the light of the world and who does not change, and his plans and expectations for us remain constant. Jesus told his disciples that corporately, "Ye are the light of the world." The plan of the Father of lights is to bring us out of darkness and into his light, so that he can place his life and love and light in us for all the world to see. *John Boyd's Adventures* Thomas Wallace Knox, 1893
