## **Rescuing The Czar:**

*Rescuing the Czar* James P. Smythe, 2016-04-07 from monarchical institutions to theoretical republics or pseudo democracies and it imparts a touch of pathos to the lingering hope of Royalty that humanity may some day welcome its return to reverence and power It forms the superstructure on which the crumbling column of aristocracy sustains its capital pretensions amid the ruins of privileged exemption from the universal law of change Consequently the reader will not be surprised nor much alarmed when encountering its subterranean methods depicted in these pages They will merely fortify the accepted impression among students of events that when Time binds up the wounds of Revolutionary Russia the world will discover an Agrarian Democracy instead of a Soviet Communism *Rescuing the Czar* James P. SMYTHE (pseud. [i.e. William Rutledge MacGarry.]), William Rutledge McGarry, 1920 *Rescuing the Czar* James P. Smythe, 2006-05-01

Smythe, 2017-12-15 Excerpt from *Rescuing the Czar Two Authentic Diaries Arranged and Translated* *Rescuing the Czar* Yet it does not conceal a fundamental inclination to sympathize with every rank that suffers in this onward sweep of power Royalty and Rags throughout these pages find many mourners over the sacrifices each has made to reconcile the eternal conflict between poverty and pomp In the abysmal void between the disappearing star and the aspiring glow worm men tramp upon there seems to be sufficient latitude for the play of gratitude or grief A Napoleon exiled by the French or a Ney shot down by Frenchmen is unthinkable today In like manner when the revolutionary passions of Russia have subsided there may be men and women of the humblest estate who will wonder how it happened that their Emperor whose darkest sin apparently was loyalty to Russia could have been murdered by their countrymen in cold blood About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Rescuing the Czar** James P. Smythe, 1920 *Rescuing the Czar* James P. Smythe, 2008-12 Is the former Czar and his Imperial family still alive There are millions of people in Europe and America who are asking this question European governments have considered the question of sufficient interest to justify the investigation by official bodies of the alleged extinction of this ancient Royal Line Millions have been expended for that purpose Commissions have pretended to investigate the subject after the event Volumes have been returned of a speculative nature to authenticate a mysterious disappearance that has never been explained **Rescuing the Czar; Two Authentic Diaries Arranged and Tr** James P. *The Many Deaths of Tsar Nicholas II* Wendy Slater,2007-06-26 How did Nicholas II Russia s last Tsar meet his death Shot point blank in a bungled execution by radical Bolsheviks in the Urals Nicholas and his family disappeared from history in the Soviet era But in the 1970s a local geologist and a crime fiction writer discovered the location of their clandestine mass grave and secretly removed three skulls before reburying them afraid of the consequences of their find Yet the history of Nicholas execution and the discovery of his remains are not the only stories connected with the death of the last Tsar This book recounts the horrific details of his death and the thrilling discovery of the bones and also investigates the alternative narratives that have grown up around these events Stories include the contention that the Tsar s killing was a Jewish plot in which Nicholas severed head was taken to Moscow as proof of his death tales of would be survivors of the execution self confessed children of the Tsar claiming their true identity and accounts of miracles performed by Nicholas who was made a saint by the Russian church in 2000 Not least among these alternative narratives is the romanticization of the Romanovs epitomized by the numerous photographs of the family released from the Russian archives      *Basic Processes in Reading* David LaBerge,S. G. Bolen,2018-06-28 Every fairy tale contains the story of a prince and once the prince meets his princess they often live happily ever after But for Nicholas II tsar of all the Russias and his wife Princess Alexandra of Hesse the ending would be different At age fifty brutally murdered by his subjects Nicholass body was mutilated and thrown into an unmarked mass grave with eight other people in a swampy bog in the middle of a remote forest *The Romanovs Murder Case* takes a detailed look at the infamous mass murder of this Russian imperial family stripped of its claim to the throne before

being executed in 1918 following the February Revolution Author T G Bolen investigates the evidence from the site of the murders the Ipatiev House ultimately refuting investigator Nicholas Sokolovs report that locates the murders in the homes basement Bolen also provides for the first time details of the United States intelligence officer Homer Slaughter who was in the Ipatiev House within twenty four hours of the murders This study shows that the Romanov murders may very well have occurred in different rooms in the house and that there was no eleven person massacre And although this story will never end happily ever after revealing new evidence to refute the prevailing story will shed new light on the truth
