Molen,1996 Drawing on his own childhood Ron Molen recalls the experiences of a young Mormon boy growing up in a Catholic neighborhood near Chicago in the 1930s Tom known as Wart joins other youngsters in building treehouses digging tunnels making up secret code words and vaunting their one upmanship over a rival gang at the skinny dipping hole Wart is mystified by the adult preoccupation with religion and politics and with that most cruel imposition on youth summer school When he tells friends about his parents trip to the Salt Lake temple to be married this leads to inscrutable misunderstandings among

his mother's bridge group. He wears a Vote for Landon pin on his shirt that draws insults from otherwise polite porch-sitting grandpas. Little wonder that he prefers his group's hideaway to whatever plans grownups have for him. It's more fun dreaming up shenanigans to keep the neighborhood in turmoil. How could he and his friends resist spying on local gangsters sneaking into the river bottoms hobo camp or investigating the rumored to be haunted pickle factory? But eventually the boys see something more than they had bargained for and this launches them on a Hardy Boys-like adventure. Written with obvious nostalgia, readers may find these memories are much like their own. *BAX 2018* Seth Abramson, Jesse Damiani, Myung Mi Kim, 2018-07-17

Black Teeth Zane Lovitt, 2016-06-27 This exhilaratingly twisted Chandler-influenced Aussie noir has Jason, a socially anxious Melbourne tech nerd with a vivid and occasionally pungent turn of phrase, caught up in two men's desire for vengeance with a bracingly downbeat femme fatale complicating the action. Read to the end of chapter one and you'll be hooked. *Sunday Times Crime Club* Jason Ginaff doesn't get out much. Partly because of the anxiety, mainly because he works at home researching people on the internet. Job candidates doing bucket bongs on Instagram accounts they thought they'd deleted, the prospective new head of sales stripping for a hens night. He's been searching for something on his own time too. Now he's found it: the phone number of the man he believes to be his father. Which is how he gets mixed up with Rudy Alamein. They've been looking for the same man. Difference being Rudy wants to kill him. *Black Teeth* is a witty, dynamic contemporary thriller by an emerging master of the form. Beautifully written and darkly funny, it's both a literary triumph and an irresistible read. Zane Lovitt was a documentary filmmaker before turning his hand to crime fiction. His debut novel *The Midnight Promise* won the Ned Kelly Award for Best First Fiction and led to Zane being named one of the Best Young Novelists of 2013 by the *Sydney Morning Herald*. Zane Lovitt lives in Melbourne. Lovitt has an attentive ear for language and a nuanced understanding of how quite ordinary, extraordinary people may find themselves up to their necks in trouble. This is original Australian crime fiction of the first order. Age A fast-paced, elaborate tale centred on misplaced ethics, wrongful convictions, and multigenerational trauma. Superb characterisation and meticulously curated exchanges heighten the tension throughout while recognisable Melbourne landmarks and Australian colloquialisms imbue the narrative with an unsettling familiarity, culminating in a surprising ending that will turn every expectation on its head. *Big Issue* It's Aussie noir, but much funnier than your standard noir, and Lovitt is a wonderfully inventive writer. *New Zealand Listener* Incredible. Lovitt

takes a wicked sense of humour and clever plotting to once again brilliantly subvert the crime genre Move over Peter Temple your heir apparent has arrived and is breaking all the rules of crime fiction with a talent and skill that is unique daring and quite simply a pleasure to behold on the page Jon Page A Couple of Pages What really sets Lovitt s novels apart from the crowd is his writing style In Black Teeth his use of plain and urban language is fresh and engaging and his snappy character dialogue a pleasure to read If you find unassuming intelligence and a dark and dry sense of humour as appealing as I do then Lovitt s narrative voice will have you enthralled Booklover Book Reviews Lovitt respects and craftily manipulates conventions of crime fiction but brings to them idiosyncratic and observant eyes and ears Black Teeth confirms his status in a high quality local literary field Australian A quirky contemporary thriller Best Books of 2016 New Zealand Listener An unhinged darkly comic thriller Best Crime Books of 2016 Readings A quintessential Melbourne novel The language is modern and raw The juggling of the events and episodes is engrossing Lovitt weaves the reality of modern life into the story Law Institute Journal Of all the novels I ve read that could be called neo noir Black Teeth is the one that most succeeds in combining the new with the noir Crime Fiction Lover It takes a lot to surprise me but Black Teeth did exactly that a sharp darkly funny novel cleverly written Shots Magazine
