**The Half-Jewish Book** Daniel M. Klein, Freke Vuijst, 2000 It's happening fast The population of half Jews in America is well on its way to surpassing the population of full Jews And with this population shift has come a revolutionary transformation of what it means to be half Jewish Sure some people say that you are either Jewish or not that there's nothing in between but the authors emphatically disagree They say half Jews are a unique subculture of people who draw from both sides of their heritage and synthesize their cultural halves into a remarkable new identity The Half Jewish Book celebrates this unique identity that until now has been ignored maligned and misunderstood There's half Jewish humor Half Jewish half Catholic Bill Maher I come from a mixed religious background when I went to confession I brought a lawyer with me And there's half Jewish beauty Gwyneth Paltrow Joan Collins and Jane Seymour just for starters There are half Jewish writers Proust Salinger and half Jewish characters in fiction by authors ranging from Philip Roth to Salman Rushdie There's even that half Jewish cartoon phenomenon Tommy Pickles in Rugrats There are half Jewish politicians Fiorello La Guardia Barry Goldwater Dianne Feinstein And there are the extraordinary number of people like General Wesley Clark who discovered as adults that they were half Jewish and then embraced their newfound double heritage This book includes an eye opening essay on half Jewish identity and looks into the often misunderstood history of half Jews in the Holocaust There are original interviews with half Jews as well as holiday cards and menus poetry and song lyrics and paintings and photographs Intelligent exuberant entertaining and thought provoking The Half Jewish Book is a fascinating celebration of a cultural mix that is far greater than the sum of its parts The premise of The Half Jewish Book is simple if somewhat controversial Being half Jewish is a quality unto itself sui generis Half Jewishness is a cultural intellectual and aesthetic mix that is in a variety of ways greater than the sum of its parts To take this position and to revel in the celebration that follows from it we stand in clear opposition to those who insist You are either Jewish or you are not there's nothing in between And we compound this blasphemy by suggesting that there is something unique remarkable and downright dazzling about the half Jewish mind and the half Jewish face about the art and wit created by half Jewish sensibilities and in the ethical literary and political ideas produced from the half Jewish perspective Enough already about the half Jewish problem as the tragic product of intermarriage It is time to explore the unique and fascinating world of the half Jew from the Introduction
