Women and Children First Robin Miskolcze, 2007-12-01 At a crucial time in American history narratives of women in command or imperiled at sea contributed to the construction of a national rhetoric Robin Miskolcze makes her case by way of careful readings of images of women at sea before the Civil War in her book Women and Children First Though the sea has traditionally been interpreted as the province of men women have gone to sea as mothers wives figureheads and slaves In fact in the nineteenth century women at sea contributed to the formation of an ethics of survival that helped to define American ideals This study examines often for the first time images of women at sea in antebellum narratives ranging from novels and sermons to newspaper accounts and lithographs Anglo American women in antebellum sea narratives are often portrayed as models of American ideals derived from women's seemingly innate Christian self sacrifice Miskolcze argues that these ideals in conjunction with the maritime directive of women and children first during sea disasters in turn defined a new masculine individualism one that was morally minded rooted in Christian principles and dedicated to preserving virtue Further Miskolcze contends that without the antebellum sea narratives portraying the Christian self sacrifice of women the abolitionist cause would have suffered African American women appealed to the directive of women and children first to make manifest their own womanhood and by extension their own humanity

Smith,Woodrow T. Fail,2023-04-26

There are many books covering the rules of golf but very little written on how to be a golf referee rules official Most people do not realize that almost all golf referees are volunteers Sure many of them get lunch or breakfast covered while at a tournament But very few actually get paid The comradery and passion for the game of golf are what inspires most golf enthusiasts to begin an exploration of the rules From there many want to help with golf tournaments There is very little guidance other than word of mouth on how to become involved or what golf referees do Some seem to think that golf referees hang out in the woods and race out in a golf cart to tell a player they incurred a penalty But on the contrary we try to help players avoid penalties and be there for them when they have questions to insure they play according to the rules We also help set up the course set the tees mark the course and choose hole locations and set up the tournament notice to players local rules starting times and many other administrative duties We hope this book provides a different side of golf that might inspire you to become a golf referee [In Dogs We Trust](#) Jacob F.
