Redeeming the Dial Tona J. Hangen, 2003-12-04 Blending cultural religious and media history Tona Hangen offers a richly detailed look into the world of religious radio She uses recordings sermons fan mail and other sources to tell the stories of the determined broadcasters and devoted listeners who together transformed American radio evangelism from an on air novelty in the 1920s into a profitable and wide reaching industry by the 1950s Hangen traces the careers of three of the most successful Protestant radio evangelists Paul Rader Aimee Semple McPherson and Charles Fuller and examines the strategies they used to bring their messages to listeners across the nation Initially shut out of network radio and free airtime both of which were available only to mainstream Protestant and Catholic groups evangelical broadcasters gained access to the airwaves with paid time programming By the mid twentieth century millions of Americans regularly tuned in to evangelical programming making it one of the medium's most distinctive and durable genres The voluntary contributions of these listeners in turn helped bankroll religious radio's remarkable growth Revealing the entwined development of evangelical religion and modern mass media Hangen demonstrates that the history of one is incomplete without the history of the other both are essential to understanding American culture in the twentieth century Fairport Convention On Track

Kevan Furbank, 2020-06-02 Fairport Convention are a great British institution or at least they should be For more than 50 years they have helped to keep traditional music alive and kicking by injecting it with a healthy dose of electric rock n roll Their finest albums including *What We Did On Our Holidays* and *Liege And Lief* are landmarks in the development of British music In this exhaustive and illuminating book Kevan Furbank looks at all the studio albums in detail from their uncertain debut in 1968 to their most recent release celebrating half a century of music making He chronicles the stories behind each recording touching on the highs and lows the successes and tragedies the pleasure and pain and examines the songwriting arrangements and traditions that inspired each track In doing so he also looks at the contributions made by the many great musicians who have passed through Fairport's revolving door line ups including guitar wizard Richard Thompson angel voiced Sandy Denny demon fiddler Dave Swarbrick and the guv nor of British folk rock Ashley Hutchings Fairport Convention's musical story is as dramatic as any soap opera If you have never heard any Fairport this book is the perfect introduction If you have you will want to go back and revisit the music this band has made over the last 50 years Because in the words of Richard Thompson it all comes round again **American Literature** Hans Bertens, Theo D'haen, 2013-11-12 This
